Vol. XIII — No. 4

NORTHWEST NAZARENE COLLEGE, NAMPA, IDAHO

Friday, November 20, 1953

Ivester, Tracy, Keen, Weber, Lais, Stueckle, Bryson Receive "Who's Who" Recognition

LSPs Capture Closed Night

The LSPs, with 64.4 per cent of their total society, have laid claim to the first place in the closed night contest, edging out the ADPs who took last year's title.

Second place went to the ADPs and third and fourth to the OLYs and SLAs respectively.

From the 135 possible, the LSPs had 87; the ADPs 70 of 128; the OLYs, 67 of 126 and the SLAs, 61 of 126.

C of I Professor Will Be Speaker At Thanksgiving Dinner

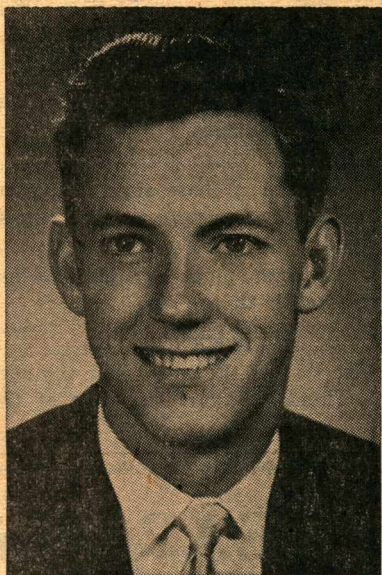

Dr. Robert Maybury, professor of chemistry at the College of Idaho, will be the guest speaker of the annual Thanksgiving dinner, according to Beverly Lais, president of the Associated Women Students. Dr. Maybury is a graduate of Eastern Nazarene College.

The formal Thanksgiving dinner, which is sponsored by the Associated Women Students, will be served at 4:00 p. m. November 26th in the dining hall. The council decided not to reveal the theme.

Decorations are under the direction of Connie Mitchell, Kathleen Nordmo, Ginger Phillips, Berdena Oldenkamp and Sam Scammon.

Programs and place cards will be prepared by Ardis Manley, Betty Bradford, Doris Holmes and Ginie Volk.

Georgia Williams is in charge of the seating arrangement.

Proposed Ice Arena Receives Support From Student Body, Faculty Members

The proposed ice arena, which will be located between the speech and music halls, is receiving enthusiastic support from the student body and the administration.

This proposed playland will serve as an ice arena in winter and in summer will facilitate two tennis courts, shuffleboard, volleyball, basketball and badminton.

Picnic Area Planned

Plans are also under way to make a picnic area around the horseshoe pits just west of the area.

This entire project will be sponsored by the students, under the supervision of the Circle "K" club, the organizer, and the student council.

Students will participate in a work day tomorrow and all wages will be donated to the project. The total of this work day will go toward the \$635 cost of curbing.

The purpose of this playland is to spirit public relations and alleviate some of the load from the gym.

Donations will be asked from merchants; approximate cost will be \$635, curbing, \$2,600, slab, and \$1700, tennis screens.

Committees Named

Committees named by the student council include: securing of jobs, LaMont Lee; general promotion, Dick Ivester, Roger Weber, Norman Stueckle, and Lois Tracy;

campus advertising, Connie Mitchell; publicity, Ron Kirkpatrick; planning and construction, Circle K, and faculty representative, E. R. Tame.

AWS Pajama Party Has Indian Theme

Associated women students met in the dining hall for a pow-wow Friday evening, celebrating the annual pajama party in Indian style.

The group at Camp Minnie-Haw-Haw was divided into four divisions. Each of these selected a name for themselves and a squaw and a chief for their wigwam.

Awards were given for the most unique, the loudest and the prettiest pajamas and were received respectively by Margaret Hyslop, Phyllis Condon and Evelyn Sharp.

Kampus Kronicle

- Nov. 20—Varsity-Alumni basketball game.
- Nov. 22—Faculty Mission ends.
- Nov. 25—Music recital at 4:00.
- Nov. 26—Thanksgiving recess.
- Nov. 26-27—LSP-Oly play.
- Nov. 26—Turkey Bowl.
- Nov. 28—Jamboree.
- Nov. 30—Varsity at Mountain Home.
- Dec. 3-4—ADP-SLA play.
- Dec. 9—College band in chapel.

1953 Oasis Receives Second Class Rating

The rating on the 1953 annual was recently revealed by last year's editor, Joe Keen.

According to Keen, six divisions of honor ratings were given—All-American, first, second, third, fourth, and no rating.

