Fowler Wins Prexy Post

Student Preaching Mission Week Calls Forth Best in Preachers

Milton Gardiner, Chapel, Monday.
Paul Beaver, Chapel, Tuesday.
Floyd Perkins, Chapel, Wednesday.
Ken Sulston, 7:30 p. m., Wednesday.
Jerald Johnson, Chapel, Thursday.
Jack Hawthorne, Chapel, Friday.
Roy Green, 7:30 p. m., Saturday.
Richard Jackson, 7:30 p. m., Sunday.

Above is outlined the schedule for student preaching mission which is to be held this year from April 25 to May 1, inclusive.

This preaching mission was first inaugurated three years ago and at that time was called Religious Emphasis week. This year the name has been changed to Preaching Mission week. It features members of the faculty who preach during the first semester of the school year, and members of the student body preaching the second semester.

Faculty preaching mission the first semester featured Professors Guy Sharp, LaMont Lee, Roy Ray, James Hilliard, L. Wesley Johnson, Mallalieu A. Wilson, Harold J. Hart, and James P. McGraw.

Professor McGraw and the Rev. Riley are in charge of selecting the special student speakers for this occasion. "It is certainly hard to choose the eight out of all the fine students that are available," they said.

All-School Play Cast Selected

Charles George's "Little Shepherd of Kingdom Come" has been chosen for the all-school play. It is based on the famous novel by John Fox, Jr., who also wrote "The Trail of the Lonesome Pine."

The lead of Chad (the little shepherd) is played by Clarence Peterson. Chad comes purely by accident to live in the aristocratic home of a Kentucky major. His hill billy personality which clashes with his new environment is the basis of the plot. Opposite Chad is Margaret Dean (a very beautiful girl who is a daughter of a good Kentucky family and also in love with Chad), Roma Mitchell; Richard Hunt (Margaret's fiance), Don Farrand; Major Buford, Jim Wolstenholm, Miss Lucy Buford (spinster sister), Bette Harding; Mrs. Caroline Dean, Jean Kirkpatrick; Nathan Cherry, Harold Thompson; Betsy Cherry (his daughter), Marvel Dillon; Melissa Turner, Darlene Van Schaick; Jenny Overstreet, Joanne Burkhart; Nellie Hunt, Doris Anderson; Old Tom (a Negro servant), Wayne Johnson, and Thanky (a Negro housemaid), Eunice Lintz. All of these contribute to a sequence of events which helps Chad find his place in the world.

The play is scheduled for May 20 and 21. It will be open to the public.

Oasis Goes to Press

Going to press of the Oasis was revealed by Floyd Perkins, editor of this year's publication. "Present plans call for delivery of the book to us about May 21," he said, "and we plan to present it to the student body about May 27."

Hanon to Speak At Jr.-Sr. Banquet

Dr. M. T. Hanon of the College of Idaho will present the main address to those in attendance at the annual junior-senior banquet Friday evening, April 22. The dinner will be held in the Crystal ballroom of the Hotel Boise.

Reservations for the banquet may be made until 3 o'clock today in the hall of the administration building. The banquet theme, kept secret until Friday evening, will be unveiled at that time.

Fred Fowler, newly elected A. S. B. president, will be the evening's toastmaster, and music will be in charge of Mrs. Alline Swan.

Breakfast Planned

To highlight their first year of progress the Scriblerus club is planning a breakfast on April 30. Definite arrangements have not been made, but there will be an outside speaker who will speak on some special interest in the English field.

Never Too Young to Learn! Why Not Start Now?

There is something going on on our campus that I do not like one bit. I wish we could do something about it. Let a young man date a girl once, twice, and the crowd comments, "Oh, oh, they've got it bad." At a third date, the comment is, "Got your invitations printed?" I call that a tragedy. Am I "off the beam?" Or am I really putting my finger on something? What do you say we develop another attitude here? Here's something the faculty and administration can't do. It's something that only you can do.

It is a tragedy that a man is always eligible, but a woman is not. I think that is an unfair thing about our society. American society makes it possible for a fellow to leave here and find a girl to marry somewhere else, but when a girl reaches 25 her chances of marriage are restricted. Every woman student in Asbury college, therefore, is in her legitimate right to expect the men of this campus to treat her like a lady. If you have found out that you have made a mistake, of course, common sense dictates that you sever any heart relations before it is too late. But I think it is unethical, ungentlemanly. I am satisfied that it is un-Chris-

SLA-ADP to Present "A Stranger Passes" Friday, April 29th

SLA-ADP co-society play, "A Stranger Passes," will be presented April 29 with an afternoon and an evening performance in the College chapel.

