

"Dr. Jekyll and Mr. Hyde" To Be Dramatized On November 21-22 by Members of LSP, SLA Societies

"Dr. Jekyll and Mr. Hyde," a three-act play by Richard Abbott, will be dramatized by members of the LSP and SLA societies Nov. 21 and 22 at 8:00 p. m. in the college auditorium. Co-directors of the play, based on the novel by Robert Louis Stevenson, are Mary Wing and Lyle Starkey, society program chairmen.

Dr. Henry Jekyll, portrayed by George Ferguson, a junior from Nashville, Tenn., is a prominent and respected physician living in London. He perfects a potion which, when taken internally, transforms him from the lovable, gentle Dr. Jekyll into the hideous, misshapen, maniacal Edward Hyde. Roy Puckett, a soph from Parma, Idaho, plays the part of Mr. Hyde.

Involved in the plot are Lyle Starkey, as Dr. Lanyon and Mr. Utterson, a lawyer (Lorris Benedict), who begin to think of Dr. Jekyll as an eccentric and entertain considerable concern regarding his health and mental state.

Sir Danvers Carew, the father of Dr. Jekyll's youthful fiancée, Diana, casts Raymond Cooke. Elsa Slack will portray Diana Carew.

Members of Dr. Jekyll's household include Pauline, his housekeeper (JoAn Boswell), Bridget, the cook (Jenne Lee Ray) and Connie, a maid-servant (Carol Newgard).

Others cast are Wendell Poole as Richard Enfield, Utterson's cousin and Phil Peterson as Inspector Newcomen, of Scotland Yard.

The case of Dr. Jekyll and Mr. Hyde," LSP-SLA play, is composed of, front, left to right: Clarice Harmon, Carol Newgard, Mary Wing (LSP program chairman), Elsa Lou Slack and Joan Boswell. Middle: Lorris Benedict, Lyle Starkey (SLA program chairman), Ray Cook and Phil Peterson. Back: Roy Puckett, George Ferguson and Wendell Poole. Not pictured is Duane Olson.

Applications Open To Seniors, Grads

The Danforth Foundation of St. Louis, Mo. invites applications for the second series (1953) of Graduate Fellowships for college seniors and recent graduates who are preparing themselves for a career of college teaching, and are planning to enter graduate school in September 1953, for their first year of graduate study. The Foundation welcomes applicants from the fields of Natural Sciences, Social Sciences, Humanities and other fields of specialization to be found in the undergraduate college.

Dr. John E. Riley has named Dr. Thelma B. Culver as the Liaison Officer to work with the Danforth Foundation on the selection of candidates. These appointments are primarily "a relationship of encouragement," carrying a promise of financial aid within prescribed conditions as there may be need. Students with or without financial need are invited to apply. All Danforth Fellows will participate in the annual Danforth Foundation Conference on Teaching, to be held at Camp Miniwanca in Michigan next September. The qualifications of the candidate as listed in the announcement from the Foundation are:

Evidence of superior intellectual ability in college record.

Good record of health and emotional stability.

Outgoing personality and the concern for people, essential for successful teaching.

Choice of vocation of teaching as form of Christian Service.

Deep religious convictions and growing religious perspectives. (The Foundation is looking for candidates who are seriously examining their own religious life, and are seeking a maturing faith and a social outreach.)

Each institution is asked to limit its nominations to two, or at the most three. Any student wishing further information should get in touch with Dr. Culver.

Debt Reduction Campaign Tops \$42,000.00 Mark

Pledges in the mortgage annihilation campaign have reached the \$42,000 mark. Of this amount \$10,500 has been received in cash and paid against the mortgage.

Nearly one-half of the amount needed to wipe out the mortgage has been financed by about one-third of the zone membership. The overall per capita giving from the 72 churches which have been contacted amounts to \$6.47.