The 1953 Oasis was among the few yearbooks to be placed in second class.

NNC students can be proud of this recognition of their yearbook, which was due to the hard work of Keen and his staff.

This year's editor, Bonnie McGraw, reports that planning is well under way for a bigger Oasis.

Open House

All student and faculty members are invited to an open house which will be held Sunday afternoon at the Geller trailer in Vetville.

Intramural Speech Contest Is Slated For December 7-8

December 7-8 are the dates set for the annual intramural speech contest.

The preliminary event will be held in the College Speech Hall from three to five o'clock both afternoons. A maximum of eight minutes will be limited to each participant.

Judging of the Shakespearean dialogue and poetry divisions will be held Monday afternoon and humorous and dramatic reading divisions on Tuesday.

All finalists must have selections memorized. The tentative dates for the final judging are Dec. 14-15 during the chapel periods.

A committee composed of the society debate chairmen, Vaneta Marks, Oly; Melvin Palmquist, LSP; Lyle Starkey, SLA; and Norman DeJong, ADP, is in charge of securing judges for the event.

Medals will be given first place winners. Points will be awarded according to those set up in the constitution.

Seven Chosen From List of 14 Nominees

Seven seniors have been selected by members of the student body to represent NNC in Who's Who in American Colleges and Universities. They were chosen from a list of 14 nominees during a recent election.

Scholarship, leadership, character and service were the essentials taken into consideration by the voters.

ASB Prexy Named

Majoring in Speech, this year's student body president from Walla Walla, Dick Ivester, was one to receive the honor. Besides his present position, Dick has served as president, treasurer and vice president of the SLA society; member of Zeta Kappa Rho; sophomore class president and junior student council representative. He has also been a CRUSADER staff member; treasurer of the Athletic Literary Council; a member of Circle "K" for three years and a four year member of the college varsity baseball team.

Lois Tracy, ASB secretary, comes from LaGrande, Ore. She has also served as program chairman and athletic director of the ADPs; vice president, secretary-treasurer and program chairman of Gamma Nu Gamma; president of the Home Ec club; a member of the Morrison dorm council and a staff member of both the CRUSADER and OASIS.

Former Editor Chosen

Editor of the 1953 Oasis, Joe Keen of Port Angeles, Wash., was also chosen for the honor. He has served as treasurer of both the ADP society and of the Athletic Literary Council; president of FTA and a member of Scriblerus. At the present time he is filling the position of assistant registrar.

Roger Weber, a business major from Walla Walla, is the present student body treasurer. He has been a member of the CRUSADER staff, business Club and Circle K. He has also served as sophomore class vice president; LSP treasurer; junior class treasurer and dorm council president.

AWS President Honored

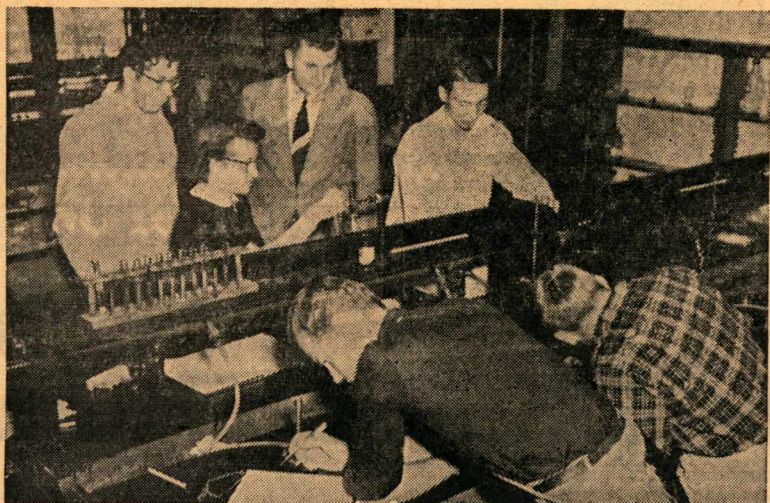

A music major from St. Paul, Beverly Lais, has been active in her field. During the summer of 1952 she traveled for the school in a girls' trio. This year she has taken on the responsibility of president of the Associated Women Students. She was also LSP program chairman and secretary; secretary of the Athletic Literary Council and a member of the CRUSADER staff, CWB, FTA, Music Club, Crusader choir and Philharmonie.

Stueckle Selected

Vice president of the student body, Norman Stueckle, was also selected as one of the seven. He has been very active in school affairs, serving as junior class president; vice president and treasurer of the LSPs, treasurer of the Athletic Literary Council; vice president and president of Circle K and a member of the Alpha Phi Lambda.

