NORTHWEST NAZARENE COLLEGE, NAMPA, IDAHO

Friday, October 23, 1953

College Delegates Return From Educational Meet

Dr. and Mrs. John E. Riley, Mr. and Mrs. L. Wesley Johnson and Dr. Thelma Culver returned last week after attending the fourth educational conference of the Church of the Nazarene on the campus of Bethany Peniel College in Bethany, Oklahoma. Dr. Samuel Young was keynote speaker.

Dr. Riley stated, concerning their stay, "We were entertained royally by the president and staff of Bethany Peniel College. We were taken for a very fine luncheon on the top of one of the local hotels and were taken on tours of the city. The last session was a dinner given by the Department of Education at the Oklahoma City Country Club."

Representatives from all Nazarene colleges were there, including Dr. and Mrs. George Frame from Hurler Nazarene College in Glasgow, Scotland, and President Arnold Airhart, representing Canadian Nazarene College. Presidents, business managers, and deans of all the colleges were present, as well as some of the field representatives of the colleges.

The conference, jointly planned by the Department of Education in the Nazarene Church and the respective colleges, included general sessions and work shops. In the session of the deans, Dr. Culver presented a paper on "Curriculum Expansion." When meeting with the business managers, Mr. Johnson presented a paper on "Securing Wills, Annuities and Special Gifts," Dr. Riley was a consultant on "Relationships With the Alumni," in the presidents' meeting.

Circle "K" Receives Six New Members

Len Back, Joe Michel, Gordon Renschler, Paul Anderson, Les Hoyle and Roger Wilcox are the six newly elected members of the Circle "K" club. Presiding officers are Norman Stueckle, president; Sam Scammon, secretary and Wendell Poole, treasurer.

Circle K, the service club to NNC, is well under way for the new year. Discussion has been held among the members for new projects for the campus. Again this year the club members are serving as ushers in College Church and as campus guides when special tours are conducted.

Marvin "Butch" Bloomquist Becomes New Director of College Church Vocal Music

Marvin "Butch" Bloomquist, a person who needs no introduction around NNC, has accepted the responsibility as director of College Church choir.

A well-known baritone soloist, Mr. Bloomquist has received his AB in music and is now completing requirements for his Bachelor of Music degree with a major in voice.

Throughout his college years, Butch has been very active in all phases of music.

He has had previous experience at directing church choirs and he will supervise the vocal music of the church in both the smaller and larger groups.

Resting after the strenuous task of digging shrubbery, are, left to right: Stueckle, Grenier, Starkey, Lais, Prosis, Mrs. John E. Riley and Ivester. These, along with several other students, helped to move shrubbery, which was given to the school, from the nursery to the campus.

Scriblerus Members To Study G. Shaw At October 26 Meet

Scriblerus, the College English Club, has chosen George Bernard Shaw as its study project for this year. At the first regular club meeting, Monday, Oct. 26, the life of the noted English playwright will be presented. Subsequent topics of study will be a choice selection of his plays.

Miss Marian Washburn, enthusiastic sponsor of the club, says: "Scriblerus Club provides an opportunity to become acquainted with worthwhile literature in an informal atmosphere—sugar coated—if you please!"

Her words are reflected in the attitudes of the club's officers. Lyndol Pullen, president, is quoted as saying, "Good literature is a communication of the esthetic spirit and a noble means of expressing the emotions. Every student desiring a better understanding of humanity should acquaint himself with a portion of works from the heritage of English and foreign letters."

Scriblerus cordially welcomes English majors, interested students, and faculty members to attend the club meetings for an informative and pleasant study of Shaw.

Other officers of Scriblerus include Arthur Manchester, vice president, and Susan Wentworth, social chairman.

NNC Men Cooperate in Digging Free Shrubbery for College Campus

Mrs. John E. Riley, the "green thumb of NNC," reports wonderful cooperation from the fellas in the digging of shrubbery which was given the school last week.

Several hundred dollars worth of dogwood, lilac, hawthorne, barberry, spiria, high bush cranberry, syringa and butterfly bush was removed and hauled to the campus.

