Sutherland Reveals Plans to Return To China Mission Field

Professor F. C. Sutherland has announced that he hopes to return to China this coming fall, where he will be in charge of the Fitken Memorial Training School which is to be established at our new field in China. The W. F. M. S. of the Church of the Nazarene is giving \$50,000 for the building of this school set-up to train native workers. It is to be built in honor of Mrs. Fitken, long-time president of the W. F. M. S.

Professor Sutherland is returning to the mission field at the request of the missionary department of the general board, to head the Bible School.

Dr. L. T. Corlett expressed regret that Professor Sutherland was leaving NNC, but stated that the administration was glad to cooperate for the development of the mission school.

Arthur and Blanch Moses, former students of NNC are planning to leave for the mission field with Professor and Mrs. Sutherland. Professor Sutherland will leave NNC in the next few weeks to complete his thesis for his Ph.D. degree before going on to China, but his classes here will continue under his supervision.

March 29-April 1 (Monday-Thursday)	Mid-Semester Exams.
April 1 (Thursday)	Basketball Banquet
April 2-11 (Friday-Sunday)	Acelian Choir Tour (?)
April 6 (Tuesday)	Campus Day
April 9 (Friday)	Society Play
April 10 (Saturday)	Last Day to File Applications for Grad.
April 12-16 (Monday-Friday)	Mangum Missionary Lectures
April 14 (Wednesday)	Faculty Meeting, 4:00 P. M.

Kostella, Morris, Sulston Win First

Misses Norma Kostella and Patricia Morris tied for first place in the junior division of debate with Ken Sulston placing first in extemporaneous speaking in the final rounds of the annual Southern Idaho Speech tournament, Professor M. A. Wilson, tournament director, revealed here Monday, March 22. Tournament events were run off the 19th and 20th.

The tournament was the first revival of its kind in the area since the war. Schools participating were Ricks College, Albion Normal, Idaho State College, College of Idaho and Northwest Nazarene College. Divisions included oratory, extemporaneous speaking and debate. Over 50 students participated in the events.

A coaches' luncheon was held in the Morrison Hall dining hall at noon March 20.

Hope was expressed by Professor Wilson that the tournament will become a significant annual event.

Wallace Gives Goals For "Real Teaching" At Annual Banquet

About 40 members and sponsors of the FTA banqueted at the Dewey Palace on Thursday, March 18. After the turkey dinner, Howard Zimmerman gave some readings and Jeanne Vail sang "Homing." Juanita Mink played incidental music. Myrtle Hayes, president of the group, presented Gerald Wallace as the speaker of the evening. Mr. Wallace is president of the Idaho Education association and assistant superintendent of schools in Boise.

The satisfaction of being of SERVICE to young people is the greatest remuneration of the teacher, said Mr. Wallace. He said that teachers should set "knowledge," "honor," "honesty," "faith" and "sacrifice" as pegs or goals towards which to strive. During his address, Mr. Wallace read short essays written by high school students that illustrated what "real teaching" can accomplish.

Sponsors and faculty attending the banquet included Dr. Thelma Culver, Miss Ethel Allison, Professor and Mrs. D. G. Laughlin, and Miss Helen Wilson.

The next regular FTA meeting will be held Wednesday, March 31.

Rev. Wiman Slated For Mission Lectures

The Rev. C. H. Wiman will present the Mangum Missionary lectures here April 12 through 16. Rev. Wiman has been a missionary both in Japan and Peru. At one time he was assistant to Dr. E. P. Ellyson in the church schools department, and at present is professor of Spanish and missions and also registrar at Bethany.

PNCC Delegates Return; Findings To Be Presented to United Nations

The Pacific Northwest College Congress met at Whitman College on March 3, 4, 5, 6, with purpose of giving to youth a voice in world affairs. Delegates from 34 colleges and universities in the Northwest and Alaska were present, and delegates from N. N. C. included Ervin Edgar and Deloris Bloomquist who were accompanied by LaMont Lee, who represented the faculty in allied discussions by faculty groups.