Lorrie Mack, Gary Finkbeiner Take Leading Roles In ADP, OLY Production, "The Little Minister"

The ADP and Oly societies have chosen Roland Fernand's dramatization of James Barrie's "The Little Minister," for their first semester dramatic presentation, according to Eloise Tate and Lois Tracy, Oly and ADP program chairmen, respectively.

Gary Finkbeiner and Lorrie Mack will handle the leading roles in the three-act drama, which will be presented Nov. 27 and 28 in the College Chapel.

An old fashioned parlor in the minister's home in Thrums, a little village in Scotland, is the setting in which Gavin Dishart, the little minister, meets and overcomes the problems of his first pastorate. He also falls in love with Babble (Lorrie Mack), a young gypsy girl.

Adding flavor and variety to the production are Barbara Mumau as Jean McFadden, a willing, anxious to please, but awkward servant girl in the minister's home; good-hearted, but gossipy Mora McLaren with a hearty voice and infectious laugh (Dell Morgan); Lord Rintoul, the wealthy landowner who commands and receives respect (Sam Scammon) and the wayward chap, Rob Dow, portrayed by Leon Doane.

Other cast members are Gladys Fred as Margaret Dishart, the mother of "the Little Minister"; Ron Kirkpatrick as the village physician, Dr. McQueen; Duane Olson as Sergeant Halliwell; Row Dob's daughter Effie, taken by Janis Atkinson, and Audrey Shute as Nancy Webster, an old lady on her way to the poorhouse.

Members of Pasadena College Graduate Department recently challenged NNC in a contest to promote a book drive for the new Nazarene Bible College in Australia where Dr. R. S. Taylor has been appointed president.

As reported by the PC graduates, the plans of the contest are as follows: "The estimated distance from the Los Angeles port of exportation to the Australian port of importation is 7,530 miles. These will be represented in steps, PC taking the right foot and NNC taking the left." This makes a goal of 3,750 books for the NNC students to gather from dorms, home and friends. The books are acceptable no matter what the condition or type.

Mary Mattson, AWS vice president, and Harry Detwiler, Men's club vice president, along with Mary Wing and Ed Manley, student council representatives form the committee in charge of the NNC drive. They have announced that collection boxes will be placed in the administration building, library and each dormitory.

Members of the committee say, "Let's take up the challenge and don our seven-league boots so that we can keep ahead of PC."

Joe Wright, class of '51, is president of the PC graduate department. Burt Mack, also a former NNC student, is publicity chairman of the group.

Goldman's special arrangement of "When You and I Were Young, Maggie" will be given by Dale Swinney, baritone horn soloist. Accompanying him will be T. C. Leckie. A quartet composed of Norman Steuckle, Howard Smith, Phil Peterson and Jim Gilson will sing two negro spirituals, "Shine On Me" and "Climbing Up the Mountain."

Another vocal soloist featured on the program will be Marvin Bloomquist, who will sing "Invocezione de Orfeo" by Peri and "The Lord Is My Light" by Allitson, accompanied by Double E. Hill. A string quartet, under the direction of Mrs. Alice Kauffman, will play the "Minuet" from String Quartet in C Major, op. 76, No. 3, by Haydn.

Climaxing the evening of music will be the appearance of the Crusader Choir, under the direction of Alline Swann in two numbers—"The Seraphic Song" by Rubenstein and the "Hallelujah Chorus" from Mount of Olives by Beethoven. Mrs. Kauffman and Velta Jones will pro-

Storm Threatens Taylor Voyage

Near hurricane winds buffeted the ship, Aorgangi, on which Dr. and Mrs. Richard B. Taylor sailed for Australia, October 23. The ship, which should take 24 days from Vancouver, B. C., is in dangerous waters according to radio reports.

Later word of the Taylors' safety has not yet been learned. Their destination is Brisbane to open a Bible College under the Church of the Nazarene. Dr. Taylor spoke in College Church just before leaving the states.