"A Stranger Passes" is an ordinary story of an ordinary American family who seem to have a weakness for getting in trouble. It is a play with a moral cloaked with the garb of entertainment," said Miss Norman Kostello and Miss Jean Kirkpatrick, SLA and ADP program chairmen.

A set of new flats and a set of stairs which have recently been purchased as common property for all four societies will be used for the first time in this play.

Committee chairmen, one from ADP's and one from SLA's, are: Stage committee, Lloyd Hubbard and Dutch Goehring; makeup, Ken Sulston, Ruby Feltar; program, Jpanita Stanton, Pat Johnson; props, Juanita Mink and Doris Cameron.

Corlett to Speak

At the Southern California Nazarene Young People's society convention to be held from April 28 to 30, inclusive, at Los Angeles, Dr. Lewis T. Corlett, as special speaker, will speak on the theme of "Christ and Personality." This is a part of a larger general theme entitled "Jesus Is Able."

Dr. Corlett has just returned from an extensive tour of the northwest with the a cappella choir in which he represented the interests of the school.

Farrand Concedes Election Today; To Run for Vice President May 6

Don Farrand today conceded the associated student body presidency to his opponent, Fred Fowler. In a prepared statement Farrand asserted, "Looking at the great landslide for Fred I feel that it is a definite indication of what the student body desires, and because I want to be in full accord with the wishes of the student body I am conceding the election."

"Even from last spring we could feel the trend towards Fred as student body prexy coming. Certainly Fred is the man for the job and as a member of the student body I feel that we should back him to the fullest extent for a successful year at NNC in 1949-50."

A junior, Fowler has served as student body vice president during the past year and will take over the new post with considerable experience in administrative positions. He has served as N club prexy, was president of the sophomore class and of the Olympian society and was captain-elect for this year's Crusaders cage squad but was forced to relinquish the post because of the heavy pressure of other activities.

Fowler Accepts Position

In accepting the position Fowler said: "Indeed, this is the greatest honor which I have ever received. I deeply appreciate this vote of confidence and the trust which you, the student body, have placed in me. I also appreciate the faithful work of those who campaigned for me, and the fine spirit of the other nominees. I especially appreciate the spirit in which Don conceded the election."

"I've tried to refrain from making any specific promises for next year so I would not have to eat my words. However, I have made several to myself and am already thinking about and planning for next year. I realize that a lot of hard work accompanies the honor of being student body president but stand ready to do my best."

Responsibility Great

"The responsibility is great, but after all it is not my responsibility but my response to His ability. I know that with God's help and the cooperation of the student body with the student council we can have one of the best years NNC has ever had."

In the primary balloting Fowler had polled a clear cut majority over his three rivals, gaining 280 votes to 71 for Farrand, 50 for Pete Burkhart and 34 for Dave Alexander. Farrand and Fowler were slated to oppose each other in the final election Friday but Farrand's concession eliminates further presidential balloting.

Largest Vote Cast

The 435 votes cast in the primaries constituted the largest vote polled at NNC since the ballot system was inaugurated two years ago, although it fell far short of the total number of eligible voters which is nearly 700.

With the presidential race concluded, attention is being focused on the secondary officers who will be nominated May 4. Voting is scheduled to take place Friday, May 6. Vacancies to be filled include student body vice president, treasurer, secretary and sergeant-at-arms.

Four names chosen by the student body are: (Continued on page 2)

Beals to Speak At FMB Breakfast

The Rev. Prescott Beals, superintendent of the Nazarene mission work in India, will address members of the NNC foreign mission band Saturday morning at their annual breakfast in Morrison hall.

The breakfast will bring to a close this year's meetings of the band. The group has been meeting each Thursday evening for a time of study and fellowship, for all those called to the mission field and for those interested in world-wide missions.

Included among the guest speakers during the year, have been the Youth for Christ representative from China, Dr. Kenneth P. Wesche of China, Rev. Prescott Beals of India, Mrs. Michael Varro and Guilford Fitz of China.

Officers for the F. M. B. for the past year have been Pat Davis, president; Jim Wolstenholm, vice president, and Paul Beals, secretary. Dan Jackson was chosen by the band to serve as president of the organization during 1949-50.

ASB Presidents To Convene Here

The Association of Idaho Student Body Presidents will hold its fourth annual convention on our campus May 10 and 11. It is held in preparation for the Pacific president's convention in Sun Valley on May 12 to 15. Tentative plans are being formed for their entertainment.

The student council is sponsoring a banquet in their honor on Tuesday, May 11. The AWS and the Men's club will also collaborate to entertain them with a steak fry on Wednesday afternoon.