The congress will send two representatives to the United Nations organizations who will present the views of the College Congress for their consideration. The recommendations of this congress to the U. N. are briefly:

Delegate Expresses Personal Reactions

By ERVIN EDGAR

In a world which is fast approaching a crisis situation, it is wise to obtain information along the lines of the world situation. Not because you may discover some world shaking event in the making but rather so that you may sympathize with someone else and to pray intelligently for the needs of the world.

In a student body which professes faith in God and belief in the power of prayer it might seem strange that nearly all the requests made known to God in public prayer are with a view to consuming the object requested within the student body. Have you asked God recently for the power to sympathize with a pig-headed, stupid, Communist? Has your interest been all for self? Have you been concerned to know who you might vote for so that the elected candidate would express the ideal that this world needs? And if you have what makes you think that you are well acquainted with the needs of the world?

The Pacific Northwest College Congress affords a means whereby this student body may have its flagging interest in world affairs stirred anew. I would not belittle the effect of our recommendation to the United Nations but of even greater importance is their effect upon individuals to bestir their thinking and concern for world affairs.

1. Resolved the interim committee study the United Nations charter and recommend to the general assembly charter amendments essential to make the United Nations an effective instrument for securing and maintaining world peace.

2. We recommend that the general assembly be given the power to require a decision by the security council on important issues.

3. We recommend that an adequate, permanent, internationalized military force be provided to enforce the decisions of the security council.

4. In order to enable successful operation of the Marshall Plan, the United States continue to take the initiative in encouraging reciprocal trade by negotiating the reduction of tariff barriers.

5. The law enacting the Marshall Plan exclude the demands for strategic materials for stockpiling by the United States.

6. The participating nations under the Marshall Plan have an active voice in its administration.

7. No government will be excluded from Marshall Plan aid for political reasons.

8. Purchase of armaments with funds appropriated under the Marshall Plan shall be prohibited.

9. Resolved that there be an equalization of the scholastic requirements of the educational system of the world to facilitate free

(Continued on page 2)

New Look Due to Hit Campus on April 6

Current reports say that after April 6 our campus will have the NEW LOOK. What is April 6? Why Campus Day, of course! Chief of the day's activities will be Fred Fowler, with Ramona Vanderpool as his first assistant.

According to Fowler, the day will start at 6:30 a. m. with breakfast at 7:00 and assembly in the chapel at 8:00. Dave Alexander will take roll call at 8:30 and work will get under way immediately.

Participation points will be given to the societies for quality and quantity of work done by each

of its members. Dr. Corlett, Rev. Riley and Prof. McGraw will be the judges. Crews will be assigned to all major parts of the campus, including Vetville. At 12:00 noon tickets will be passed out to those who have been working; these tickets will admit holders to lunch, the picnic and the party.

Lunch will be served at 12:30; at 2:00 in the afternoon there will be a ball game; at 6:30 a picnic supper will be served in Kurtz Park, and the party will start in the gym at 8:00.

College Church Construction Underway

Riley, Mayor And Other Notables Witness Ceremony

"The greatest step that College Church has taken," said the Rev. Riley. "Nampa will be proud to be the home of the new church which will be a real credit to this city," added Mayor Johnson.

These and many other remarks were made as ground-breaking ceremonies took place for the new building of College Church on the corner of Juniper and Dewey.

Many people attended this momentous occasion, the college board of regents, visiting friends, members of the city council, and other interested parties.

Rev. Riley said the church will be of solid brick and concrete construction, 108x140 feet, and will cost approximately \$250,000 of which \$61,600 has already been pledged.

The Rev. John E. Riley, pastor of College Church, who turned the first shovel in the ground breaking ceremonies for the new College Church on the corner of Juniper and Dewey. Rev. Riley expressed confidence that the \$250,000 edifice could be completed if the church accepted the challenge.