BICKERINGS OF A BALLOT BOX

Elsewhere in this issue of the CRUSADER you will find a tally of the three elections held by the Associated Student Body since the school year opened. We hope you will not only read these figures but we also hope they will shock you to such an extent you will do something to correct such a lack of interest in student body affairs.

During the past few months we have heard more than we ever have before about the importance of exercising our right to vote. All of this should be applied to the level of college activities, as well as on a national, state and local scale.

As you read the statistics of the past three elections and the final figures, you will notice that over 50% of the student body have not cast even ONE vote in the three elections. The highest voting was during the first election when 28% of the students voted. Only 47 (8%) persons in the entire student body voted in all three elections.

In the past the most prevalent excuse given was that you couldn't vote unless you had your ASB card, which so many did not carry. Other excuses given were that no announcement was made of the election and the polls were not in a prominent place.

This year the Student Council voted to compose a list of all eligible voters and as you vote each time your name is checked, thereby

eliminating the necessity of showing the ASB card. The polls have been placed in a position where you practically stumble over the ballot box and notices are posted of each election.

During the last election, I personally sat at the polls three out of the possible six hours of voting time and by practically tripping students and pushing a ballot under their pencil, we were able to get 135 students to approve or disapprove the appropriation of over \$4,000.

Don't say you didn't have time to vote because as high as 20 students at one time stopped to read the "Sloppy Joe" sign posted in the hall; you gathered for the usual hall cluttering before and after chapel—and don't say you don't care where the money goes. Many of you beef about paying the \$8.00 ASB fees and you beef more because your pet organization doesn't get as much as you would like—but when it comes to exercising your right to vote, it is pretty dead around the polls.

As an admonition to you class presidents and organization leaders, let's see what we can do to raise the quota of those interested in student government. Every class shows less than 50% voting with the freshman class and College Hi students making an even poorer showing. Remember this, if you don't vote, you shouldn't gripe!

Students Invited To Enter Contest

A chance to win \$500.00 in prizes is offered to undergraduate students throughout the country by the Association of Petroleum Refiners, Washington, D. C. Contestants are invited to submit papers on the subject, "The Advantages of Re-Refined Oil," Verne T. Worthington, president of the Association, announced last week.

Purpose of the contest, according to Worthington, is to further research on the re-cycling of a vital natural resource in the interests of oil conservation. He explained that bibliography on the subject is somewhat limited and another of the purposes of the contest is to stimulate original research on the subject of the recycling of once-used lubricating oil.

Students desiring to enter the contest may secure a list of companies engaging in re-refining of oil and a summary of available data by writing to The Association of Petroleum Re-Refiners, 1917 Eye Street, N. W., Washington 6, D. C. Manuscripts must be no shorter than 1000 words and no longer than 2000 words in length and be submitted to the Association's Contest Committee postmarked no later than December 31, 1952.

First prize will be \$250, second

To the College Grad "It Isn't All Dark"

The probing fingers of survey conductors have unearthed a handful of hope for the college student who looks toward graduation as "the end of the world." Apparently all is not dark on the outside. In fact, only one per cent of the national collegiate class of 1951 is currently unemployed, according to a survey taken by the National Scientific Register.

The Register, a federal agency, found that 63 per cent of the male graduates are employed, 18 per cent are in military service, and 17 per cent are in graduate or professional school.

Almost all those employed are doing work which requires college training. The remainder are engaged in such obviously non-professional jobs as "laborer," "taxi driver," or "tourist guide."—A.C.P.

AWS Crown Hobo Queen At Annual Pajama Party

With knapsacks in hand and decked in pajamas of all descriptions, the Associated Women Students met last Friday night in Morrison Hall dining room for their annual pajama party.

The theme for the party was "hobo" night. The girls divided into three hobo groups: the Mulligan Mob, led by Jennie Lee Ray; Pat Wilkes headed the Gravel Gerties and the "scratching" Daughters of Dogpatch, guided by Earlene Tapley. Each group selected a candidate to compete for the "Queen of the Hobos." The campaign was conducted by each group with skits, campaign speeches, convention songs and cheers for each of their royal candidates.

