

STUDENTS MEET FACULTY TONIGHT

Northwest District Motorcade Slated For October 1-3

A parade consisting of students, band, police escort and city dignitaries will escort the student members of the Northwest district from the west city limits to NNC, Oct. 1 at 4:30 p. m., as the fourth annual motorcade descends upon the campus for three days.

The schedule is as follows:

Oct. 1, 5:00 p. m.—Registration and room assignment. 5:00 p. m.—Dinner for students. 6:00 p. m.—Dinner for motorcade. 7:30 p. m.—Softball, motorcade vs. Northwest District students. 9:00 p. m.—Campfire and marshmallow roast for motorcade personnel.

Oct. 2, 8:00 a. m.—Breakfast for motorcade. 9:45 a. m.—Chapel. 12 noon—Lunch for students. 1:00 p. m.—Lunch for motorcade. 3:30 p. m.—Afternoon sports, Men's Club and AWS in charge. 6:00 p. m.—Dinner for motorcade and students of Northwest District. 8:00 p. m.—Variety program.

Oct. 3, 7:00 a. m.—Farewell breakfast.

Committees in charge consist of: Parade and welcome, Norman Stueckle; sports, Len Back and Beverly Lais; reception, tours and publicity, Max Urwin and Circle K, and housing and registration, E. R. Tame, head resident, and Mrs. J. E. Riley.

Meals, L. Wesley Johnson; programs, Beverly Lais, Dick Ivester, Len Back, Mrs. Alline Swann, Ginny Poplin and President Riley; and cots, Mr. Ed Harper.

Regents Are Guest Speakers in 1953 Opening Convention

Following a heavy day's presiding over the Board of Regents meetings Sept. 16, Dr. B. V. Seals, Washington-Pacific district superintendent, brought the first message in the 1953 Opening Convention.

Members of the Board of Regents delivered sermons for the four-day affair.

Rev. Bill Davis, district superintendent of South Dakota, was the guest speaker for the Thursday evening service. Rev. A. L. McQuay, district superintendent of the Rocky Mountain district, spoke during the Friday chapel period.

Rev. E. H. Edwards of Boise brought the message Friday evening. The convention was closed on Sunday morning with the Idaho-Oregon district superintendent, Rev. I. F. Younger, behind the pulpit.

College High Has 47% Increase Over 1952-53 Registration

NNC's 41st year started off Sept. 8 with a peak registration in College High School. In grades seven through 12, Junior and Senior High School, 170 students have enrolled, making a 47% increase over last year's registration.

One hundred and forty-nine freshmen took entrance examinations Sept. 11. This is 23 less than last year's frosh total of 172.

An overall decrease of 50 college students is expected, explained undoubtedly by the tightening of financial policies necessitated by previously poor collections.

The adoption of the tuition plan of collections has already been reflected in improved finances and it is expected that, with the adjustment made, next year's enrollment will start to climb.

CRUISADER

Vol. XIII — No. 1 NORTHWEST NAZARENE COLLEGE, NAMPA, IDAHO Friday, September 25, 1953

T. C. Leckie, NNC Senior Music Student, Is Given Teaching Fellowship in Piano

T. C. Leckie, a senior music student of NNC, has been given a teaching fellowship in piano.

Mr. Lecke, a pupil of Alline Swann, dean of school of music at the college, will receive his B. Mus.

T. C. LECKIE

degree with a major in piano at the end of the year. He has become known in recent years by his fine artistic performances on and off campus. Last year he gave his junior recital and appeared in other student recitals sponsored by Mu Upsilon Sigma, NNC's Music Club.

Among other things he has played in the annual piano guild festivals, receiving superior ratings, and last year made an artistic showing at the state contest of National Federation of Music held at Pocatello, Idaho.

He has scheduled several beginning students in piano under the direction of the music dean.

Another part time teacher in piano to be added to the music department is Mrs. Jim Carkhuff, who is an ex-student of NNC, having done work for several years with Miss Ivalee Bolerjack, professor of music at the college. Mrs. Carkhuff has also had experience in teaching piano lessons, and will be a valuable assistant in music.

Students Advised To Submit SSCQT Applications Now

Applications for the Nov. 19, 1953 and the April 22, 1954 administrations of the College Qualification Test are now available at Selective Service System local boards throughout the country.

