

SOPHOMORES INITIATE FROSH TODAY

College Officials Attend Educational Meet At Bethany

Bethany-Peniel College was the host of the fourth educational conference of Nazarene Colleges held Oct. 7-9 at Bethany, Okla.

Keynote speaker for the affair was Dr. Samuel Young, one of the General Superintendents and the secretary of the Board of General Superintendents. His wide knowledge of the church, plus his own experience in the field of college administration made his stay at the convention more rewarding.

Following a dinner at Beverly's in Oklahoma City, W. T. Purkiser presided at the general Thursday evening session. L. Wesley Johnson led a discussion on wills, annuities and special gifts.

The main body of the conference consisted of divisional groups centered around specific interests. The Northwest Nazarene College representatives—Dr. Thelma Culver, Dr. John Riley and L. Wesley Johnson—also participated in various other discussions. The session adjourns today with a 5:30 department dinner in Oklahoma City.

Faculty Members "Hunt" in Library

"Hunting time in the library," typed on book cards, gave the faculty an invitation to hunt for newly bound magazines, recent books, complimentary text books for the curriculum library and new magazines in the lobby of the library, Sept. 30.

Displays were marked with signs of "New Arrivals," "This is where your book money went year before last," and "Compliments of McGraw-Hill."

New arrivals featured new books and magazines which are now in the library. The second sign featured volumes of magazines which have been bound by Mr. Tom Kelly in our bindery. The McGraw-Hill books are the nucleus for a curriculum library.

Following the hunt, faculty members were served refreshments in the librarian's office. Mrs. Geneva Bittleston and Mrs. Jewell Wilson were hostesses, assisted by student librarians Misses Carol Hankins and Barbara Campbell and Mrs. Louisa Starkey. Autumn flowers and autumn leaves were used in decoration.

Students Approve Semester Budget

Members of the NNC student body approved the ASB first semester's budget in a trip to the polls Tuesday.

The allotments are as follows: Oasis \$1900; athletics \$1125; Crusader \$500; Forensics \$180; Athletic-Literary Council \$190; Christian Workers Band \$75; KROK \$130; AWS \$30; Men's Club \$30; senior class \$40; junior class \$60; sophomore and freshman \$20 each; specials \$3; departmental clubs \$12.50 each; ASB salaries \$140; ASB parties \$50; reserve fund \$125 and general expense \$100.

The budget was drawn up by Roger Weber, ASB treasurer, and approved by the Student Council, the Administrative Council and the student body.

Who's Who Ballot Lists 14 Nominees

Fourteen seniors were introduced to the student body in Chapel Tuesday as nominees for Who's Who in American colleges and universities.

The students, selected by a nominating committee composed of three Juniors and three faculty members, and approved by the Administrative Council, were judged individually on scholarship, character, leadership and service.

Seven of the 14 were chosen by the students in the election which followed. Jim Lais, a carryover from last year, makes the eighth.

The qualifications of the group will be sent to Who's Who headquarters for approval. The results will be announced the latter part of November.

Those up for nomination included Dick Ivester, Joe Keen, Bonnie McGraw, Betty Miralles, Carlton Bryson, Myron Finkbeiner, Beverly Lais, Roger Weber, Rod Newman, Virginia Poplin, Norman Steuckle, Lois Tracy, Geri Leih and T. C. Leckie.

Oct. 23—Closed Night.

Dorms Receive New Laundry Equipment For Next Five Years

New models of washing machines and driers will be installed in Hadley, Chapman and Morrison dormitories for the next five years, according to L. Wesley Johnson, business manager.

Morrison Hall dormitory members were given instruction on the use of the new machines Sept. 29 by Mr. Floyd Peterson, Frigidaire representative from Boise. Gerald King, an NNC student who works for the company, introduced Mr. Peterson, who is also district field representative from Salt Lake.

Chapman and Hadley dormitories will receive these same instructions sometime soon.

First Bench List To Appear Monday

Faculty members will turn in reports for the first "Bench" which will be composed at 5 p. m. today and posted Monday.

For the benefit of the new students, the "Bench List" is made up of those who have been reported by their teachers as doing unsatisfactory work in their classes.