The college was fortunate in receiving all the shrubbery they could remove from a nursery which has changed owners and is going to be made into a ranch.

Ivester, Grenier Head Campaign

Dick Ivester headed the campaign for three days. Dick, Lyle Starkey and Jim Lais started the work and continued for three days. Richard Grenier finished the four-day excursion by working the last two days. Among the hard working men were Ray Durban, Ed Arnold, Gene Clark, Howard Arnold, Harvey Farr, Bruce Larson, Norm Stueckle, Ron Prosis and others.

The hard work of digging is over, but much more help is needed in transplanting these beautiful trees and shrubs. Everyone who is interested in beautifying the campus should come out to help.

The Chapman boys are asked to plant the patio in the "L" of the building, with shrubs and bushes.

Vetville Will Have Shade

The fellas of Vetville who would like to see Vetville become a shady place, should help plant Umbrella and Weeping Willows.

Red Sumac has been picked for College High to match their school colors. The help of College High is enlisted for this job.

The last tree to be dug out was a 400-lb. Mungo Pine for the president's home. This is Dr. Riley's favorite tree.

We wish to thank Mrs. Riley for having so great an interest in beautifying the campus.

A Glance With Les At World Events

By Les Chambers

A unique and disgusting plight of some 22,659 war prisoners is in existence today. At Panmunjom, Korea, 22,300 former Red Chinese and North Korean soldiers, who have renounced communism, and 359 former Allied soldiers, who have refused repatriation.

The Neutral Nations Repatriation Commission (NNRC), under the chairmanship of India, is the neutral body which will direct the indoctrination of the prisoners by both the United Nations Command and the Communist Command in an attempt to woo them back to their former alleged countries.

The deadline of this indoctrination has been set at Dec. 24. Although the Allies are presumably in no hurry to start with the 359 U.N. soldiers who refuse repatriation, the communists plan to interview 1000 soldiers a day, which means that they could conceivably get three or even four cracks at each man before explanations end Dec. 24.

The one great difficulty seems to

be the refusal of the former Red troops to attend the Communist explanations.

Thus the battle for freedom still rages against the totalitarianism of communism. May we as Americans continue to fight and if need be die for our freedom of speech, press and religion; and may be as students never treat our freedom frivolously, for it, like Christianity, was bought with the price of blood and sacrifice.

Halloween Party To Be Held Oct. 31

"An' the goblins will get you effen you don't watch out!"

"More spooks and goblins than you can shake a black cat's tail at" are expected to be found at the annual Halloween party on Oct. 31 in the college gymnasium.

However, too much can't be let out of the bag, according to Dick Ivester and Norm Stueckle, ASB president and vice president, respectively.

Entertainment will consist of skits, Halloween "devices", faculty participation and a movie.

Four main skits will be given in which participating students are Harvey Farr, Bruce Larson, Sam Scammon, Howard Smith, Gordon Renschler, Lyle Starkey and Ray Cooke.

Refreshments will be served at the close of the evening under the direction of Lois Tracy.

Yell Leader Tryouts Will Be Held Nov. 28

Tryouts for cheerleader will be held between intramural basketball games at the annual jamboree, November 28.

Dick Ivester encourages everyone interested in being cheerleaders to drop a note into the student body box as soon as possible so that the names can be placed on the ballot.

Ballots will be cast by the student body members during the last game and the finals will be announced at the end of the evening.

The election will be for individuals but team tryouts are permissible.

A new feature of encouragement is the submission of two new yells, complete with the actions, by each initiate of the "N" club. A list of the best yells and the school song will be printed for all the student body members.

Each cheerleader will also have the backing of two "N" club pledges.

Attention Girls!

Twerp Week is approaching so you females had better start saving your pennies. Remember—the treats are all on you!

Society Members Gather In Closed Sessions Tonight

Tonight will find the four society groups on the campus meeting in their closed night sessions.

Meeting in the dining hall will be the SLAs. Program chairman Clarice Harmon is in charge of the entertainment. Stan Kern heads the game committee, and Carol Witt will be in charge of the refreshments.