Climaxing the evening was the decision of the judges that Carol Brittain (Little Red Riding Hood) was chosen "Queen of the Hobos." Runners-up were Cass Mosteller and Eunice Broadbent. The queen was selected on the basis of beauty, personality, pajamas and the campaign planned by the sponsoring group.

Other prizes went to Marilyn Lutz for the most unique pajamas; Margaret Hyslop for the prettiest and Rose Voget for the brightest pajamas.

Evelyn Gray acted as master of ceremonies. Judges were Mrs. John E. Riley, Mrs. Eugene Stowe, Mrs. R. E. Manley and Mrs. Earle Mack.

Men's Club Witness Boxing, Wrestling At Annual Stag Night

While the AWS were having their annual pajama party, members of the Men's Club were enjoying a night of freedom in the College gym.

Boxing matches brought Don Morgan and Howard Smith, Paul Bynum and Roy Croskey to draws in fistic battles.

Stan McIntire was defeated by Dale Krause in a wrestling match after which Don Fowler met Leon Doane in "grunt and groan" battle.

Roy Puckett took the prize for the best beard and Russ Miller won the size 12 socks for the flashiest sweater.

Musical entertainment was provided by the Peterson, Smith, Gilson and Stueckle quartet. Frank Barnett also played his electric guitar.

The fellows taking part in the recent work day cleared \$75 to-

Arguments On The Present College Deferment System

Since most of the males returning to this campus have not yet served in the armed forces because of the college deferment system, they are looked upon as shirkers by the mud-caked GI's fighting on the Korean hills. Veterans say they do not blame any man individually for doing everything in his power to keep out of the service, but they do blame a system which enables a certain section of young America to escape a draft call.

Their arguments are understandable, but understandable arguments can be offered in defense of the college deferment system, also. In a great many ways it is vitally important that the college student has a chance to finish school before his induction. It makes him much more valuable to his branch of the service. The world is becoming progressively more complicated, and it takes trained minds to handle the new problems.

Another point is the fact that every man does not automatically receive a deferment just by registering at a university. To be deferred, a man must have either a scholastic average high enough to impress his draft board or receive a passing grade on the College Deferment Examination.

In all, no college student should stay awake nights because he is lying in a dorm bed and not a fox-hole. Arrangements have been made to ease your guilty conscience after graduation.—Associated Collegiate Press.

Engagements

Mr. and Mrs. A. E. Knight of Spokane, Wash., announce the engagement of their daughter, Faye, to Mr. Dick Schudel of Spokane. Faye is a member of the freshman class. No wedding date has been set.

Rev. and Mrs. R. E. Lawrence announce the engagement of their daughter Dorothy, to Mr. Joe Danielson of Seattle. Dorothy is a former student of NNC and the sister of Mrs. George Briggs.

Mr. and Mrs. T. F. Stiverson of Nampa announce the marriage of their daughter Ina Fae Stiverson to Rodney F. Smith, Nov. 30 in College church. Both are former NNC students.

ward the purchase of fire fighting equipment for Chapman Hall.

Former Students Drop Us A Line

News from former students is received almost daily by the CRUSADER office, all of which denotes a keen interest in NNC activities.

Shirley Lindeman from a way back in New York says she is glad copies of the CRUSADER are made available to ex-students. Ruth Allen is attending San Diego State, preparing to be an airline hostess. She enjoys our 4-page paper more than the 12-page State paper. Donna Jean Maxwell, now a P. C. student, writes that it is 88° there and that it seems funny to wage war against the "better college" in the Australian book drive.

News from down south (Arizona) came from Jane Roberts who hopes to be in the student body second semester. Marion George of Williston, N. D. asked for a subscription and also Darlene Otta of Hadlock, Wash. expressed interest in NNC activities.