The students whose names ap-

Annual Fall Revival Begins Sunday; Dr. G. B. Williamson To Be Evangelist

General Superintendent G. B. Williamson will deliver the messages for the annual fall revival campaign which begins in College Church Sunday and ends Oct. 17, according to Rev. Eugene Stowe, pastor.

Dr. Williamson is one of the five men holding the highest offices in the church. He received his degrees from McCormick Theological Seminary and the Northern Baptist Seminary in Chicago and has pastored churches for 16 years in Iowa, Illinois, Ohio and Missouri. He has also served as president of Eastern Nazarene College in Wollaston, Mass., for nine years.

For the past seven years, Dr. Williamson held the office of general superintendent. He is also secretary to the Board of General Superintendents.

A requisite for Dr. Williamson's position is being thoroughly acquainted with home and foreign programs of the Nazarene Church. In this connection he travels extensively, both home and abroad. He recently visited New Zealand, Australia, the Philippines, Japan and Hawaii. A six-month world tour was taken by him and his wife in 1950-51.

Song Evangelist Named

Coming to us from Pasadena College, Pasadena, Calif., where he is a professor of voice, is Prof. Earle Anderson, a widely known sacred concert and recording artist.

Prof. Anderson will direct a great chorus-choir each night, present

DR. G. B. WILLIAMSON

several sacred solos and sing duets with his wife.

Piano and organ accompanists, both student and faculty, will be secured by Miss Elaine Carlson.

Prayer Services Conducted

Prayer services are being conducted both on and off campus. Early morning prayer services in College Church begin at 6:30 Tuesday through Friday and 7 a. m. on Sunday. These services are for students, faculty and the community.

The Christian Workers Band is in charge of dorm and campus prayer meetings.

Services will convene on weekdays at 9:45 a. m. and 7:30 p. m. in College Church. There will be a 7:30 p. m. service on Saturday and the Sunday services will follow the regular schedule.

GMS Has Listed \$3,189.75 in Pledges For Geller Memorial

A grand total amounting to \$3,189.75 was reached last week in the form of chapel pledges donated to the Herbert Geller Memorial Building. At a recent meeting of the executive council of the General Missionary Society it was decided that this year's project would be the founding of the Herbert Geller Memorial Building. This memorial will be erected on some needy missionary field.

President Riley suggested that this year's programs should aim to broaden the students' outlook on the world.

Chosen to lead the society this year were Jim Lais, president; Dave Witt, vice president; Joy Tink, secretary; Russ Miller, treasurer and Ginny Poplin, program chairman.

appear on this list are not allowed to participate in any intramural activities.

Two D's, one F or one incomplete will "Bench" a student. Removal is possible only after a week's time, by correcting the deficiency. Remember—it's no honor to see your name on the "bench."

"Autumn" Is Theme Of Annual AWS Big-Little Sister Tea

The "Big Sisters" entertained their "Little Sisters" Thursday from 3 o'clock to 5, at the Big-Little Sister Tea. The theme for the event was "Autumn", and fall colors of rust and gold decorated Morrison hall parlor.

This tea was the first social function this year of the Associated Women Students.

Piano music was supplied by Joy Tink, Neva Templeman, Mary Clay and Colleen Wooten. Velta Jones played a violin solo, and Darlene Gentry sang "A Memory," by Ganz. A trio composed of Ginny Poplin, Joy Tink and Lydia Angier, also sang.

Mrs. Alvin Aller, Mrs. E. R. Tame, Miss Ivalee Bolerjack and Miss Marian Washburn poured.

The committees and chairmen were: music, Berdena Oldenkamp; refreshments, Ardis Manley and Virginia Volk; decorations, Virginia Phillips, Connie Mitchell and Kathleen Nordmo; pourers, Doris Holmes, and invitations, Betty Bradford.

The next event of the club is the pajama party, which will be held Nov. 13.

New Era Is Marked In Initiation Program

This year marks a new era in the initiation program on the NNC campus with the Sophomore class planning a work project for the new students rather than the usual weed pulling and lawn trimming which has been the vogue in recent years. This policy has been adopted in the larger colleges in the nation and has proved very successful. All will not be changed however, as the freshman attire will be similar to previous initiations.

The project for this year will involve the excavating around the proposed tennis court between the speech hall and the fine arts buildings as preparatory to the installing of a curbing. Also on the agenda will be some work to be done on the baseball field. The Administration has made plans to turf the field this fall if the ground can be put in shape in time, so the frosh boys have consented to help level the out-of-bounds areas on both sides of the playing diamond. Both of these projects will fall to the blistered hands of the class of '57.