Eligible students who intend to take this test on either date should apply at once to the nearest Selective Service local board for an application and a bulletin of information.

Following instructions in the bulletin, the student should fill out his application and mail it immediately in the envelope provided to SELECTIVE SERVICE EXAMINING SECTION, Educational Testing Service, P. O. Box 586, Princeton, New Jersey. Applications for the Nov. 19 test must be postmarked no later than midnight, Nov. 2, 1953.

According to Educational Testing Service, which prepares and administers the College Qualification Test for the Selective Service System, it will be greatly to the student's advantage to file his application at once, regardless of the testing date he selects. The results will be reported to the student's Selective Service local board of jurisdiction for use in considering his deferment as a student.

KROK Returns To Air September 28

Campus radio station KROK will return to the air on Monday, Sept. 28, with a full evening of pleasant listening. Broadcasting time will be from 7:00 p. m. until 10:00 p. m. each Monday, Tuesday, Thursday and Friday. 740 kilocycles is the spot for the latest in news, campus events, and the inspiring music.

The staff has been chosen but all those interested in working with the station should contact the manager, Marvin Emrich.

Thirteen Teachers Join NNC Faculty

The teaching staff at NNC was strengthened this year by the addition of seven teachers to the college staff, four teachers to the H. S. staff and two teachers who are members of both the college and high school departments.

Dr. Shelby Corlett, well-known to the holiness people all over the continent, is teaching theology. He will continue as editor of "Preachers' Magazine."

Mr. Harvey Campbell, an experienced teacher, received his master degree from Colorado State College of Education. He is teaching history and freshman English.

Mr. Hays Johnson has returned from a year's leave of absence with his master's degree from the University of Idaho.

Mr. Marion Francis Reeves, teacher of philosophy, has his master's degree from Ohio State, his B. D. from Nazarene Theological Seminary and most of his residence work for his doctorate completed at Ohio State.

Miss Ivalee Bolerjack with her Master of Music degree, has returned after a leave of absence with a master's degree in counselling. She is teaching in the school of music and is also Head Resident of Morrison Hall.

Mr. James Carkhuff, another of our graduates, joins the staff of the School of Music. He has been studying toward his master's degree at the University of Washington.

Mr. Ralph George, a science major, has completed a year's graduate work at the University of Washington, and is now instructing chemistry and biology.

The staff of College High School has been enlarged by the addition of Mr. and Mrs. Paul McNeely, Mr. Roy Butchart and Mrs. Beth Tame.

Miss Patricia Davis, a NNC graduate, is teaching French in college and devoting the rest of her time in College High.

Elect Class Officers In Special Session

College classes met in a special session last week to elect officers for the ensuing year.

Carl Bryson of Ridgefield, Wash. was chosen president of the Senior class. Russ Miller, treasurer, and Lyle Starkey, Student Council representative, were also named.

Harold Stickney was elected Junior class president, to be assisted by Paul Anderson, vice president. Della Mae Reed will act as secretary, Wayne Aller as treasurer, and Lillian George as Student Council representative.

The Sophomore class named Wendell Poole as president, John Prince, vice president; Shirley Schulz, secretary; Stan Kern, treasurer and Harold Weber, class representative.

Clarence Kinzler was selected as president pro tem for the Freshman class. Duane Olson will fill the capacity of vice president; Velma Poole, secretary; Luanna Ammons, treasurer and Eddie Arnold, Student Council representative.

Another class meeting will be held in the near future to elect the faculty sponsors.

Board of Regents Elects Officers In Regular Semi-Annual Session

At the regular semi-annual meeting of the Board of Regents, held in Chapman Hall, Sept. 16, officers for the ensuing year were named.

These included Dr. B. V. Seals, Dr. Zachary, Rev. W. D. McGraw, Jr., Rev. E. H. Edwards and Rev. I. F. Younger. Gordon Olsen, John Wordsworth, Dr. Seals, Dr. Zachary and Rev. Younger comprise the finance committee; Mr. Wordsworth, Rev. Edwards and Rev. Roscoe Hohn, auditing committee; and T. S. Wiley, Eugene Weber, Roy Olmsted, Rev. W. R. Wise and Rev. R. B. Sherwood, the buildings and ground committee.