IN DEFENSE OF DEMOCRACY

By DOROTHY EDWARDS

I don't pretend to possess a wealth of knowledge in the political field, but I have kept my eyes and ears open enough to see that the freedom for which our forefathers sweat, bled, and died, is being threatened by the tyrannical scourge of Socialism and Communism.

History has proven that the most efficient type of government is that of the people, by the people, and for the people. Why is it then, that a group of greedy, selfish, grasping idiots are spreading lies and propaganda in an attempt to overthrow our American way of life?

Ultimately, the goal of the two parties, the Socialists and Communists, is the same. They want to do away with private enterprise and have the government dole out equal portions to all. In other words, the common man is ruler. In Pearl Buck's "The Patriot," political conditions continued to grow steadily worse until the common people revolted against the rich ones. The poor people didn't know how to cope with the problems and difficulties of riches, and the result was complete moral, physical and political degradation. These near-sighted "crack-pots" would find the same situation on their hands if Socialism or Communism got into the White House.

It's a shame that so-called red-blooded Americans have sold their birthright for a mess of pottage and have consecrated their God-given talents to the devil.

There is a cycle which governments go through. It can best be shown by a circle which starts with anarchy or mobocracy, then develops into monarchy, oligarchy, constitutional monarchy, and finally ends with democracy before starting around the circle again.

Governments were organized because of the complete lawlessness and chaos of an anarchy. They then passed on to the opposite of monarchy or dictatorship. Tiring of such tyranny, the governments passed to an oligarchy, or a rulership by a group. From there they passed to the constitutional monarchy such as that of Great Britain. The king is a king in name only, the country is governed by a constitution. Then the highest form comes. The United States of America is a characteristic democracy. It is a government "of the people, by the people, and for the people."

But if democracy crumbles, the only alternative is to pass along the cycle and start over with a mobocracy. If such a thing should happen to our country and our form of government, then all wars from the American Revolution on to the last World War were fought in vain. Thousands of American men and women will have lost their lives just to fatten the pockets of a group of maniacal, power-mad imbeciles who think that they are smarter than thousands of years of historical records that denounce Socialism and Communism.

Farrand Concedes

(Continued from page 1)

dent council last week will appear on the ballot for Crusader and Oasis editorships. Nominees for Crusader editor were Tom Kelly and Dolores Bloomquist and for the Oasis Paul Beals and Paul Kunkle. Additional nominees for these posts may be made from the floor May 4.

Kelly is present assistant editor for the Crusader and publicity director of College Sunday school. Miss Bloomquist, a junior, formerly served on the staff of the Oasis.

Kunkel, a sophomore, is a member of the Oasis and Crusader staffs, and Beals, a junior, is treasurer of the Spencerian Speech club.

Polling places, which will be open from 10:30 to 5:00 will be located at Chapman hall, Morrison hall, Hadley hall, College high and in the main hall of the administration building.

Binks: "Mable seems mad about something. What's wrong?"

Skinks: "I understand she stood on one of those weighing scales with a loud-speaker, and it started calling out, 'One at a time, please.'"

Choirs Return Following Tours

Members of the male choir and a cappella choir returned early this week from an extensive tour of the northwest.

The male choir, under the direction of Prof. R. J. Hughes, gave 13 concerts and traveled over 1100 miles in holding services in Oregon and southern Washington. They were accompanied by Prof. C. E. Taylor.

Under the direction of Prof. J. Raymond Knighton, the a cappella choir held 16 services and traveled approximately 1200 miles in contacting churches throughout the district.

Although they were in Seattle at the time of the recent earthquake no damage or injury occurred to the choir. Accompanying them on the tour was Dr. Lewis T. Corlette, president of the school, who aided in conducting the services.

Patient: "Doctor, I'm scared to death. This is my first operation."

Doctor: "I know just how you feel; it's mine, too."

Journalism Class Prints Crusader

Starting with the gathering of the news, through sweating out the headlines, making up the pages, searching for more and more news, making many trips to the Gem State Printing company, and finally finishing with the final article, the Journalism class, headed by Miss Olive Lawrence, are proud to present this issue of the Crusader to the students of NNC.

Through the courtesy of Lloyd Gebhart, editor of the Crusader, the class was able to put into practical use the material taught during the past year by Miss Lawrence. Of further interest to the class as well as to the student body as a whole were the "scoops" that we were able to secure for this issue.