The girls will have a project of their own, which has not been decided on as of this date, and has been postponed until a later time.

The girls will be expected to wash their hair Thursday night with an egg and will leave it as it is for the remainder of the initiation. A black skirt and white blouse will be the costume of the day. The boys will shampoo their hair in a similar manner except for the substitution of starch instead of the egg. They are to wear levis and white shirts with a bow tie.

Those heading the committees for the festivities will be John Prince, flag hunt; Max Urwin, party; and Leon Doane, tools for the project.

Juniors Sponsor Scavenger Hunt

While the freshmen and sophomores try to out-run the other on the annual Flag Hunt tonight, the upper classmen will be "scavengers on hunt."

Four groups, under the leadership of captains Rich Powers, Skip Wilcox, Howard Smith and Phil Peterson will comb the surrounding vicinity in quest of 20 difficult articles drawn up by a committee composed of Harold Stickney, junior class president; Noreen DeJong and Ardis Manley.

The group will meet in front of the Ad building at 7:30 p. m. to go to Northside Park where teams will be chosen. The first group back to the park with the list completed, or nearly so, will receive the prize. Refreshments, under the chairmanship of Lillian George, will then be served.

CLOSED NIGHT SET FOR OCT. 23

October 23 is the date set for the Athletic-Literary societies closed night.

The winner of the closed night competition will be the society having the largest percentage of their total members in attendance. Only society members will be counted.

Starting time will be at 7:30. Representatives from each society will be sent to the other societies for the counting which will be at 7:45.

The places of the meetings are scheduled as follows: SLA, dining hall; OLY, Chapel; LSP, gym; and ADP, Speech hall.

NNC's Coffee Shop, "The Beanery," Receives Complete Transformation During the Summer Vacation Period

Students enjoy last minute snacks in the newly redecorated Coffee Shop. The building and the kitchen received a complete remodeling job, plus the installation of new equipment during the summer months.

... EDITORIAL ...

Don't Let College Interfere With Your Individual Educational Set Up

College students find themselves catapulted into a busy world of multifarious activities. There are clubs to meet, ball games to attend, dates to get, and occasionally, even lessons to prepare. It is quite possible that such a variety of activities may hinder a real education. The term "educate" literally means to lead or draw out. To educate, then, though it presupposes instruction (literally, "to fill in"), is to draw out the qualities or capacities latent in the individual which are essential to his position in life.

Prayer, properly understood, is a mature activity indispensable to the fullest development of personality—it is an education. Prayer must in no way be identified with a formalized routine of words, a refuge for weaklings, or a childish coaxing for material things. It is rather the ultimate integration of one's highest faculties.

Prayer Is Power

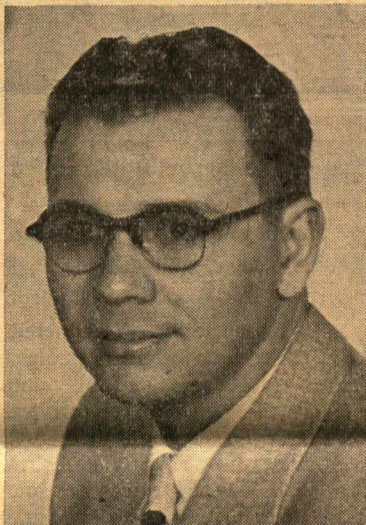

Prayer is power. Those who really pray unanimously agree that prayer supplies them with a steady flow of sustaining power in their daily lives. Prayer raises one's center of personal energy, and produces regenerative effects unattainable in other ways. After carefully studying the lives of persons who prayed, William James was forced to conclude that "Energy which but for prayer would be bound, is by prayer set free."

From whence does this power emanate? Prayer is man's communion with the Infinite source of all energy, the invisible creator of all things, supreme wisdom, strength, truth, beauty, Father and Redeemer—God. Without such a communion there is no prayer—not even religion. Prayer is the pressing of our empty lives up against the Eternal God, and taking from Him life, power and redemption. It links us with the inexhaustible motive power that turns the universe. Without this experience, God is only an empty abstraction.