The work of the past year in the revision of the articles of incorporation and the constitution and by-laws was finally completed and with the unanimous approval of all the district assemblies in this educational zone, the amended articles and revised constitution were adopted.

The same was done for Samaritan Hospital (described legally as

Formal Attire To Mark Annual ASB Reception

Tonight at 8:00 p. m. the students of Northwest Nazarene College will be presented to the faculty in Morrison dining hall at the annual Student-Faculty reception.

Presiding as master of ceremonies at this first formal social event will be ASB vice president, Norman Stueckle.

Dr. Thelma B. Culver will respond to the toast given to the faculty by the ASB president. Musical numbers will be provided by members of the faculty and student body. Men's Club President Len Back and AWS President Beverly Lais will welcome members of their respective organizations. The college president, Dr. John E. Riley, will give the main address.

Program arrangements are under the direction of Sam Scammon, Dell Morgan, Kathleen Ranum, A. J. Finkbeiner and Bill Wise. Responsible for the decorations are Ruth Long, Doris Holmes, Howard Smith, Janis Atkinson, Connie Mitchell, Phil Peterson and Myron Finkbeiner.

Refreshments have been planned by Miss Wanda Rhodes and Lois Tracy. The staging committee is headed by Jack McEvoy as chairman with Gordon Renschler as co-chairman. Assisting them will be Gale Maxey, Les Martin and Les Hoyle.

Improve Freshman Orientation Program

Welcome cards, directional signs and two large highway signs were the successful factors of a much-improved Freshman Orientation program carried on this year. Students arriving by bus or train were met by NNC personnel and brought, with their baggage, to the campus.

Business men in western togs accompanied by gunfire and western music, served a bounteous Buckaroo Breakfast in Kurtz Park for the 200 new students and faculty of NNC. This "Howdy Pardner" affair was sponsored by the Chamber of Commerce.

A get-acquainted party was also held in the college gym Saturday night.

Two additional features of the orientation program were special evenings for social and academic patterns.

The Nazarene Sanitarium and Institute). Following the reports on the success of the mortgage reduction campaign by President John E. Riley and L. Wesley Johnson, finance executive, resolutions were unanimously adopted to continue the aggressive financial policies of the administration. Every effort is to be made to increase income and further reduce indebtedness.

A resolution adopted, to work toward a student enrollment increase of at least 100 next year, was furthered by the initiation of a program of enthusiastic cooperation between district officials and the college administration, outlined for the purpose of fund raising and student solicitation.

The first step in this program will be the completion of the \$50,000 mortgage reduction campaign which was launched one year ago. The latter part of September has seen \$45,351.73 in cash paid with \$30,837.42 in unpaid pledges. It is hoped that the total received may exceed \$60,000.

... EDITORIAL ...

Adjustment Determines Social Success

Every day of a person's life he or she is called upon to make some type of adjustment. The ease with which a person can make these adjustments will largely determine his degree of social success in later years.

Certainly one of the times of greatest adjustment is when a person first enrolls in college. Maybe he has never been away from home and the friendly counsel of Mom and Dad for any period of time before, or it may be that there are very few familiar faces in this new world.

Dick Ivester
One automobile suffered from over-adjustment, and one was just right, a "happy medium."

People are a lot like that, too. Some are so tense, so alert for signs of caution that great damage is caused by their trying to avoid any difficulties. Still others are so reckless and haphazard that they plunge into any social situation "full steam ahead." It is the well adjusted person who knows his limitations as well as his assets and adjusts his life accordingly.

"Take Inventory"

Perhaps you have never found your proper "cruising speed" before. Now is the time to take inventory of yourself. Will you "crack up" when some social obstacle confronts you, or are you moving so slowly that you are not getting anywhere? It is highly important that we as individuals, and as a student body, find our "cruising speed," that rate where we can all function together with maximum efficiency.

"Let's Work Together"

It is my earnest desire that we will learn to work together as parts of a great machine and that each member of the student body will make the proper adjustments necessary so that he will be best suited to fill his place of service. Thus far the spirit of cooperation has been very gratifying. The returning students who helped in the orientation program should be given a pat on the back for their fine help. I hope that the rest of the year will reveal the same spirit of helpfulness that has been found so far.