Navyman Glen Wardlaw, now stationed on Guam, wrote this week telling how much he enjoys the CRUSADER and of his plans to return to NNC in 1954. Glen would like to hear from his former classmates. His address is: F. G. Wardlaw, PN 3, VR-8 Guam Detachment, Navy No. 943, Box 18, c/o Fleet Post Office, San Francisco, Calif.

We wish to express our appreciation to these and the many others who have taken time to send us a note of thanks.

Accordionist Gives Musical Production

Mr. Don Comfort, accordionist, presented a musical attraction during chapel today.

According to the National Assemblies of Los Angeles, Mr. Comfort has been acclaimed by many of America's greatest accordionists. His presentation has been attested to by Horace Heidt's radio program.

Mr. Comfort began his public playing at the age of eight and has appeared before audiences throughout the Western United States. During the war years he traveled the circuit of army camps, entertaining the men of the armed forces.

He plays a specially built accordion with seventeen tone controls which make it possible for him to produce a total of sixty-six different sound qualities or tone combinations.

Olys Defeat ADPs, Retain Football Crown

Hold Championship Position for Fourth Consecutive Year

The final standings of the NNC intramural football league have changed very little in the past three years and the fourth year is no exception as the powerful Olympians have again prevailed as champions by narrowly edging out the determined ADPs 12-7. But this year for the first time in that long period, a loss has been recorded in the books with the LSPs the spoilers in a close 7-6, season-opening decision. It gave the winners a record of five wins against one loss while the ADPs suffered their second defeat—both at the hands of the champs.

Early in the game after a punt by Skip Wilcox, Loren Sanders fumbled and Bob Dennis was right on top of him to recover and the Olys threatened. A stiff defense was set up and they had to settle for the opening minutes of the second quarter before scoring the first touchdown on an eight-yard thrust over center by Quarterback Myron Finkbeiner.

A spectacular completion by Finkbeiner set up the ball for a 12-0 half-time lead when he "stole" a fifty-yard pass from Wilcox out of the hands of the defender, Sanders nailed him on the four, but the next play sent Dennis over center to take a short pass from Wilcox and six more points. As happened after the first score when a pass to Dennis was long, another pass to Finkbeiner was out-of-reach in the attempt for the conversion.

Several ADP scoring threats were in the air during the second half but one of them landed in the arms of Oly Howard Arnold, who played a spectacular game on pass defense all afternoon. Another materialized on the last plays of the third stanza and a touchdown pass from Sanders to Don Morgan opened the fourth. Paul Wright picked a pass off his shoe tops for the extra point.

The final quarter was nothing but a long series of intercepted passes with the last one, by Oly Bob Willard, coming with 1½ minutes remaining. That time was successfully stalled.

Varsity Basketball "Thirteen" Begins Preparation for November 28th Game

Thirteen men wandered into the College gym the day before Halloween to begin preparation for the month-long training period prior to the playing of the first game of the swiftly approaching basketball season. Among them were two regulars and a "sixth" starter from the club built by Coach Monty Lee last year which won 14 games, dropping 16. Led by Captain-elect Myron Finkbeiner, a junior guard and team sparkplug, the Crusaders will play their first game Nov. 28 at Mountain Home against the airmen of the AFB and will return to Nampa for the initial home series against the Eastern Oregon College on Dec. 1 and 2.

The other starter back for service is Roger Wilcox, also a junior, who plays the center position. The "sixth" man, Loren Sanders, is a senior with two years' varsity experience.

Four freshmen and one sophomore, who have been practicing for some time with the Junior Varsity are several potential starters who

have been moved up. Among them Mickey Dean, two-time all-stater with Nampa High, leading the way. Darrell Reisch is the only man from the College High team, which lost only three games last year, who has moved to the varsity. To complete the five newcomers are Bob Cantonwine, freshman from Walla Walla. Cantonwine played some with the Washington state champions and starred in the city league; Paul Bynum from Bremerton's Olympic Junior College; and Len Back, a transfer from Bethany-Peniell college.