Junior class vice president; treasurer of the Men's Club, a member

(Continued on page 3)

Dr. Gilbert Ford, center, helps students with experiments in the newly remodeled chem lab.

Chemistry, Physics Labs Receive New Remodeling Jobs During the Summer

Lab sessions, previously held in the morning, now held in the afternoon, constitutes one of the changes made possible by the remodeling of the chemistry lab to house all lab sessions.

Each lab section has its own meeting place, in contrast to former years when all classes met in the same room. The chem lab has been divided into different sections, one for the advanced classes and the other for general labs.

Additional cabinets plus remodeling of the old is another new feature.

Another asset is the addition of the new hot water tank which adds to the efficiency and modernness of the lab.

Physics Lab Re-done

The physics lab has been moved from room four in the basement, and is now indirectly connected to the chem lab. This too, is divided into two sections, one for advanced classes and the other for general. New cabinets and drawers provide plenteous storage space for experimental equipment. The individual

College Church Box Chairman Grateful

Last spring we had a dormitory clothing drive. Our boxes were tagged, "Please donate your unwanted but usable clothing to College Church relief work." Some of the results were surprising, even to me.

Most of the things were very usable, but dirty socks and wet towels were not so good, especially when piled in a heap with other clothing in a phone closet. You see, packing boxes were in demand for the trip home, and some fellows found it easier to empty ours than to go to the store for boxes of their own. Luckily I sorted those things at once!

I was surprised at the beautiful, conservative ties some of you boys donated. Not one loud, flashy one experiment materials are kept in each drawer, which makes it much easier for the students to carry on

their experiments.

Among other improvements, the storage room has been enlarged and has a new partition on one side and additional shelves. The chem lab has new, modern sinks and drainboards.

Balance Room Added

Also new is the balance room located directly behind the post office. All the intricate mechanisms for balancing are kept here. The table on which they are kept is constructed of cement and a porous material making it absolutely resistant to all vibrations. The room is a welcome addition.

Cheer Candidates To Perform Tonight

Candidates for cheer leaders of the Crusader basketball squad will give practice yells in the first varsity game of the season tonight in the College gymnasium.

Among those turning out for the position which will be determined by an election Nov. 23, are Clarice Harmon, Sam Scammon and Al Solts; Lois Cramer, Sally Cole, Bruce Larsen and Harvey Farr; and Lydia Angier, Marlene Graves, Ron Prosis and Joe Michel.

in the lot! I've wondered what your parents thought when the new Christmas tie failed to return from college, and how you explained it to them. It's a little difficult to classify neckties as relief clothing—or is it?

Then there was the one pretty brown pump that still waits on my storeroom shelf for its owner or mate. I'm sure that one shoe got in by mistake, and if she is in school this year, I hope the owner will call for it. Even Cinderella needed two slippers.

Really our clothing drive was a grand success, and the articles given will be a big help to people who need them this winter. You were very generous. Many thanks! We expect to be back to see you again this coming spring.

Engagements And Marriages

Mr. and Mrs. H. H. Clark, Portland, recently announced the engagement of their daughter, Faye, to Ron Prosis, son of Mr. and Mrs. Charles Prosis of Klamath Falls, Ore. An early June wedding is planned.

* * *

Mr. and Mrs. A. J. Koolhof of Winters, Calif., announce the betrothal of their daughter, Miss Gladys Fred, to Wendell Leon Poole, son of Mr. and Mrs. Alfred Poole of Nampa. No definite date has been set.

* * *

Word was recently received of the engagement of Miss Cassel Mosteller, daughter of Mrs. Earl Mosteller of Canning, S. D., to Gene Youngberg of Pierre, S. Dak.

* * *

Mr. and Mrs. Roy Russell of Glasgow, Mont., announce the engagement and approaching marriage of their daughter Betty to Gene Stall, son of Mrs. Hazel Stall of Billings, Mont. A summer wedding is planned.

* * *

Miss Myna Wood, daughter of Frank Wood of West Linn, Ore. exchanged vows with Irvin Daniels, son of Mr. and Mrs. F. D. Daniels of Seneca, Ore., Nov. 14, in Oregon City.

* * *

Mrs. Alice Batke of Tillamook, Ore., has announced the marriage of her daughter, Dixie, to Bud Schaapman, son of Mrs. Winnie Schaapman of Modesto, Calif. Vows were exchanged in the Tillamook Nazarene Church. The couple are residing at Tillamook.