View of "The Hole" on the corner of Juniper and Dewey as seen late last week. The earth moving equipment of all descriptions, including bulldozers and power shovels, worked at full speed in the first step toward building the new 108x140-foot College Church building.

Editorials

Perhaps Today

By HELEN G. WILSON

The average college student faces a dual danger involving the use of his time. On the one hand, there is the temptation to look upon college life as preparation for the future entirely and to evaluate all one's activities with an emphasis on the tomorrows. There is, on the other hand, a tendency to become short-sighted—to judge everything only as it applies to today. There is merit in both philosophies and a successful college career depends upon the achievement of proper balance.

One's life at college is a preparation for tomorrow. Curriculum is not an end in itself nor are grades in the teachers' classrooms the final aim as far as the individual student's education is concerned. Knowledge, grades, and scholastic efficiency are valuable only as they can be transferred into successful living in the future.

It is equally important that each of us should bear a responsibility to the present hour. We cannot afford to live below par today and seek refuge in the fact that we'll make it up tomorrow. Life just doesn't work that way.

The motto on my wall says PERHAPS TODAY. The original implication behind this sentiment is that PERHAPS TODAY CHRIST WILL COME. That in itself should be motivation enough for the highest type of living possible. What an incentive the soon coming of Our Lord Jesus Christ is for the giving of life at its best!

Yet there is still a wealth of other suggestions in this little motto:

PERHAPS TODAY someone will seek me out and need me as never before!

(Continued in second column)

Vets Views In The News

as seen by
Willis Walker

Master of Ceremonies Lauren Bozarth, during the games session of the Vets' Wives meeting, to which the husbands were invited last time, gave most of us fellows the biggest bang we have had since we practiced firing the bazooka, mortar and what-have-you on the range for the first time. Evidently paper sacks are not scarce any more, for he gave each one a paper bag, divided us in teams and one by one we huffed and puffed and popped till the whole of Morrison Hall rang and re-echoed from each succeeding blast. Woody Smith and some of the other fellows liked so well the idea of the vets meeting with their wives that Woody gave a call for volunteers to form a men's auxiliary to the Vets' Wives association. If interested, see him for full particulars.

Postal laws governing delivery of VA checks for subsistence, compensation and pensions have been modified to hasten their receipt by veterans receiving such aid through the mails. The new regulation allows such checks to be placed in city and county post office boxes and in both rural and city mail boxes served by mail carriers. Also, these benefit checks may now be delivered personally not only to the addressees but to any member of his household without a written order or to anyone who usually receives his mail without written authorization. Checks now will also be delivered to any responsible person who holds the written consent of the addressee.

All vets with more than one dependent should hasten to send in birth certificates or other needed information in order to establish entitlement to the increased allowance of \$120. All March subsistence checks will be accompanied with explanations of the provisions of Public Law 11 which increases subsistence allowances. Those entitled to \$75 or \$105 will not have to apply for the increased allowances since their increases will be paid automatically.

BE SURE to give your C-number when writing to the Veterans Administration.

By the Editors

Professor Sutherland, we regret very much that you are leaving the campus of N. N. C. Your humble, Christ-like life has been an inspiration and blessing to all of us who have come in contact with you. We would not wish you to stay, for your obedience to your God is part and parcel of your very life and example. We will miss you, but our prayers and faith will go with you and your co-workers as you work and teach in China. God bless you and may you experience unbounded success in your return to the mission field.

Aeolians Take Trip

The Aeolian Choir, with Accompanist Double E. Hill and Director J. Raymond Knighton, went on a week-end trip to eastern Idaho. They gave a concert Saturday, March 20, at Filer, and Sunday morning at Twin Falls.

The group went in Professor Roger Taylor's new bus.

Chapel Talks

By VERNICE VROMAN

It was clearly brought out to us by Dr. Corlett that in order to have depth of character in our physical, mental, and emotional life we must be "controlled by purpose." For "those that follow the crowd" as did Peter the while he denied Christ, "have no certainty in life."