Members of the class and their positions on the "make-up" staff were: Miss Olive Lawrence, sponsor; Tom Kelly, editor; Lilburn Wesche, assistant editor; Bill Griffin, News editor; Juanita Stanton, feature editor; Bud Baska and Francis Sutherland, sports editors; Bob Cook and Ken Mathis, newswriters; Barbara Kononen, proofreader, and Dave Owsley, typist.

Facts About Your Sunday School

By TOM KELLY

It is still a fact, well-known by now, that we lost the Sunday school contest with Olivet. But some pertinent facts connected with the contest have not been revealed. They are: Last year we had 7648 percent during the 10 Sundays, an average of 765 per Sunday; this year we ended up with 8197, or an average attendance of 820, a gain of 55 per Sunday over last year. We are still growing.

Again this year we broke all previous NNC Sunday school attendance records when Dr. Corlett drew a crowd of 1047, a new record. The largest attendance for the four churches of the Nazarene during the contest was 2289.

With the fiscal year drawing to a close we are again reminded of the fact that the Sunday school has a \$2000 pledge to pay, of which \$1200 has been paid. Next Sunday has been termed by Sunday School Superintendent Roy F. Ray as "Every Scholar Bring a Dollar" day in order to wipe out this debt.

It's a fact that if the Lord is with the construction workers and those in charge this summer, that when we return to school in the fall we will be privileged to attend church in the new church building. Pray and give so that this may be a fact.

In the Spring

By JUANITA STANTON

In the spring a young man's fancy turns to . . . yes, that's a familiar old saying which all young men are living up to right about now. Of course the biggest moment is in spring, but it lingers on through the seasons until winter, when it's frozen out.

Some lucky fellows make a score, but others don't even get to first base. All you have to do is to be able to run fast and to catch. The great outdoor makes the best setting, with the smell off fresh pop corn in the air. Some would like to be alone, but a large crowd makes it more exciting (?). Well, anyway, almost as exciting.

No truer words were ever spoken than when someone said, "In the spring a young man's fancy turns to . . . baseball."

Art Students Visit Silver City

"Wow! Did we have fun!" These and similar comments were heard from the returning art students who toured to the Owyhee mountains last Friday.

Sixty-one students were excused from Friday classes and left school at 8 a. m. with well-packed lunches. Planning to drive to Silver City, an abandoned mining town in the Owyhee mountains, they found that the road was blocked about four miles from the town.

After stopping, because of the blocking snow drifts, the group decided to divide. Some stayed near the bus and sketched the scenery while others hiked to Silver City.

In Silver City they found everything characteristic of a ghost town—houses and stores, hotels, etc., but all were abandoned.

While a few were inspecting the hotel they were welcomed to town by Deputy Sheriff Hawes who used words not found in a standard English dictionary to explain to them that they were not allowed in the hotel.

Faces of red distinguished those who had not been in the sun previously from the others and "all of us got a little tanner," said one.

One group returned at 4 and another at 5 p. m. Many agreed that the trip had been a success.

Proposed Plans For Frosh-Soph Picnic

Black Canyon Dam has been chosen as the tentative site for the annual freshman-sophomore picnic Friday. Cars and trucks will leave at 4 o'clock from in front of the Ad building to take students to the dam. The dam is located 12 miles beyond Emmett.

Entertainment and refreshments have been planned by Norma Kastella Elizabeth Hammond, and Bud Baska of the sophomore class, and Mary Atwater, Lois Renshler, Marilyn Cavender and Whitey Johnson of the freshman class.

Last year's picnic was held at Lake Lowell. Black Canyon dam was chosen this year because of its scenic beauty.

Mainwaring Talks To Philosophers

Thursday evening's banquet will be the climax to the year's activity within the Philosophy club.

Speaking on the practical side of democracy, Bernard Mainwaring, editor of the Nampa Free Press, will challenge the gathering of philosophers and friends to greater sacrifice and vision and a keener sense of appreciation for the freedom of democracy.

This will be the final contribution to the Philosophy club on the theme of democracy which has been used in the round table discussions this past year.

A feature of the program will be the handing over of the gavel of Acting President William Griffin into the hands of R. T. Bolerjack, newly elected president for the coming year. Other officers to be presented are: Wesley Lawrence, vice president; Paul Beals, program chairman; Gertrude Collins, secretary; Earl Embry, treasurer, and Professor Kauffman as faculty sponsor.

The banquet will be served in Morrison hall at 7:30 under the direction of Cecil Thompson.

Planned by R. T. Bolerjack, the evening's activities will feature a varied program with Dr. L. T. Corlett dismissing with prayer. Thus the curtains will be drawn once again on another year's activities delving into the philosophical realms of truth.

Will Profs Flunk Faculty Comps?