IN MEMORIAM

Born: March 20, 1932.

Died: September 10, 1953.

Herbie—prayerful, precise, sincere, devout, consecrated, happy, inspiring, efficient, dependable, respected, loved, responsible, singleness of purpose. These traits and many more like them are synonyms for the word Herb. But one more, greater than them all, is the word **FRIEND!**

One year ago, Herb taught the writer of this article the significance of that word, Friend. We were walking along and chatting like buddies do when he stopped and said:

"Where are your books?" I replied that I didn't have any. He looked at me questioningly and I added that I had gone through eight courses without them and thought I could make it through a few more.

He ignored my answer and asked if I had any money.

"How much do you need?" Again I kept silent. "Look," he said, "I'm going to see that you get the books. How much do you need?"

I choked out that I needed \$15, but he knew me better than that. After writing out a check for \$30, he made a remark that I shall never forget.

He looked at me with a hurt look on his face and said, "Man o' man, why didn't you come to me and tell me sooner. It hurts me that you went without books and didn't tell me. What do you think a friend's for, anyhow?"

That was typical of Herb. He would do anything for someone else. He's been known to say, "Daddy, may I have a dollar? I had to help someone today."

A friend remarked that he was just beginning to realize that Herb was gone. But Herb's not gone. He is with us in memory and influence and shall be for years to come. I pray God that the influence of Herb shall be the determining factor in someone's decision to be a medical missionary.

There is still a three-letter question that must be answered. That question is "Why?" The answer is "The Lord doeth all things well."

(Editor's Note: The above article, by a 1953 graduate of NNC whose name is on file in the CRUSADER office, was written after the tragic accident Sept. 10 which claimed the life of 22-year-old Herbert W. Geller, a college senior.)

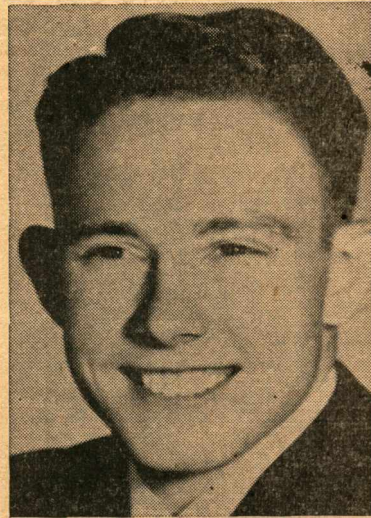

IN LOVING MEMORY

... of a young man, our son, who truly loved his fellow-students — lived to help others.

His stated desire was "To do all the good I can, in all the ways I can, in every place I can, to all the people I can to win them for my Saviour."

Our prayer is that God shall help us to bear the torch of Heavenly Fire as he would be doing.

Mr. and Mrs.
J. W. Geller.

HERBERT GELLER

What Is Past Is Now Prologue

By Dr. John E. Riley

In a very real sense the present is, at one and the same time, the climax of the past and the foundation of the future. All the best that we enjoy here at NNC is a heritage from those who have gone before us. For this we are very grateful. But alongside our gratitude springs another dynamic emotion, the desire to do something for the future. It might well be put in the words of the slogan, "Hats off to the past. Coats off to the future!"

In relation to the future, much that we are doing here may be thought of as foundational. We have been tackling very serious financial problems—heavy indebtedness and very poor collections—resulting in an unbalanced budget. We are making slow but steady progress. We have been working at improved campus morale and making rewarding progress toward student government. We have been working quietly toward strengthening our faculty, our academic organization and our curriculum.

The recent meeting of the Board of Regents was marked by a realistic and united spirit of building for the future. Enthusiastic plans were adopted unanimously for aggressive financial improvement, for growth of enrollment and strengthening of our academic offerings.

FOUR BLOCKS WEST OF CHAPMAN

SPORTS SLANTS

By Smitty

Here we are starting out on another big year of sports on the campus and this writer is expecting some big and exciting incidents before we close another chapter on sports next spring.

It will be our policy to bring you the best coverage possible of all the events and affairs in the field of sports and it's our desire that you enjoy reading these articles as much as we're going to enjoy writing them.