The LSPs will gather in the gym, with committee chairman Gale Maxey in charge of entertainment for the evening. The Olys, under the direction of Norman Crofford and Don Edwards, will meet in the chapel.

The speech hall will be the meeting place of the ADPs. Program chairman Gladys Fred, assisted by Les Martin, has charge of the evening's entertainment. Advertising is headed by Betty Bradford. Refreshments will be served under the direction of Lydia Angier.

M. BLOOMQUIST

STUDENT SPEAKS . . .

By Norman Stueckle
 "Aw, I can't do it, why don't you get Joe? He is really good at that."
 Why is it that at NNC this same thought is repeated many times daily? It seems as though when there is a particular job to be done, almost every student on campus is busy, but upon closer examination it is to be observed that all this sudden activity is activity doing nothing. In other words, plain laziness and indifference.

In coming to college with this type of an attitude is, in measure, the same as asking Jackie Robinson to go to bat with a count of two strikes and no balls.

In this particular frame of mind the individual not only makes no progress in his personal life but also is setting up patterns and habits which will seriously affect his future potentialities and possibilities. It is a shame that individuals who might be top flight students scholastically and socially are near ground level because of a lack of personal ambition and drive toward higher ground.

Don't Practice Selfishness
 After leaving the former named group another type is seen about the campus—those who practice personal selfishness. Attempting a project which requires labor to be donated is almost impossible. It

isn't because individuals are not capable, for at NNC there is more talent per student than can be found in almost any other social, educational and religious group.

It seems strange that a person professing full salvation can be so completely unconcerned. For this person to do nothing in social or religious realms seems to show an air of inconsistency. Disregard for our duties to mankind is a paradoxical situation difficult to fathom.

Some students are inclined to be rather timid about the use of talents. Not that they are indifferent, lazy, or selfish, but they do not have the necessary self-confidence to perform tasks they are called upon to perform.

To this it may be said that mental discipline is the theoretical method of escape from stage fright and bashfulness. Practice in public speaking and action is the practical method of overcoming this handicap.

If all the members of the student body would strive for consistent living in profession of faith and in action, great things could be accomplished for the kingdom of God. NNC is and will become exactly what the student body makes her. Let each take upon himself the responsibility to make her what she ought to be.

Revival Effort Closes Sunday Night; Two Hundred Sixteen Seekers Get Help

By Rev. E. Stowe
 Two hundred sixteen seekers at the altar of prayer—unusually fine attendance at all the services—great evangelistic singing—scores of intercessors crowding the front of the church during "Prayer Week" and at the 6:30 a. m. hour—all this is the triumphant report of the NNC-College Church Fall Revival of 1953.

President Riley reports that the entire College High student body with one exception either had spiritual victory when the revival began or found it before the services ended. Who can soon forget the sight of almost the entire football squad seeking help on Friday morn-

ing? Small wonder that smashing victory on the gridiron that night!

The human leadership of our evangelist, Dr. G. B. Williamson, and our song evangelist, Robert Condon, who filled in for Earle Anderson, was exceptional. Dr. Williamson's clear, sane, Scriptural presentation of the Gospel of full salvation and his impassioned, yet reasonable, altar calls were equally effective with both student and adult. "Bob" Condon's pleasing personality, dynamic choir work, and annointed solos added fine savour to the campaign. The universal opinion seems to be that these workers were just "the tops."

Frosh Bring Home "Bacon" in Flag Hunt

In the annual Freshman-Sophomore flag hunt Oct. 9, the freshmen brought home the "bacon" shortly after the deadline of 1:00 a. m.

The winning group found the sophomore flag on a billboard.

The sophs had a harder time locating the freshman treasure which was located in a drain ditch, two feet under!

Winner in the Junior-Senior scavenger hunt, also held the same evening, was the group captained by Richard Powers. Sixteen of the 18 articles were found.

Among those articles on the list were a live jackrabbit, 1948 deer tag, 1943 Idaho car license, 1950 Rose Bowl ticket stub, Nampa "50 Years" straw hat, and a valid death certificate issued to the team captain.

Refreshments were served by the Juniors.

Poetry Competition Open for Students

The National Poetry association recently announced the tenth annual competition of college students' poetry.