By LILBURN WESCHE

Comprehensives are upon the more elite members of our student body again and some of the questions which are included in them are astounding, to put it mildly.

Therefore we are going to make out a short but intelligent comprehensive exam which will employ all present methods of questioning and suggest that members of the faculty attempt to pass it.

For English tutors:

1. Who was Beowulf's opponent in a swimming contest?
2. Compare the "Nut-Brown Maid" and "The Dark Lady."
3. Contrast and compare soul, half-soul and over-soul. (This has nothing to do with the feet.)
4. Write an English novel with plot, characters, setting and atmosphere.

For history teachers:

1. Give the complete life history of Fala.
2. Trace step by step the processed geological restoration that took place before Keats could decipher the Ode of a Grecian Urn.
3. What hapened to the corsage George gave Martha on her fifty-sixth birthday, and why?

For religious profs:

1. Outline the Bible without leaving out any words already in the Bible and complete within two hours.
2. Did Adam ever have appendicitis and cite proof that he did or did not.

Business:

1. When is a dollar not a dollar if the world is round.

For philosophy major instructors:

1. When is realism idealism? If not why not, and when; if so, why so, and . . . phooey to it all.

Bugle Notes

By RICHARD J. DICKSON

During this Easter season we are mindful of the meaning of God's gift to humanity, for it was only through His great gift that we in these United States can enjoy freedom.

It is hardly necessary that we recall the significance of freedom, since we have just seen the close of a war which was fought to guarantee the rights of the four freedoms: freedom from fear and want, and freedom of speech and religion.

Though not included in these basic four freedoms, the freedom that all may enjoy is freedom from sin's hold upon our lives, through the shed blood of Jesus Christ the Son of God. It would seem hopeless for us indeed if the Cross of Christ terminated the gift of God, but know, the cross became the only instrument for man's spiritual and moral recreation.

Christ's death on the cross was not the end of our salvation. What a glorious truth, what a glorious reality it is that although Jesus died on the cross, was buried, and sealed in the tomb, death could not hold its prey, He broke the bars away, Jesus my Lord.

"Up from the grave He arose, With a mighty triumph o'er His foes,

He arose a Victor from the dark domain,

And He lives forever with His saints to reign.

He arose! He arose! Hallelujah! Christ arose!"

Because Jesus arose, we today are rejoicing in the hope of our resurrection. Spiritual resurrections are the crowning reality. Sin had come into the world to destroy humanity, but Christ had come to destroy sin.

College High News

Trojans Butcher Greenleaf 12 to 3

Despite the absence of regular Dick Edwards, College high's baseball team, behind the masterful pitching of Clarence Olsen, easily defeated Greenleaf by a lopsided 12-3 score.

Olsen held the Greenleaf nine to four scattered hits while striking out 15 of the 27 batters who faced him. Art Mittleider, with two solid blows in five times up, led the attack on two Greenleaf hurlers who could not stop the slaughter.

College high traveled to Boise April 14 where they trounced north junior high 6-3. Clarence Olsen opened on the mound for the Trojans and held the Boise club scoreless in the four innings he toiled. Southpaw Duane Olsen pitched one inning, giving up two runs and Curt Beukelman gave up on run in the inning that he worked.

Leading the stickers were Clarence Olsen with a single and a double and Glen Knapp with two bingles in three official trips to the plate.

Senior Interviews

Full name—Mary Janice Murphy. Home town—Lubbock, Texas. Age—17. Weight—125. Height—5 feet 3 inches. Color eyes—green. Color hair—auburn (right now). Favorite subject—music deprivation. Favorite sport—reducing exercises. Future occupation—nurse. Favorite boy—"you name him!" selling them for mattresses. Pet peeve—typewriters. Hobby—blowing up waffles and Ambition—to have a husband, a family and a pressure cooker.

Full name—Marilyn Irene Miller. Home town—Baker, Oregon. Age—16. Weight—130. Height—5 feet 7 inches. Eyes—blue. Hair—blond, sometimes red. Favorite subject—music. Favorite sport—football. Future occupation—nurse. Favorite boy—"No favorites." Pet peeve—men (not boys?) Hobby—bubble gum. Ambition—to be manager of the beanery.

Full name—Donna Jean Maxwell. Home town—Nampa. Age—16. Weight—123. Height—5 feet 4½ inches. Eyes—hazel. Hair—brown. Favorite subject—music. Favorite sport—football. Future occupation—secretary. Favorite boy—likes 'em all. Pet peeve—boys! Hobby—trio practice. Ambition—to be manager of the Brooklyn Dodgers.