The pre-Easter season was ushered in to us with the Boise Junior College choir presenting a very colorful program of religious songs, of which it can be said, was enjoyed by all who attended.

Bhujabal Leaves NNC

The Rev. Samuel Bhujabal, national of India, has been a guest of Chapman Hall for the past two months. His visit has been interspersed with short speaking tours.

Since arriving in America, Rev. Bhujabal has seen his first snow. He has been favorably impressed with N. N. C., also the high standards of sanitation in America, revealed the Rev. Beals.

He left early last Friday for Seattle where he will begin his coast to coast tour, accompanied for the most part by Rev. Beals.

Here's What America Means to One Eighth Grade Boy; What Does It Mean to You?

Americanism—just the word thrills a fellow, makes him feel proud and safe, but it's hard to define completely. It's the right to attend the church of your choice, to work at the job you like best, to vote as you wish. It's the right to say and write as you please, as I am now putting down my ideas of Americanism.

It's daring to answer your door in the middle of the night. It's the right to move to another house or another state without permit or examination.

It's Americanism to be free to follow the open road, when and where you will. It's the right to attend and sit where you wish in public gatherings. It's the freedom to kick over and grouch about anything and everything. To let off steam. Americanism is ice cream, hot dogs and baseball. It's taking your gun to go hunting. It's the right and opportunity to own your home, built as you want it, where you can shut out the world. It's a sunny kitchen full of good things to eat and labor-saving electric devices. It's a radio, a telephone, music lessons for the kids and privileges for the laboring man as well as the rich.

Americanism is something created by a people who are a mixture of different nationalities, united as one nation under the free, friendly, protective tolerance of the banner of red, white and blue—Old Glory.

(Editor's Note: The theme printed above was written by John Evans, an eighth grader in Boise Junior High School, and was read to FTA members at their recent banquet by Gerald Wallace, assistant superintendent of schools in Boise, who kindly forwarded a copy at our request.)

PERHAPS TODAY

(Continued from first column)

PERHAPS TODAY my big chance in life will come!
PERHAPS TODAY the Lord will allow Satan to try my faith!
PERHAPS TODAY I will have the opportunity to speak to that person for whom I felt so burdened during the revival meeting!

PERHAPS TODAY! Who knows... the greatest challenge of my life may come my way THIS DAY!

The challenge of today is with us always. What are we doing with it? The poet said:

For yesterday has vanished and tomorrow is but a dream

But today well-lived makes every yesterday a memory of happiness

And every tomorrow a vision of hope!

Abe

Says..

I find that I can't go to California for 10 or 12 days without being missed by at least a few people. I hereby publicly thank Jerald Johnson for steering onward the ship of state during my leave of absence. Verbal bouquets to the others who so nobly carried on.

Committees are working to undermine the mountain of business

which confronts us. Constitutional amendments, generated by one committee, are to be presented soon. The election committee is formulating an activity questionnaire. Read the Constitution.

You POLITICIANS can start oiling your guns for the elections to be held no later than the first week of May. Read the Constitution.

I appreciate my associates on the council, although they probably have their doubts at times. Underneath my gruff exterior there beats a tender heart, believe me. I'm not running for second term.) Well, I haven't much to stay this time—too much else to do.

Who's Who

Miss Margie Mae Herron, daughter of Mr. and Mrs. A. E. Herron of Nampa, was born May 11, 1923, at Anthony, Kansas. Soon after this, the Herrons moved to Western Washington where Margie lived 13 years of her life before spending five years in the Yakima valley in Washington.

Margie attended several schools then graduated from grade school at Centralia, Washington.

In high school Margie took part in a class play, wrote for the school newspaper, belonged to a writing club, and was a member of the Honor Society. In 1941, at the end of four busy years, Margie graduated from Chehalis High.