Closing date for submission of manuscripts by all college students is November 5.

Any student attending college is eligible to submit his verse. No limitations are set as to form or theme. However, shorter works are preferred by the board of judges because of space limitations. Each poem must be typed or printed on a separate sheet and must bear the name and home address of the student, as well as the name of the college attended.

In 1952, some 20,000 manuscripts were received in the college competition, from practically every college in the country.

No fees will be charged for either acceptance or submission of verse. All work will be judged on merit alone.

Manuscripts should be sent to the offices of the association. The address is National Poetry Association, 3210 Selby Ave., Los Angeles 34, California.

DEAR Phil . . .

Recently I received this letter from a fellow who has had trouble (and most of them do) with his girl, Nan. The letter states:

Dear Phil:
 Last summer I made the terrible mistake of taking my girl, Nan, to Egypt. She told me she wasn't satisfied with the American way of life, and she wanted to get away from it all, so I saved all my parents' money and took her to Egypt. I thought looking at the tombs would refresh her, but now I realize that the whole idea Sphinxed. She wants to go to Rome next, and my parents are broke. What shall I do?
 Desperate,
 Vic Trola.

Dear Vic:
 In all my years of study I have never run into such a case. I must admit your girl takes your parents' money too lightly, and probably you, also. I would suggest your leaving her for someone who has rich parents.

Yours trumply,
 Phil Osopher.

* * *

Many girls have come to me and have asked me how to get a boyfriend. They cry on my shoulders

and soak my shoulder pads thoroughly. After they get through with their routine I describe to them my method of capturing a man. I shall now set down some rules for you desperate females to follow. (Don't try to use them on me, girls, because I am already married.)

Rules to follow:

1. Plastic surgery, (for most cases).
2. Own a Cadillac.
3. Play up your good points.
4. Own a Cadillac.
5. Be a blonde.
6. Own a Cadillac.

(Steps 3 and 5 may be omitted if the Cadillac is a baby blue convertible.)

College High School Trojans Taste Victory

LSP Girls Take Championship In First Semester Intramural Softball

This semester's girls softball was won by the LSPs with a record of five wins, one loss.

The ADPs came in second with 3-3 for their season tally. The SLAs dropped from an early season first place to tie with the OLYs for third position. The final standings for the semester are as follows:

	Wins	Losses
LSP	5	1
ADP	3	3
SLA	2	4
OLY	2	4

All-Star Softball Team Is Selected

Catcher Myron Finkbeiner, OLY
Pitcher Russ Miller, ADP
First Clari Kinzler, ADP
Second Paul Wright, ADP
Third Merv Gale, ADP
S. Stop..... Skip Wilcox, OLY
R. Field Harold Weber, LSP
C. Field Bernard York, ADP
L. Field Wally Johnson, ADP

"It was tough." That is about all you can say about trying to pick an all-star team for the fall softball series. Some of the difficulties were: the best didn't play all the time, some played a different position in about every game, and so on. So you can see some of the trials brought upon the sportswriters and sportscasters of NNC. Many irregularities occur, such as some of the picks seldom play the positions for which they were selected. These things call for explanation.

First, an all-star player should be a good hitter, and a consistent fielder. In some positions there were no standouts, so there had to be substitutions. For the second point, there is a good explanation, too. It is an accepted theory that the best team has the most players on the all-star team, and this team is no exception.

There will probably be consider-

ADP, LSP Girls Lead in Volleyball

Last year's volleyball champs took the lead again Monday with a 56-52 victory over the SLAs. The ADPs have most of last year's players back this semester and have the advantage of height and experience.

In the first game the LSPs won a 42-30 victory over the OLYs. These two teams were evenly matched but the winning team took a spurt at the last to gain the win. The ADPs also led in participation with 18 girls at the game.

Ladies Golf

Placing first and fourth, the ADPs took the women's golf tournament Oct. 10 at the Broadmore course. Betty Gatherer captured the first place with a score of 62, followed closely by LSP Sharon Finkbeiner who had a score of 65.

Ardis Manley, also an LSP, came in third with a one-point lead over ADP Lois Tracy. This tied the actual game points but the ADPs had one more person participating so have the small lead with one extra participation point.