Merv Gale, Paul Anderson, Harold Stickney and Wayne Aller played Junior Varsity ball and all but Aller have had a little experience with the A squad. To round out the big thirteen is Herb Geller, who sparked the LSPs to an undefeated intramural championship last semester.

Dick Johnson has been chosen by Coach Monty Lee as varsity manager.

CHIPS ... from the BENCH

By Ron Kirkpatrick

Of the Olympians' four year reign as kings of NNC football, two of those years could have gone to the ADPs with one more stroke of luck. Strange as it may seem, this year is an exact duplicate of the way in which the Olys won the title two years ago. The ADPs and Olys were tied at four wins and a single loss (the Olys lost on forfeit despite a 35-7 licking handed the LSPs) going into the final championship game in which two passes from Millard Reynolds handed the champs a 12-7 verdict, the same score by which they won the title last week.

Last season, the Olys again needed only 12 points to win in the final game, but held the SLAs scoreless.

The moral of this story: To beat the Olys in football, you have to score more than 12 points.

Picking an Intramural all-star team would be a very difficult task but this is my choice for a society dream team: Wilcox at full with Finkbeiner calling signals, aided by the two Mickeys, Dean and Sanders; a line composed of Bob Dennis and Julian Hagood at ends, George Mowry and Harry Detwiler

at tackle, and none other than Don Morgan at center.

Picking a back of the year and a lineman of the year might be equally as controversial but I could vote for no one but Wilcox and Morgan.

Many others should get honorable mention including Howard Arnold on pass defense, Winton Miller as blocking back, Dean Maurer at half, and Jim Frazier at end.

Roy Puckett ought to be thankful that the College High Trojans managed to win that one game against the St. Teresa Academy, especially if the players had held to their threat that they would not shave until they won a game. It would be embarrassing to see that sweater awarded to a high school kid for growing the best beard.

CHS ended the season with a record of one win against seven losses but in only one of those seven was there absolutely no doubt as to the eventual outcome at the half, that being the season ending game with Greenleaf.

It is man that makes truth great, and not truth that makes man great.—Confucius.

Kiely's Killers And Wright's Battlers To Meet in Turkey Bowl

Because of the formality or the tradition or such, they will probably insist on playing the game way, but the Battlers of Coach Paul Wright will emerge victorious over Kiely's Killers in the annual Turkey Bowl brawl, the one-fowl game of the year.

So you wonder how I know so positively? I got the information from some impeachable authority who told me he got the news from some unreliable source who insisted he found it in the feed box where it had apparently dropped from the horse's mouth.

The annual blood test to prove the physical fitness of NNC's muscle men for next year's Turkey Bowl game will be conducted Nov. 27, Thanksgiving day, at a location yet to be designated. Through the patriotic service of LaMont Lee, his touring bloodmobile will be in Nampa for this annual bruising battle of blood, and a new collection record is expected to be set as Kiely's Killers and Lee tangle with the powerful TCU spread of coaches Wright and Arlan Anderson.

Last year, Coach Leamon's victorious Villainous Vampires very vividly vulcanized the vanquished Vile Vultures by a score of 12-0 and another 12-point victory margin has been predicted by the confident coach. But because of the loss of his star, Joe Dikes, who stumbled to a beautiful 60-yard touchdown romp in last year's en-

counter, he will be seriously handicapped, even though he still has the services of his "Old Pro", Monty Lee, who announced his retirement two years ago. After his sparkling performance against the Vile Vultures, Dikes was nominated for the Heisman Trophy award which was finally taken by some unknown from the East coast.

ADPs Cap Honors In Tennis Tournaments

Out of the eight places gained in boys and girls tennis competition, three have been taken by ADPs, two by Olympian stars, two SLAs and one LSP. Winning first place in boys singles was Loren Sanders of the ADPs. The lone LSP placing was Ardis Manley taking the top rung over Betty Brown of the ADP society. Myron Finkbeiner and Roger Wilcox of the Olys and ADP Mervyn Gale took second, third and fourth, while the two SLA winners, Betty Miralles and Bertie Graham were third and fourth.