Margie took up normal work at a junior college in Centralia, then did secretarial work for two years before coming to N. N. C. While here Margie has been a member of the church choir, mixed chorus, philharmonic, Timothy club, and the a cappella choir. During her junior year she was secretary-treasurer of A. W. S., a member of the dorm council, and now as a senior, Margie is president of the A. W. S. and the senior class secretary. She says, "I have always dreamed of coming to N. N. C. It has fulfilled all my expectations, and I have thoroughly enjoyed every year of school here."

"My folks joined the Centralia Church of the Nazarene when I was three months old, and I have been a Nazarene all my life."

Margie received a call to the ministry between her freshman and sophomore years in college. She plans to enter pastoral work and is especially interested in young people.

"If a woman were by herself, it would be difficult," explained Margie with a smile, "but I may not be."

Delegates Return

(Continued from page 1)

transfer of students among nations.

10. Resolved that UNESCO provide a more active program of publicity directed at the individual through the medium of motion pictures, radio and press to stimulate interest in UNESCO philosophy, functions, and structure

11. That the United Nations, through an appropriate specialized agency, facilitate the free flow of accurate information among nations and prevent the formation of international news cartels which tend to restrain it.

12. That the United Nations, through an appropriate specialized agency, inaugurate a program intended to teach new analysis and evaluation; and to promote interest in world affairs through universal education.

These resolutions will be voted upon by the students of the colleges and universities of the Northwest in the near future.

Baseball, Track Aspirants Begin Training

12 Turn Out For Track; 5 Return

About 12 cinder aspirants have been working out daily on the oval exercising themselves and getting in shape to represent N. N. C. in at least three track meets later this spring.

Five lettermen answered Coach Lee's call for track men some ten days ago: Dougherty, who set a new school record last year in the broad jump; Bellamy, who set a new record last year in the mile; Butler, sprint man; Midby, weight man; Farrand in the pole vault.

New men include C. Dean, a weight man; Sutherland, 440; Wilson, 2 mile; Herron, 880, javelin, and the high jump; Swann, the sprints; Powers in the hurdles.

There should be some new marks set this spring. Bellamy should clip 10 seconds off his mile mark. Dougherty should surpass the 21-ft. mark in the broad jump. Harron should endanger the high jump and javelin marks, as will Dean in the shot put.

Oly's Upset LSP's; Win Five of Six

An undaunted quintet of upset-minded Olys came up with the first big upset of the intramural season when they tied the first half champions, the LSPs, for the second half title.

The Olys, who had failed to win a single game in the first half, did an about face as they won five of six games, and clinched a tie for the title in the final game of the year by edging out LSPs 38-34.

For the LSPs it was the first loss, of the half, and snapped an 11-game winning streak that had started early in the first half and included the Cunningham-Mills tournament championship.

The SLAs and ADPs split their two-game series and lost to the co-champs, to tie for third and fourth place with one triumph

Athlete's Foot

by Peter Burkhart

Coach Lee announces that spring training for baseball and track is in full swing with a good turnout in both sports. The first baseball game is scheduled for April 5, here on the campus ball diamond, with Boise uJunior College Broncos, and the thin-clads will see their first action at the College of Idaho April 21.

While there is a good turn-out for both sports, there seems to be the opinion in some quarters that if "I" turned out they could have a much better team. Monty reports that there were plenty of big-time players running around last winter who could always hit a home run in a pinch, who don't seem to be turning out for the sport. In other words, all blow from the blow-hards and no show-up on the ball diamond proves who are the best players; naturally the ones who turn out.

Easter orchids seem to be in order for Carl "Tiny" Bellamy for the bang-up job he has done of assisting and directing the intramural athletic activities this semester. Official sources wish there were more Bellamys to help organize and boost the program instead of all the time complaining about it and not doing anything.

We could all think on the last statement. If we don't like the way extra-curricular activities are operated why don't we get in and try to improve them instead of crying around like a sick magpie? I am sure the athletic program would by far rather have one willing helper than a dozen "know-how do-nothing" lazy critics.