Pray Everywhere

It is possible to pray everywhere. In streets, between classes, at work, among the crowd at church, as well as in the solitude of one's own room. Prayer is not limited to a prescribed posture, time or place. Prayer must become a habit if it is to mold personality. It is futile to pray in the morning and to live in the spirit of secular self-sufficiency the rest of the day. True prayer becomes a way of life; the truest way of life is found in the way of prayer.

Prayer is an education—an integrating, developing process. "No man ever prayed," said Emerson, "without learning something." The results of prayer may be measured in terms of increased physical buoyancy, greater intellectual vigor and humility, a keener sense of moral obligation, and a deeper understanding of the realities underlying human relationships. Don't let your busy college life interfere with such an indispensable education!

FRANCIS REEVES

Engagements And Marriages

Mr. and Mrs. Donald G. Slack of Richland, Wash., announce the engagement of their daughter, Elsa Lou, to Carlton Bryson.

Miss Hilda Engle of Halkirk, Alta, Can., exchanged nuptial vows in College Church July 31 with Richard Grenier.

Miss Barbara Jacobs and Ray Bryant of Spokane were united in marriage Aug. 20 in the home church of the bride in Opportunity, Wash.

A graduate of 1951, Miss Juanita Anderson exchanged vows with Richard Brooke of Nampa Aug. 30 in McMinnville, Ore.

The Nampa Fairview Church was the scene of the wedding of Miss Carol Myers to Harold M. Hughes, Sept. 4.

Miss LaNona Hopkins, daughter of Mr. and Mrs. W. L. Hopkins of Nampa, became the bride of Bud Porter, also of Nampa, in an evening service at Franklin Road on Oct. 2.

from the... LIBRARIAN'S DESK

Among the new books recently purchased for the library are White Witch Doctor, Lettering and Art in Modern Use, Great Teachers, History of Christianity, The Silver Chalice, Romantic Quest, Clothes for You, Tennis Made Easy, Num-

bers and Numerals, Numerical Calculus, Costume Design, Idea of History and Moby Dick. Condor, Ecological Monographs, Botanical Gazette, Office, Outwest and Social Education make up the list of new magazine subscriptions.

One of the busiest places on the campus of NNC is the College Coffee Shop. This year its popularity has been increased by the many improvements made during the month of August. New cement steps and a new front door with glass blocks on either side, together with the new decoration within have brought forth many "oh's" and "ah's" as the faculty and student body gathered in for the fall term.

The coffee shop is a cheery place with its walls of mesa brown, ceiling sunlight yellow and freshly varnished knotty pine. The wall paper blends perfectly with the color scheme, with mountains, a stream and trees giving spaciousness and depth to the room. Bright yellow cafe-type curtains, trimmed with emerald green, pretty plaques and planters of ivy add to its attractiveness.

New Equipment Installed

New equipment installed includes a fountain, a three-compartment sink of stainless steel, an automatic Corey coffee maker, a large chrome table, bright yellow napkin holders, new menus and attractive place mats depicting life on the campus.

The kitchen and all the rooms in connection were given a coat of paint and much of the equipment was given a coat of aluminum paint. A new waffle maker is in constant use by the demands of waffle-hungry patrons.

Mrs. Cecil Thompson, Mrs. Carl Lee, Mrs. Emma Coons, Mrs. Walt Ode and Mrs. Madison Urwin again staff the department.

25 Girls Employed

Mrs. Harper, manager of the Coffee Shop, is in her fifth year, and Mrs. Geller, night supervisor, begins her third year. No less than 25 girls work at various hours here. Several have worked for two or more years. The girls do a fine job giving cheerful, courteous and efficient service to the throngs that come and go hourly, besides keeping the place neat and clean.

The kitchen staff constantly endeavors to prepare delicious food. The servings are generous and tastily served.

The student body and faculty are most considerate and the personnel of the Coffee Shop aim to give satisfactory service to all.

(Ed. Note: It is appropriate here that we give Mrs. Harper a big "Thank You" for the interest she has taken in us students. She has many times gone beyond the half-way mark to be of assistance and deserves far more credit than she receives. The cooks and Mrs. Geller also deserve a big hand.)