Student Elections

The coming CHS student-body elections seized the limelight as the center of discussion in the regular bi-monthly student council meeting on Monday, April 10.

Competition promises to be keen this year and student officers are anxious to have everything well-planned before the campaign begins. May 10 was set as the tentative opening date for political activity and an all-school assembly was suggested for the purpose of introducing all candidates.

The CHS constitution provides for nomination by petition. Petitions must be in before any campaign signs, etc., may be posted.

The CHS grapevine is waving agitatedly these days and strange murmurings are heard from its branches. Such fragments as "The Man from Montana," "The Whiz from Washington," "The Little Man with Big Intentions," and "We're for a Woman" promise that the CHS elections will be interesting as well as exciting.

NICE GOING, STUDENTS!

Three cheers for the students of College high who use the library! When Mrs. Elmer Bittleston, head librarian, was interviewed by a reporter concerning the conduct of our students she made this statement:

"The conduct of the high school students has improved greatly since the first of the year. We hardly know they're in here, now!"

College high students appreciate the opportunity they are given to work in the college library and student leaders have made a determined effort to insure cooperation between students and librarians.

Corridor Catchings

As the Phantom Stroller walked the walls of good old CHS he detected the following activities in the various classrooms:

Horror-stricken countenances at the miserliness of Shylock gave way to gusts of laughter over Robert Benchley's "The Tooth, the Whole Tooth and Nothing but the Tooth," as students from Nampa senior high gave cuttings from various authors in the CHS English III on Thursday, April 12. The visit of the Nampa students was arranged by Mrs. Farmer, cadet teacher.

Boys making their own shirts? Yes, 'tis true. This and other interesting activities may be seen in the home ec classes of College high. Mrs. Fred states that the boys are very capable. Most of the girls are feeling the pride of accomplishment in the making of their new suits for Easter. Carol Cook, a cadet teacher, is now working with the class.

Mr. Laughlin's crafts class promises some new exhibits of work in the near future.

Girls Visit Boise FHA

Delegate Bernadine Thompson and Representative Lura Solts represented the local FHA club at the state convention which was held at Boise on April 8 and 9. Bernadine gave a report on the activities of the CHS group.

Miss June Nakada, NNC student from Tokyo, Japan, was the featured speaker at the Saturday afternoon program which was arranged by College high.

College high also had charge of the exhibit which was on display both days. Each school represented sent scrapbooks and pictures of the work of its own FHA club.

In addition to the regular delegate and representative, College high was represented at the convention by Mrs. Fred, advisor, and Mrs. Thompson, the chapter mother. Gladys Fred attended the meeting on Saturday.

Seniors Win S. S. Contest

With a closing score of 461.9 points, Jack Knighton's seniors won top honors in the Sunday school contest which closed on Easter Sunday. The seniors also brought in a total of \$50.01 as their Easter missionary offering.

Close behind the seniors came Jack Hawthorne's freshmen with a total of 419.5 points and a missionary offering of \$46.00.

The juniors placed third in the Sunday school contest and the sophomores came in last. According to the terms of the contest and the sophomores came in last. According to the terms of the contest the seniors will be feted at a party for which the freshmen will furnish the food; juniors, the entertainment, and sophomores, the clean-up crew.

The high school department has shown much pep and vitality this year and their missionary offering of \$150.59 has won commendation from all. Jack Hawthorne, graduating college senior, is superintendent of the department.

Tip-Off Pix Shown By Camera Club

About 50 students viewed the colored film of the tip-off cornation which was shown Tuesday afternoon by Eugene Eitzen at the Camera club meeting.

Following the film the group retired to the photographic darkroom where demonstrations of actual enlarging, printing and developing were given. In the photo laboratory the students chose which photographic process they wished to learn and watched the respective demonstrations. This series of demonstrations is given to help the many new members to learn darkroom technique.

Other recent activities of the camera club included a St. Patrick's party given in Chapman recreation hall with Juanita Weston as program chairman and a showing of colored slides depicting local scenery.

A photographic outing and picnic is planned for the near future, and also a portrait demonstration in the Oasis studio.

Japanese Pictures Shown in Exhibit

A special art exhibit under the auspices of the Art club, consisting of water colors and line drawings, all by Japanese artists of Japan, was loaned to the NNC Art club by the Art Institute of Pittsburg.

All pictures were on sale, and the proceeds went to the artists in Japan. Pictures were displayed in the seminar room of the library. Exhibit lasted a week.

Bolerjack-Bevington Featured in Recital

The school of music of Northwest Nazarene college presented Irene Honstead Bevington and Patricia Bolerjack, pianists, in recital Tuesday evening, April 19, in the college chapel. Both pianists are students of Aline Swann.