Coach "Pop" Frazier and his boys have started the sports ball rolling with two weeks of fall baseball already marked off the calendar and from all indications another winning team will be on hand in the spring when the season gets in full swing.

With a host of veterans returning and a bunch of promising frosh pushing them for these starting positions, "Pop" can breath a little easier for awhile.

With such names as Len Back, Harry Detwiler, Paul Ralphs, Mickey Dean, Merv Gale, Rod Newman, Jim Lais, Dick Ivester and others on the roster, NNC should have little trouble when the boys in blue tell them to play ball this spring.

Ball Club Loses Geller

The biggest loss to the Crusaders

this year is that of Herbie Geller, one of the finest center fielders ever to wear the orange and black colors of our school.

Herbie was always a crowd-pleaser with his diving and one-handed catches and always had a hustling spirit which seemed to keep the team fired up when the chips were down. Somehow we feel Herbie's influence will still be with the team this year, encouraging and inspiring the boys to do the best they can at all times, which was the way Herbie played the game of life as well as baseball.

Intramural Activities

The intramural program got under way this week with a lot of enthusiasm which we hope will prevail throughout the semester. Softball will be the game of importance for awhile and as usual each society thinks it will win the championship which is about six ball games away.

The ADPs seem to have suffered the greatest loss in the men's department by graduation, but a number of promising frosh are showing up to fill their places. The SLAs look like they will be the champion with practically all of last year's team returning to the diamond. They will be relying heavily upon Carl Bryson for the pitching score but will have Dale Ownby, a frosh, to back him up in relief.

The girls' possibilities are still undecided and these first games will be important in predicting their outcome.

Cross Country Track

Well, that's enough for intramural and we better get on to the major problem which is—will NNC have a cross-country team this fall? A lot of students have asked this question and as for the answer, we don't know. The team has suffered heavily from graduation and students dropping out of school, so Coach "Montie" Lee has little to work with and it's getting late in the season to start with green runners. Maybe if enough interest is shown a few meets might be arranged but the prospects look dim for this year. Might we suggest those interested in turning out for cross-country contact Coach Lee and express their interest to him.

CHS Trojans Bow To Cascade In Season's Opener

Coach Roy Butchart's gridders dropped the season's opener on the Cascade gridiron to the tune of 40-7 last Friday in what seemed to be an apparently soft touch in the opening minutes of the game.

After receiving the kickoff, the Trojans cashed in on five plays to set themselves up in the Cascade end zone for the first score of the game. Ray Ax, a hard driving back, paced the drive with three long runs, and a short pass from Don Constable to Phil Younger from 10 yards out, put the cap on the 70-yard march. This proved to be the last chance for points for the visiting Trojans with the faster and stronger Cascade team controlling the remainder of the game.

Ray Ax left the game early via the injury route with a cleated leg which required several stitches and the Trojan cause received a severe handicap from the accident.

The half found the Trojans on the short end of a 21-7 score with the Cascade eleven adding three more in the final two periods for good measure.

College High's pass defense accounted for four of the opponents' touchdowns which just couldn't be knocked down.

The Trojans meet St. Teresa of Boise at Bulldog Bowl this afternoon in the first game of the home series which will find Butchart's boys some wiser and a little bit tougher.

Olympians Defeat LSP Girls, 16-8

This semester's girls' softball got under way Monday afternoon with the Olympians trouncing the LSPs 16 to 8 in the first game. The ADPs and SLAs fought hard for supremacy in the second game with the SLA team edging out the ADPs, 5 to 2.

Enthusiasm mounted high as the substitutes cheered for their teams. Greater interest has been shown this semester than previous years by the splendid turnout of players from each society.

Twenty-Three Girls Sign Up for Tennis

Tennis singles started this week with 23 girls signed up for the first round in the tournament.

The ADPs lead the list with nine members from their society while the Olys are represented by six. The LSPs and SLAs have four members each. The first round must be played off by Sept. 26, the second and third by Oct. 3.

The tentative date of Oct. 3 has been set for the women's golf tournament to be played at the Broadmore golf course. Further announcements will be made next week.