SPORTS SLANTS

By Smitty

It seems we made an erroneous statement in our last issue as to who the champions would be in the men's department of society softball. There has been a lot of controversy as to the meaning behind those memorable quotes and we would like to clarify the situation by explaining what we really meant. From all indications at the beginning of the season the SLAs looked like they would be the team to beat so can we help it if the other three teams looked at it the same way and proceeded to beat them? At least it was interesting to discover that some people read this column.

* * *

I wonder if any of the spectators at the softball game between the Northwest District Motorcade and the students from that District noticed the student team's lineup. It was interesting to note that six of the starting nine hailed from that twice-named city, Walla Walla.

Judging from the number of spectators and the enthusiasm the game was a good one, but the score, 30 to 11, indicated differently. One of the startling discoveries of the game was the hitting power of L. Wesley Johnson who pinch-hit for the motorcade nine in the sixth. We feel sure if it hadn't been for an un-cooperative pitcher and in change in the wind he would have had a solid double at least, but as it was he went down swinging. The Northwest Preachers took over in the closing innings, promptly threw away the rulebook and proceeded to play their own brand of ball which included four or five outs an inning, five-man outfields and an unusual amount of horse-play.

* * *

Today marks the last day of scheduled softball for the society program and we would like to mention that the interest has been higher so far this year than it has been for quite a while. If we can keep this fire for the remainder of the semester in all of the society activities it would really be an exciting term. Next week the boys start football practice and the girls will sharpen up on their volleyball. As everyone knows the Olys have lost only one game in the last five years and will have the same team on the field this year so we feel safe in saying they will be the favorites when the season starts, but from past experiences we're not predicting the final outcome.

Except for occasional checker

ADP Clari Kinzler Emerges As Batting Leader in Softball

Clari Kinzler, dependable first sacker of the ADPs, emerges as the batting leader in the intramural softball league after two weeks of competition. He has five hits in nine trips to the plate for a .556 average. Right behind him come Len Back and Bud York, each with three for six and a .500 mark. The fourth player hitting above .400 is Myron Finkbeiner with three for seven and a .429 average.

The leader in home runs so far this year is Merv Gale of the ADPs. He has three round-trippers to his credit. Finkbeiner and Wilcox of the Olys each have two, and York and Kinzler of the ADPs also have two apiece.

Team leaders in batting are the Olys with a .319 average. The ADP team is close behind with .314. Back of them are the LSPs with .280 and the SLAs with .212.

Top ten batters given, based on six or more times at bat:

Name	ab	h	Pct.
Kinzler, ADP	9	5	.556
Back, OLY	6	3	.500
York, ADP	6	3	.500
Finkbeiner,	7	3	.429
Wilcox, OLY	8	3	.375
Gale, ADP	12	4	.333
Arnold, OLY	6	2	.333
Thompson, ADP	9	3	.333
Weber, LSP	6	2	.333

SLA Girls Downed By Fighting ADPs

Upsetting the undefeated SLAs, 9-7, in Monday's softball games, the ADP girls came out of their basement position to threaten their opponent's first place. This victory gives the ADP girls a chance for second place, depending upon the results of Wednesday's game, not available at press time.

A forfeit by the Olympians to the LSPs in the second game placed the SLAs and LSPs in a tie for first place.

games in Chapman Hall parlor this just about covers the sports for this issue.

Intramural Softball Results Show ADP Boys in Top Place

The Alpha Delta Phis, exploding for five runs in the third inning, cinched the fall softball championship, knocking off the LSPs, 6-4. No matter what happens in the remaining games, the ADPs have won the first inter-society competition of the year, which means they have taken a long step towards winning the Faculty Loving Cup.

Two doubles in the second inning accounted for the ADPs first run against the LSPs. But the LSPs tied it up in their half of the inning on a double and a single. The eventual winners wrapped it up in the third, though, combining two walks, three successive singles, and a double to pound five runs across the plate and sew up the game. The LSPs staged mild uprisings in the third and fourth, but could not overcome the deficiency.

The LSPs started their young prospect, Marv Taylor, on the mound, and he did well for two innings, but then ADP power asserted itself, and Williamson was called to take over. The ADPs Russ Miller was his same old self, allowing seven hits, but scattering them sufficiently.

In the game preceding this one, the SLAs rose out of their despair to knock off the OLYs, 4-2, and pave the way for the ADPs to win the title. The SLAs Dale Ownby struck out Harold Stickney in the third inning with the bases loaded to end the game.