Remember, a supported team is a nencouraged team and an encouraged team is a hopeful team, and a hopeful team is a winning team, so let's all be out to boost for the first home-field baseball game April 5.

each. No playoffs will be held but the LSPs and Olys will split first and second place points and the ADPs and SLAs will divide the third and fourth spot tallies.

Final basketball standings:

	W	L
LSP	5	1
Olys	5	1
ADP	1	5
SLA	1	5

Volleyball in Play

Girls' volleyball is well underway. There has been some good displays of volleyball and the games have been interesting. The dynamic SLA girls are leading the other societies with no losses to date. The ADPs are going strong with only one loss. Volleyball will be completed in the next two weeks. If you haven't turned out for your society—DO SO!

Baseball practice here at N. N. C. went into its second week with 18 fellows battling for positions. Loosening up those arms has been the main object of practice so far with batting practice, fly-catching and infield coming secondary.

There are five returning lettermen: Bellamy, Barnum, Beukelman, Potter, and E. Vail to give the team a little experience. Other fellows who are out are: J. Cramer, Weatherford, C. Dean, Stigleder, Taylor, Powers, Unger, Parkins, Goehring, G. Hopkins, L. Hopkins, Wesche, and Burkhart.

As for positions, it will be Barnum and Goehring behind the plate. The pitching chores will rest heavily on Carlyle Dean and Tiny Bellamy. In the infield at first J. Cramer is looking good, also Wesche and Parkins; at second Beukelman; shortstop, Taylor; third, Powers. The rest are fly-chasers in the outfield.

Last Thursday afternoon Skip Stivers from downtown came out and gave the fellows a great many helpful hints to the key of playing good ball.

The first game is April 5, here, against B. J. C.

ADP Girls Win Another First

The fighting ADP girls have come out with another first. They defeated the SLAs to win the first game of the second semester. All teams were somewhat improved and were able to give a better show in their games. Girls' basketball standings were:

	W	L
ADP	5	1
SLA	4	2
OLY	3	3
LSP	0	6

Records That Trackmen Will Shoot For

Name	Time	Distance	When
100-yard dash—Nelson	10.		1944

Oly-ADP Rehearsal Gets Into High Gear

Rehearsals are in full swing on the Oly-ADP contest play, the "Hoosier Schoolmaster," to be presented the evening of April 9. The three-act comedy is jointly directed by Butch Neubauer and Eunice Lintz, program chairmen for the societies concerned. The cast is as follows:

Ralph Hartsook..... Ken Sulston
Mrs. Means..... Eunice Lintz
Hannah Thamson..... Dorothy Davis
Bud Means..... Bob Anderson
Miranda Means..... Marilyn Perkins
Dr. Small..... Delmar Beukelman
Hank Banta..... Dave Burkhart
Shocky..... Myron Finkbeiner
Betsey Short..... Thelma Waller
Squire Hawkins..... Ercil Bowman
Martha Hawkins..... Lillian Nutt

Bloomquist Injured

Merrit A. Bloomquist is in Samaritan hospital following a motorcycle accident near the hospital Tuesday, March 23. He suffered a fractured wrist and minor head injuries but is recovering satisfactorily.

1,022 Fill Sunday School; Mark Set

A sight to behold: 1,022 in Sunday School having their picture taken.

L. Wesley Johnson with furrowed brow as he tries to figure out a way to make some money by charging people to come to Sunday School.

The look of pride on the faces of the Rev. Riley and Dr. Corlett when our 1,022 in Sunday School was the largest attendance in the Church of the Nazarene.

Philosophers Plan Annual Banquet

Climaxing the year's activities, the Philosophy club's annual spring banquet has been scheduled for Tuesday evening, April 13, at the Hill House in Boise, Ken Sulston, program chairman, announced this week.

Speaker for the occasion will be Conan J. Mathews, dean of Boise Junior College.