Final Standings In Boys Softball Race

Team	Won	Loss	%
ADP	6	0	1000
OLY	3	3	500
LSP	2	4	333
SLA	1	5	167

able discussion of the selections, but in the end, you will probably choose just about the same as the experts have.

Character is made by what you stand for; reputation by what you fall for.

Any fool can criticize, condemn and complain, and most of them do.

SPORTS... SLANTS

By Smitty

One nice thing about this type of writing is knowing that no prof is going to put a grade in his little brown book after stumbling thru these dangling phrases, grammatical errors, split infinitives, whatever that is, and etc. In this type of article you should just read what's going on and not worry about Longfellow, Holmes, Shakespeare, and some of those fine fellows kicking the lid off their caskets over this column.

* * *

Varsity basketball is now under way and going strong. If you've noticed that big smile on Monty's mug lately it might be that this is one of those rare years where a coach has to pick a team of about 12 from a roster of about 20 good varsity prospects. That's what a person would call a "coach's dream" but could develop into a nightmare without too much trouble.

* * *

Well, intramural football got off with a bang, not to mention a cut eye which required four stitches, and a broken finger. In the first play of the LSP-Oly game, big and rugged Gordy Renschler accidentally got in a play and picked up a split eyelid. That's one nice thing about playing in Kurtz park. It's so conveniently close to Samaritan hospital. Later in the fourth quarter Mel Palmquist made the trip across the street with a broken finger. Luckily it wasn't his trigger finger but I doubt if the ducks and pheasants like it too well. Hal Weber just dropped in the office nursing a "charlie horse" which he received in the same game. This brought up the question of why our athletic department doesn't have a whirl bath and the answer was simple—no money. We were checking in a catalog yesterday and found they cost about \$400 and that's not the price of a hamburger and a milk shake. With all the sprains, bruises, shin splints and etc. that our boys will accumulate this year we feel it's a worthwhile project and have decided to do something about it.

Butchartmen Continue Victory Series With A 44-19 Decision Over St. Teresa

The College High Trojans breezed to a 44-19 slaughter over the St. Teresa eleven in a night game played at Bronco stadium in Boise. It was Homecoming for the Boise school but our boys jerked the welcome mat out from under their feet.

Ray Ax was the big gun for the locals, scoring 37 points, while Andy Forsburg picked up a touchdown and Phil Younger kicked a conversion to make up the 44 points. Babe Anduiza packed the mail for the home team in the third and fourth stanzas.

The lopsided victory more than avenged a 7-6 defeat at the hands

of St. Teresa last month at Bulldog Bowl.

This win makes the season's standings two wins and three losses. The other win came at the expense of Greenleaf on the Greenleaf turf.

A few of the outstanding defensive players were Roger Hitchcock, Nichols and Doane. Turner was a constant ground gainer for the Trojans, as well as Ax.

College High's next game is with Greenleaf here at Bulldog Bowl. This will be played under the lights and occurs during Twerp week so a large crowd is expected to be on hand.

Tennis Champ

Noreen De Jong, ADP, left, won a 6-3 and 6-0 victory over Faye Clark, SLA, right, capturing the first place title in this semester's women's tennis singles. Second place goes to Faye Clark. Third and fourth places, undetermined at press time, will be battled between the winner of the Tracy-Schultz match and Neva Templeman.

TROJAN TALK

By College High "B's"

College High won its first football game Oct. 9 against Greenleaf. The final score, 18-0, was accounted for by the improved playing of all. Roger Hitchcock, a senior, played a very impressive game with his outstanding tackling.

A game played last Friday night against St. Teresa again spelled victory for the CHS Trojans. The score was 44-19. Excellent playing was done by Raymond Ax who scored 37 points with the expert passing of Ron Turner and Donald Doane. As usual, Roger Hitchcock and Willis Nichols played a very strong defensive game. Despite an injury early in the game, Phillip Younger, a senior, stayed on to help his team-mates to win.

The senior class had a party Oct. 10 in the Administration building. A film, "I'd Climb the Highest Mountain," was shown for entertainment. After the seniors had seen the film they invited the student body to see it.