Mickey Dean's triple was the big blow for the SLAs, coming with two men on the bases. Ownby and Ivester handled the pitching and catching chores for the winners, and Bynum and Finkbeiner were the battery for the OLYs.

Before you flare up at anyone's faults, take time to count ten—ten of your own.

College High School Trojans Remain In Losing Column in Football Record

Horseshoe Tourney Advances To Finals

The majority of first and second round matches in the men's horseshoe tournament have been played and two men have advanced to the quarter-finals. Merv Gale, ADP, beat out Starkey and Russ Miller to gain the eighth round, and Phil Peterson, LSP, blasted Beech, Bellamy and Aller to make it. Those who have gained the third round but haven't played for the quarter-finals are LSPs Gilson, Hoyle and Renchler; SLAs Smith and Kinyon; ADP York and OLY Anderson.

The SLAs have the most participants left in the tournament, with five still in the running for the title. The OLYs, ADPs and LSPs each have four men.

For latest results watch the bulletin board in the Administration building.

Tennis

The men's intramural tennis tournament has advanced to the third round as of Oct. 5. There were still a few matches to be played. Phil Peterson was ahead of the field, having advanced to the quarter-finals. In the third round were Finkbeiner, Stickney, Wilcox and Kirkpatrick, Oly; Weber, Poole and Gilson, LSP; Beers and Boyd, SLA and Gale and Zellner, ADP.

College Team Dumps Visiting Motorcadars

The boys from the Northwest District out-hit and out-ran the visiting motorcade, 30-11, under the lights last Thursday in a game of errors.

The college boys jumped to a 5-3 lead in the first inning and increased the difference every inning. The younger and less experienced motorcade team played good ball but couldn't match the superior hitting of the "students."

Weber clouted three home runs while Cantonwine, Ivester and Gilson picked up one each for the locals.

The College High Trojans continued their losing streak by humbling themselves to the Council eleven on a foreign field last Wednesday. The score, 40-19, sounds more like a basketball tally but that was not the only unusual incident in the game.

CHS Introduces New Defense

College High introduced a new spread defense which will be used from time to time for the remainder of the season.

Most of the opposing TDs were set up by pass interceptions which hurt the Trojan cause considerably.

Bud Wheeler, a shifty halfback, pulled the play of the day when he was chugging into pay-dirt territory and stopped on the one-foot line thinking he was already in the end zone. Bud was one confused boy when a host of Council gridders lowered the boom on him while he stood there waiting for the expected back-slapping of his teammates. All was not lost, for the boys pushed it over on a trick play which consisted of the quarterback receiving the ball from the center with a flick on the britches while the rest of the two teams stood around twiddling their thumbs waiting to get into playing position. The gentleman quarterback politely stepped over the goal line with the ball while the amazed Council team tried to figure the situation out.

Council Retaliates

Not to be outdone, the Council boys pulled one just as slick. With the ball on one side of the field and the Trojans lined up in front of it the Council boys were on the other side looking for the ball when the center spotted it, walked over, picked it up and tossed it across the field to 10 eager boys who escorted the pigskin to the visitors' end zone.

Twenty-Seven Go On Science Field Trip

Twenty-seven members of the Marshall Science club participated in the field trip to Payette Lakes Oct. 3. Before arriving at their destination, the group stopped at Smith's Ferry for a nature hike, where they identified trees and other vegetation. South of Cascade, the members visited the Idaho-Canadian Dredge Company where work is being done in the black sand containing monocyte, from which thorium is obtained for use in atomic energy. A geiger counter was taken along and reactions, indicating radio activity, were taken.

During the afternoon, the group had a picnic lunch on the lake shore after which they visited the state fish hatchery and saw mill.

Preceding a wiener roast and campfire at Lakeview Village, members of the club enjoyed boat rides. They returned to Nampa at 9:30.

Those attending the field trip were Prof. and Mrs. Donald B. Tilton and daughters; Dr. and Mrs. Alvin Aller; Myron Finkbeiner, president; Dave Bauerle, vice president; Steven Wilson, secretary-treasurer; Wayne Aller, program chairman; Ira Taylor, Max Urwin, Ira Edwards, Ronald Johnson, Harvey Farr, Tom Wilson, Albert Burnett, Mickey Dean, Miriam Faul, Margaret Hyslop, Ardith McCann, Norma Dell Smith, Bonnie Coombs, Betty Dalen, Glenna Ball, Doris Holmes and Richard Lindeman.