College Church Trounces All-Stars In One-Sided Affair

The first night game of the season played Monday night between College Church and the College All-Stars ended in a one-sided scoring affair with College Church putting on the show.

Ron Weatherford went the distance for the church team and displayed some sparkling pitching throughout the game.

College Church grabbed a two-point lead in the early inning on a couple of errors and the game remained scoreless until the eighth when the All-Stars picked up a point with Dale Ownby stealing home on a low pitch. From there the All-Stars faded and the church boys poured on the coal to rack up 10 of 11 points to end the game. The All-Stars added a few but were never in a position to merit any worry on the part of College Church.

One of the outstanding features of the game was the sparkling performance of Dale Ownby's pitching, which, with a little more support, might have made a difference in the outcome of the game. He was relieved in the closing innings by Russ Miller who moved over from the initial sack.

You are often sorry for saying a harsh word, but you will never regret saying a kind one.

IN APPRECIATION

For all the kindness shown us during our tragic loss and hours of heart-rending grief.

Friends who truly know our God have done much to lessen our trials. We are grateful for the eternal hope we have.

FTA Strives For 100 Members Goal

At the close of the first week of school, 67 students have joined the Future Teachers of America with new names still to be added. The membership goal of 100 would place NNC considerably larger than any other educational institution in the state.

The E. E. Angell chapter of FTA started in 1939, and has continued to grow. The demand for NNC-trained teachers is much greater than the supply, it was learned from the Teacher Placement Bureau operated by the college.

Under the able sponsorship of Dr. Culver and Miss Allison, and with new facilities in our newest campus building, FTA is planning for another year of service.

Future teachers should begin now to be professional and join the FTA.

Weddings and Engagements Occur During Summer

Wedding bells seemed to be as popular as ever among NNC students this summer. Charles Thornburg and Marjorie Meyers were the first to exchange vows June 5.

Lauren Nichols, a sophomore student this year and Mary Farnier were married on July 22. Soon to follow them on Aug. 14 were Roger Weber, ASB treasurer, and Ila Mae Van Notric. August 21 found Lillburn Wesche and Esther Rinker solemnizing vows. Arlan Anderson and Bonnie Painter were married on August 27 and Dan Wright and Marcella Milke Aug. 28.

Two NNC couples chose Aug. 29 as their wedding day. These couples were Floyd Johnson and Beth McBee and Kenneth Haney and Barbara Mumau.

Another popular date seemed to be Sept. 4. T. C. Leckie and Joyce Yates were married on this day, also Lyle Starkey and Louisa Arnold. Ellen Sutherland became Mrs. Darrel Reisch Sept. 10. Other September weddings included Mary Mattson and Neale McKenzie, Carolyn Hoyt and Lowell Henske.

Numerous NNC coeds displayed diamonds sparkling on their fourth finger when they returned to the campus this fall. Among the engaged are Phillip Lamm and Georgia Williams, Leslie Martin and Berdena Oldenkamp, Dean Bottemiller and Neva Thompson, Bill Scholton and Wanda Robertson.

Also making wedding plans are Dale Krause and Shirley Scott. Other recent engagements include Don Morgon to Lois Cramer, Ron Beech to Neva Templeman, Rich-

Band Department Receives Sousaphone

Two anonymous contributors have given a bass sousaphone to the Instrumental Department of NNC's Music School, according to Alline Swann, Dean of Music. The instrument is valued at 350 by Wilbur Harris, head of the music school's band and orchestra instrumental department. Other contacts are being made for contributions of instruments needed such as French horns, baritone horns, baritons saxophone, tenor sax and bass clarinet.

Mr. Wilbur Harris, a new comer to NNC's campus, brings with him a long term of teaching experience and many laurels won by his bands and band instrumental soloists over many years of competitive teaching and performances. He is also director of NNC's orchestra, as well as organizer of an orchestral group which will help accompany the annual presentation of the "Messiah" oratorio to be given at Christmas time by the Philharmonic Choral society.

ard Powers to Shirley Becker, Bob Smith to Doris Skeens and Max Urwin to LaVeta Cantrell.

THIRTEEN TEACHERS—

(Continued from page 1)

Mr. Wilbur Harris is an addition to the School of Music. Miss Davis and Mr. Harris are on both the College and High School faculty.