Mrs. Bevington holds an A. B. degree from the University of Oregon. She has also done work at the College of Idaho. She is a former student of F. F. Beale and John Stark Evans in both piano and organ. Mrs. Bevington is known throughout the Boise valley for her fine performances both as an accompanist and soloist.

Mrs. Bolerjack, a junior in the

school of music, working towards a B. Mus. with a major in piano, recently won the state and regional National Federation of Music clubs contests at Idaho Falls and Salt Lake City. Mrs. Bolerjack placed first in both of the events. She was a former student of Mrs. Swann's in Oklahoma, and has attended Bethany-Peniel college and studied piano at Oklahōma City university before coming to NNC.

Both pianists have been featured on the radio broadcasts over KDSH "Idaho Colleges on the Air." The program for the evening featured compositions by Beethoven, Bach, Liszt, Griffes, Gershwin, Ibert and De Falla.

Emerson Attends Chem Convention

As a member of the American Chemical society, Prof. J. Calvin Emerson of the NNC faculty accompanied by Mrs. Emerson, motored to San Francisco recently to attend the 115th semi-annual meeting of the chemists' organization.

The convention, which lasted five days from March 26 through April 1, was attended by 3400 members and many visitors.

The American Chemical society is a national organization with 19 divisions in the chemistry field. Of special interest to Prof. Emerson was the division of chemical education, whose membership is composed of chemists in the teaching profession, rather than industrial or research chemistry.

One of the highlights of the convention, reports Prof. Emerson, was the general session on Monday evening, March 28. The special speaker for the meeting was Arne Tiselius, University of Uppsala, Uppsala, Sweden, Nobel prize winner in chemistry for the year 1948. Mr. Tiselius chose as his topic, "Some Trends of Development in Present Day Bio-Chemistry."

During their visit to the Cali-

fornia city, Prof. and Mrs. Emerson also visited sites of interest along the coast. Their trip to the San Francisco zoo was of particular enjoyment, according to Prof. Emerson, along with the great parks and bridges located in the coastal city. They returned to Nampa April 2.

Tub Thumping

By LILBURN WESCHE

NNC's track team turned the facial pigments of some so-called sports experts several shades darker last week when they battered the dope bucket by overwhelming the College of Idaho and Boise Junior college thin-clads in a pair of meets.

Outstanding phase of the triumph, however, was not the victory itself but the ease and strength which the Crusaders displayed in plowing under their highly touted opposition.

In rolling up more than twice as many points as their closest rival the orange and black established themselves not only as tops in the Boise valley but as one of the best college squads in Idaho and they will have a chance to put themselves among the best in the northwest when they go to the St. Martin's relays in Washington next month.

Strength of numbers had much to do with their only season victories but several lads displayed form and finesse which will bear watching. They include three lettermen, hurdler Doug Powers, pole vaulter Don Farrand and miler Paul Sutherland, and a trio of newcomers, Lloyd Hubbard, Ray Kennada and Jack Jamison.

Hubbard looked unbeatable in easily outdistancing the opposition in the 440 and Jamison rolled to a seemingly effortless triumph in the half-mile.

Kennada, a muscular bone-crusher, with little previous track experience, looked exceptionally good in the javelin and shut put and with some practice under his expansive belt could set a record around here in those events before the season ends.

Bobby: "Mother, I wish you'd do my arithmetic."

Mother: "No, son it wouldn't be right."

Bobby: "Well, maybe it wouldn't but you could try."

SPORTS

NNC Cindermen Annex Triangular Meet At Caldwell; Coyotes Win 10-8

With an eye for future victories the Crusaders from NNC coasted to victory at a triangular track meet held at Hayman field in Caldwell recently.

Entrants were from the College of Idaho, Boise Junior college and NNC. The orange and black massed 91 points while College of Idaho and BJC had to be content with 49 and 17, respectively.

A total of 12 first places were awarded the Crusaders while the Coyotes garnered two firsts. The Broncos' lone five-pointer was accounted for by Ed Troxel in the 220-yard dash.

The results:

Mile run: Sutherland, NNC; Jamison, NNC; Briggs, C of I and Palmquist, NNC. 5:47.75.

440-yard dash: Hubbard, NNC; Dille, C of I; Bellamy, NNC; Sullivan, NNC. :53.9.

100-yard dash: Powers, NNC; Troxel, BJC; Winbigler, C of I; Moss, C of I. :10.38.

120-yard high hurdles: Farrand, NNC; Kennedy, C of I; Sullivan, NNC; Fisher, C of I. Time: 17.5.