Previous to the trip, the first monthly meeting was held. Thirty-three persons were present, and two interesting movies were shown.

Art Club Members Conduct First Meet

Highlights of the Sept. 28 meeting of the Beta Chi Alpha, the Art Club, were a solo by Al Nettleton, a chalk drawing and talk by Doris Holmes and Mary McKenzie and an entertainment act by Cliff Taylor. The club's trip to points in Southern Idaho was also discussed.

The following are officers for this school year: president, Connie Mitchell; vice president, Travis Gowan; secretary-treasurer, Betty

Install Doris Holmes As New President Of Home Ec. Club

Yesterday was the deadline for students and faculty pictures which were taken for the 1953-54 Oasis, the college yearbook.

Bonnie McGraw, editor, reports that Walter Brain, photographer from Caldwell, has done an excellent job and received fine cooperation from the students.

Club and organizational pictures will be taken in the near future. The first deadline is to be met by Dec. 1.

Members of this year's Oasis staff are: Bonnie McGraw, editor; Phil Peterson, assistant editor; Jack McEvoy, business manager; Gordy Renschler, assistant business manager; Art Manchester, literary editor; Bertie Graham, make up editor; Ed Arnold, photographer; Carol Swenson, Lois Tracy, Ginny Poplin, Les Hoyle, Lloyd Bellamy, Ginger Phillips, George Ferguson, Vern Ferris, Don Edwards, Clayton Martin, Ginny Volk, Juanita Pate and Joy Tink, staff members.

Oasis Student, Faculty Pictures Completed Thursday

Installation of officers was the main feature at the recent Home Economics club meeting. Last year's president, Lois Tracy, installed the officers for the coming year: Doris Holmes, president; Georgia Williams, vice president; Shirley Becker, secretary; Joyce Evans, treasurer. Included in the installation service were the following chairmen: program, Virginia Phillips; publicity, Alene Moulton; sale, Neva Templeman; refreshments, Elsa Lou Slack and Joan Hamilton.

The showing of the film, "Overdependency" was a highlight of the meeting.

Plans for the year's activities were discussed and refreshments were served.

Bradford and program chairman, Cliff Taylor.

Motorcade Members Give \$1300 in Food; Pay Up \$7000 Budget

Under the leadership of Dr. E. E. Zachary, Northwest district superintendent, Rev. Jerald Johnson, NYPS president and Rev. D. R. Peterman, motorcade director, a large crowd at young people and adults with a "big" check on educational budget, and a store of foodstuffs descended upon the campus Oct. 1-3.

Various activities were planned for the group who brought with them \$7,000, paying up their educational budget, and \$1,300 worth of "dining hall material," including sugar, ham, coffee, butter, canned fruit, two and one-half beef, one ton of flour, juice and pineapple.

This event is an annual affair sponsored by the district. The members consist of high school students interested in attending NNC.

Just think how happy you'd be if you lost everything you have right now—and then found it again.

Joe Michel Named College Choir Prexy

Joe Michel was named president of the Crusader Choir in a recent election held during a choir session. Filling the office of secretary-treasurer is Floradell McKay. Librarian is Don Rosenbaum with Phil Peterson, Paul Freeburg and Winton Miller acting as assistants. The robe committee is comprised of Howard Smith, Leon Doane and Don Edwards.

The riser committee is headed by Norm Stueckle, assisted by Ron Johnson, Al Nettleton, Paul Freeburg and Winton Miller. The office of vice president has not yet been filled.

Mr. James Carkhuff is the director and the choir is hard at work on music from the "Messiah" and other classical selections, along with some hymn arrangements for the

Trojan Talk

College High is off to a good start, with the calendar schedule full for the coming year.

The school had its first party, with the theme, "Break the Ice." An unusual hat was worn by each person in attendance. Both junior high and senior high students were invited.

Cheer leaders elected for this year are Carol Russel, Marilyn Woodbeck, Thelma Alexander.

Betty Brown, the new Pep Club president, along with the other officers, has a full year planned. The club is one of the largest organizations on the campus, boasting 99 members.

tour which has been scheduled during Easter vacation.