Anyone interested is requested to contact Jim Ranum, president, or Mr. Sulston for reservations.

If You're Interested

ART DEPARTMENT

Last Thursday morning, March 25, a group of art students, accompanied by Professor Finkbeiner, left for Bend, Oregon, where they held a pre-Easter revival Thursday through Saturday, including a Youth for Christ service.

Members of the group were Mary Shaffer, Loree Wallace, Merrill Bennett, Eunice Lintz, and Arleigh Eckert. Easter Sunday, the group divided, half of them going to Prineville while the other half conducted the services at Bend.

GENERAL MISSIONARY

Thursday, March 25, the N. N. C. student body were privileged to have the Rev. Dickenson to speak and show slides in chapel on the conditions of China caused by war and starvation. Rev. Dickenson told the story of how God so miraculously brought him through the "fiery furnace," when the mission compound was swept by flames. A germ-infested well and God's power saved him and two others from being burned to death. Need of money and missionaries was also stressed.

FUTURE HOMEMAKERS

The Future Home-makers of College High have adopted a home economics class of 31 pupils in Hessen, Germany. Purpose of the "adoption" is to sponsor the job of getting hard to get supplies to "Future Home-makers" in Germany. One box per week can be sent and as many letters as the club desires.

Mrs. Margaret Fred, sponsor, has a list of needed supplies for the information of anyone who wishes to contribute.

MU UPSILON

The Mu Upsilon Sigma presented Carol Sharp, soprano, and Rachael Hanners, pianist, in a joint recital, Wednesday, March 24, in the chapel. These recitals are held every first and third Wednesdays of each month at 4 p. m.

A CAPPELLA CHOIR

The a cappella choir, directed by Roger Taylor, will leave for their annual spring tour about April 23, and return on May 2.

The schedule includes Lewiston, Spokane, Moscow, Butte, Billings, Salt Lake City, Pocatello and other cities along the route.

On April 4, the choir will take an all-day trip, singing at Pleasant Ridge in the morning and Eagle in the evening.

FOREIGN MISSION BAND

Regular session of the Foreign Mission Band Thursday was favored with moving pictures taken by the Rev. Beals and his family on their return to India in 1940. Also shown were excerpts of the work in India.

CAMERA CLUB

A safe light, a large paper cutter, and a print press were recent additions to the Camera Club's dark room.

A new feature of the progressive club is the showing of slides which add much interest to each meeting.

Future events for the Shutterbugs are a party at which colored sound movies will be shown and an outing to be held when the weather improves.

CHRISTIAN WORKERS

Myrtlebell Walton spoke for the Christian Workers' Band on March 6. A group led by Don Farrand held a young people's service for the Nazarene Church at Eagle (Idaho) on March 14.

Campus Cupboard 'At Your Service'

"They can't be duplicated" was the comment of a customer at the newly improved "Campus Cupboard," alluding to the steak dinner before her. The \$5,000 project just completed includes the installation of a counter and complete fountain equipment. The "beanery" has been completely redecorated by John A. Durbin, school carpenter, assisted by student help. Wainscoting of knotty pine blends with the creme and white color scheme.

Outside patronage is invited to enjoy steak and salad dinners, sandwiches and fountain service between 8 a. m. and 11 p. m. daily; 10:30 p. m. for college students, except Wednesday evening between 7 and 9 during prayer.

"At your service" are Iris Bundy, Esther Cockerham, Edith Hoidal, Erma Hoidal, Irene Leedholm, and Mary Peterson. Head Dietitian Herman Fisher, supervises. Mrs. Fisher acts as bouncer.

Oasis Copy Finished To Arrive on May 21

All copy, both literary and advertising, will be in to the printers by April 1, Ramon Vanderpool, editor of the OASIS stated this week. Barring any unforeseen difficulties, the yearbook should be in the hands of the students by May 21. Vanderpool expressed appreciation to the photographers, Franklin Carr and Mr. Braun of Caldwell for the excellent work done by them.