880-yard run: Hubbard, NNC; Dille, C of I; Bellamy, NNC; Beals, NNC. 2:15.4.

220-yard dash: Troxel, BJC; Moss, C of I; Sommerville, NNC; Winbigler, C of I. :23.1.

Two-mile run: Briggs, C of I; Ackerman, NNC. Time: 11:53.65.

220-yard low hurdles: Powers, NNC; Kennedy, C of I; Christensen, C of I; Rossow, BJC. :26.8.

High jump: Tied for first, Sullivan, NNC, Hills, NNC, and Fisher, C of I; Wright, NNC and Kennedy, C of I, tied for fourth. Five feet, seven inches.

Pole vault: Farrand, NNC; Pecora, BJC; Owens, C of I. 10 feet 6 inches.

Shot put: Kennedy, NNC; Dean,

Initial Softball Tilt Yields Few Hits

With a pitcher's duel dominating play in the initial spring softball game, the SLA's shaded the Oly's 1-0. The defendant champs could not cope with the spin ball employed by Jack Jamison, Oly hurler, as they could clam only three hits for the five innings while the Oly's could muster only two safeties off the offerings of the SLA's Wayne Likens.

In the girls' game the Oly's won on a forfeit from the SLA's.

Volleyball Standings Reveal SLA's Victors

Final standings of volleyball games show the first place positions occupied by the SLA's. The girls' four win and two loss record places them on top of their race while the boys' unblemished six and zero total put them far ahead in their bracket. Other three places went to the Olys, LSP's and ADP's in that order in both divisions.

NNC; D. Wright, NNC; Larsen, C of I. 38 feet 1 1/2 inches.

Javelin: Larsen, C of I; Kennedy, NNC; Hendrix, NNC; Cooper, BJC. 139 feet 8 1/2 inches.

Discus: Farrand, NNC; Christenson, C of I; Jonas, C of I; Jayne, BJC. 114 feet 7 inches.

Broad jump: Powers, NNC; Troxel, BJC; Reynolds, NNC; Brown, C of I. 20 feet 4 1/4 inches.

One mile relay: NNC—Hubbard, Thomas, Bellamy and Sullivan; C of I—Brown, Dille, Moss and Boyenger. 3:43.1.

For NNC six first place positions were chalked up by Doug Powers and Don Farrand with stellar performances in three track and an equal number of field events.

Powers took firsts in the 100-yard dash, the 220-yard low hurdles; and the broad jump while Farrand followed suit in the 120 high hurdles, pole vault and the discus throw.

Also in three winning events was Lloyd Hubbard with a first place in the 440-yard dash and the half-mile run in addition to being a member of the winning mile relay crew.

Looking Around

By ROMA MITCHELL

Looking around the campus we can't help noticing the bright colored spring dresses of all the girls. Even some sunburns are beginning to show. Yes, ma'am, summer is almost here and the end of school is not far away.

But in the meantime, we have a few sports left to play. Unfortunately, the SLA girls had to forfeit their softball game to the Oly's for lack of players. I guess the choir trip kinda knocked them for a loop. But I've seen the LSP's out practicing several times this week. Evidently they intend to give whomever they meet a rough time this spring.

I noticed in the hall of the Ad building a notice for all girls who wanted to play golf to sign up for it. Some of us know when not to sign things. It looks like the LSP's Mary Wesche will take honors again this time. Wish I could play golf.

And after all that, in the spring we have track. Our big day will be the track meet just before commencement. They tell me that you have to get in shape. I guess that means practice, but if that means practice it lets me out because I prefer to practice other, more interesting side lines.

The College of Idaho Coyotes squeezed by NNC 10-8 to post their third consecutive victory over the Nampa nine.

The game turned out much closer than fans had expected, for the Coyotes were rated an easy choice to top the visiting Nampans. But the story didn't go by the book. Victory came only after Pitcher Bill Cudd came into the game in the ninth and struck out the final batter with two men on bases.

The hosts jumped off to a 4-0 lead in the first frame then tallied three more in the fourth to seemingly ice the contest. But the stubborn Crusaders came back, taking advantage of relief hurler Dick McIntyre's wildness while banging out five hits in three innings.

Behind 10-3 going into the ninth frame the Nampans turned what had been a tight baseball game into a wild finish. Then Cudd pulled the curtain on the Crusader rally by ousting the final NNC batter.

Teacher: "Jimmy, what are favorite flowers?"

Jimmy: "Chrysanthemums."

Teacher: "Spell chrysanthemums."

Jimmy: "I guess I like roses better."