High School Editor Named

Anna Mae Bauerle, a junior from Nampa, was elected the editor of the high school paper, Trojan Echoes. An outstanding student, she has already made her plans. This will be the first time in two years the school paper will be published. Elected to the staff are Nadine Seward and Sidney Lewis, who will have charge of the various columns.

Pep Club Has Initiation

Pep Club initiation was Oct. 6. All the new members cooperated in the fun. A softball game and wiener roast was held in Kurtz Park that evening.

College High choir sang in the Friday chapel service of the revival. The choir this year will be very active in many of the programs scheduled later on in the season.

Students Take Outings

Many students have been going up to Jump Creek and Silver City lately. Lots of fun was had, so it seems, with some students contacting poison oak.

Freshmen and Sophomores' Flag Hunt is scheduled for Oct. 30. We hope the best class wins.

Gary Finkbeiner, junior class president, is busy making plans for a masquerade party.

The juniors are going to be very busy this year planning for the junior-senior banquet, where they will have to give 40 seniors a feed.

So College High, as you can see, is very busy with all organizations going strong and classes planning various activities.

New and old students alike agree that College High School, with a well-rounded curriculum, is one of the best schools to be found. College high school not only has a high educational standard but also gives its students ample opportunity to do active Christian work. The majority of CHS students are Christians and they are looking forward to one of the best years in the history of the high school.

Radio Station Adds Programs

Radio station KROK has added several new programs to its weekly schedule, according to Station Manager Marvin Emerick.

A new feature on Monday evenings at 8:15 will be George Ferguson's Sacred Quartette program. Thursday evenings will present two more programs, one at 7:30 and one at 8:45. The first will be a program of top sacred requests conducted by Jim Ridgeway and the second starring Jennie Ray in "Through the Keyhole."

Soon to appear on KROK is the half-hour CHS Speech club program with Mrs. E. R. Tame directing.

Continues RCA Contract

KROK is continuing in its schedule a contract with RCA Victor by producing "Music By the Masters," a full hour of classical music, each week night at 9:00.

A recent edition to KROK's classical library is the entire production of Shakespeare's MacBeth. This is to be presented as a special feature in the near future.

Included among the original programs is the continuation of last year's George and Ray show (radio's most boring 15 minutes).

Staff Members Named

Members chosen to work on the KROK staff are: assistant manager, Marvin Brunson; business manager, Richard Grenier; assistant business manager, Paul Wright; chief announcer, Morris Weigelt; program director, Raymond Cooke; special events, Ron Beech; advertising manager, Ed Manley; art director, Alda Sandquist.

Other members working with the staff are Jennie Ray, campus news reporter, and Cliff Taylor, classical music director.

Clubs and other campus organizations are encouraged to organize original programs for broadcasting on KROK.

Business Club Sponsors, Officers Introduced At Meet

Club sponsors, Mrs. Rose Voget and Mr. Hays Johnson, and club officers, Jack McEvoy, president; Russ Miller, vice president; Della Mae Reed, program chairman, and Sam Scammon, secretary-treasurer, were introduced to new members at a recent organizational meeting of the Business Club.

An executive council meeting was also held at the home of Rose Voget where programs were planned for the coming year. An interesting schedule of events is in the making and all students interested in the field of business are urged to join and participate in the club activities.

Success depends upon your backbone, not your wishbone.

Music Club Holds Election of Officers

Elections of the Music Club officers were held last Wednesday at the first meeting this year. Phil Peterson heads the club as president, while Don Edwards will fill the position of vice president. Secretary-treasurer is Floradell McKay. Committee chairmen are: program—Lydia Angier; membership—Darlene Gentry; social—Jennie Ray; stage management—Paul McNutt; publicity—Joy Tink; yearbook—Ginny Poplin.

The club will be sponsoring its first recital Oct. 21 at 4:00 p. m. in the chapel. These recitals consist of solos by the students in the vocal and instrumental departments. Another recital is scheduled for the following week on Oct. 28. Music majors and members of the club are expected to be present. All students are invited to attend.