KROK

Richard Granier, former KROK business manager, has been advanced to the position of assistant manager, according to Paul Wright, station manager. The vacancy was created due to the resignation of Ron Kirkpatrick.

Ron Beech has been named business manager. His assistant has not been chosen.

New on the program agenda is a request program for sacred selections from 8:30 to 9:30 each evening. At the present time the Alpha Phi Lambda is in charge of a devotional program on Monday and Friday at 7:30 a. m.

Les Martin is in charge of the Foreign Missions Band program and the Christian Workers Band program is planned by Duane Poplin.

"N" CLUB MEETS

Officers for the year were elected at a recent meeting of the N club, the campus lettermen's organization. Taking the office of president was Bob Dennis, aided by Keith Leamon as vice president, Rod Newman as treasurer and Dick Ivester as secretary.

To handle the annual initiation of the new members will be Myron Finkbeiner, assisted by Roger Marks and Clarence Olson. Instead of the customary dress routine, it was decided to "allow" the newcomers to work for a day in order to build up the treasury of the club.

The funds earned in this work day will be used for a group project. Roger Wilcox was chosen head of a committee to select the project and Bob Burkhart to supervise the work day.

A motion to make LaMont Lee, Jim "Pop" Frazier, and Elmore Vail co-sponsors of the organization for the year was unanimously accepted.

HOME EC. DEPARTMENT

Mrs. Aller participated in the workshop panel in the Idaho Home Economics Association meeting in Boise last week end. Mrs. Aller is head of Colleges and Universities Department of the IHEA.

The American Dietetics Convention was combined with the Home Economics meeting this year. Others attending from NNC were Mrs. Alene Moulton, Virginia Phillips and Miss Wanda Rhodes.

Discussion of problems common to Home Economics Clubs and meeting girls with similar interests was the main purpose of the workshop.

Wake yourself up with poetry, establish your character in self-discipline and complete your education in music.—Confucius.

C. W. B.

Services are planned in the future for Newbridge and Milton, Oregon and Sandpoint, Idaho.

HOME ECONOMICS CLUB

Seven new Home Economics members were initiated Monday night during the regular monthly meeting of the club. Mrs. Alvin Aller gave a report on the Idaho State Home Economics Convention held in Boise and Carolemay Rapp gave a humorous reading. December 8 is the date set for the Christmas breakfast for club members.

BUSINESS CLUB

Members of the Business Club will journey to Boise tonight, where they will be guests of the IBM Machine Company. Included in the plans will be a visit to a business firm to view the bookkeeping machines in actual operation and a demonstration of the electric typewriter.

JUNIOR CLASS TO SPONSOR HAYRIDE

Members of the Junior Class and their dates will meet at the Administration building at 7:30 p. m. tomorrow for a hayride. The ride will end at Lake Lowell where refreshments will be served. A fireside devotional program is also planned for the evening.

A gentleman blames himself, while a common man blames others.—Confucius.

National Exam To Be Given Feb. 14th

The National Teacher Examinations, prepared and administered annually by Educational Testing Service, will be given at 200 testing centers throughout the United States on Saturday, February 14, 1953.

At the one-day testing session a candidate may take the Common Examinations, which include tests in Professional Information, General Culture, English Expression and Non-verbal Reasoning; and one or two of eight Optional Examinations designed to demonstrate mastery of subject matter to be taught. The college which a candidate is attending, or the school system in which he is seeking employment, will advise him whether he should take the National Teacher Examinations and which of the Optional Examinations to select.

Application forms and a Bulletin of Information describing registration procedure and containing sample test questions may be obtained from college officials, school superintendents, or directly from the National Teacher Examinations, Educational Testing Service, P. O. Box 592, Princeton, New Jersey. Completed applications, accompanied by proper examination fees, will be accepted by the ETS office during November, December, and in January so long as they are received before January 16, 1953.