Mrs. E. J. Harper Wins Slogan Contest

"Rose Royal, the taste-tempting sherbet," won for Mrs. E. J. Harper, Coffee Shop manager, the first prize of \$5 in the Rose Royal slogan contest sponsored by Mr. and Mrs. Paul Corlett.

When asked what she will do with the money, she stated, "Donate it to the Herbert Geller memorial."

EDITORIAL

Great Men Are Grateful Men

To have a childish attitude of gratefulness for life's benefits is good; to achieve the gratitude of maturity is better. The child utters his "thank you" through a sense of propriety and parental teaching.

The grateful adult utters his reverent "thank God" with the vigor and insight of experience.

The true spirit of thanksgiving comes to him who has met the struggles and issues of life with a growing realization that . . .

In weakness there is strength.

In opposition there is caution.

In defeat there is victory.

In denial there is discipline.

In death there is life.

Because of these observations he rejoices and worships a God who is good.

An anonymous writer has expressed it thus:

THANKSGIVING

The roar of the world is in my ears
Thank God for the roar of the world!

DR. THELMA CULVER

Thank God for the mighty tide of fears

Against me always hurled!

Thank God for the bitter and ceaseless strife,

And the sting of the chastening rod!

Thank God for the stress and pain of life,

And oh, thank God for God!

DEAR Phil . . .

I received a special delivery, air mail, parcel post, C. O. D. letter from the postman today. The letter in brief:

" . . . While walking down the streets of Nampa last Saturday, I ran into a pile of flesh, sitting at the curb, weeping bitter tears, which were forming a puddle at her feet. For fear she would catch Phenomena, from soaking her tootsies in tear water, I picked her up gently in my arms, and with as soothing tones as possible that can be produced from a throat of one suffering from halitosis, I asked her what was the matter. She looked at me through blood-shot eyeballs (which made me want to ask her to close her eyelids for fear she would bleed to death) and with a voice coming from her throat said, 'I haven't a date for the Thanksgiving banquet given at the college. How can I get one?'

"Not knowing how to deal with women I pass the problem on to you. Please answer this letter soon

as she is getting heavy and I can't hold her much longer.

Aching Arm Sockets."

Dear A. A. Sockets:

Realizing that perhaps many of the members of the fair sex are confronted with the same problem that you are loaded down with, I have chosen myself as a committee of one to get fellow men on the ball.

To be frank, girls, the reasons that they aren't the hustlers that you want them to be is because you appear too anxious. You should be contented with the girls, don't be too much taken up with that idea, because it might rub off onto the boys and they will be more contented with their buddies than they are now.

Second point is to be neat in everything you do.

Even if you aren't asked out for the banquet, don't feel left out because it is not necessarily a date dinner and corsages aren't required.

Yours never,
Phil Osopher.

Curtain Goes Up Thursday On LSP-Oly Play

"The Enemy," which will be dramatized Dec. 3-4 by members of the ADP and SLA societies, will consist of the above cast members, left to right: Gladys Fred, ADP program chairman; Russ Miller, Lloyd Bellamy, A. J. Kellogg, Betty Brown, Ed Arnold, Carol Russell, Bruce Larson, Merritt McKay, Clarice Harmon, SLA program chairman, and Florence Cook. Howard Smith is not pictured.

Carol Russell, Ed Arnold Take Leads In ADP-SLA Production, "The Enemy"

"The Enemy," a four-act dramatic production by Channing Pollock, will be presented the nights of December 3 and 4 by members of the ADP and SLA societies.

In this, the second of this semester's society dramas, leading roles are taken by Carol Russell as Pauli, a perfect woman, and Ed Arnold, her husband Carl, a writer who is afraid of war.

The action occurs in Vienna, Austria, over a period of five years, according to play directors Clarice Harmon, SLA, and Gladys Fred, ADP.

Others in the cast include Betty Brown as Mizzi, a domineering friend of Pauli; Florence Cook as Baruska, a jolly servant; Merritt McKay as Behrend, Carl's father, and Russ Miller as Prof. Arndt, the father of Pauli.

Howard Smith was chosen to play the part of Bruce Gordon, an Englishman; Lloyd Bellamy as Fritz; Bruce Larson as Jan and A. J. Kellogg as Kurt.

Your interest should be in the future because you are going to spend your life there.

Variety Is The Spice of Life In College Church

By Tom Kelly

With the busy schedule of a college life facing every turn of the student, the opportunity to turn aside and seek peace and solitude is welcomed by all. College Church offers this opportunity to each and every one.

Beginning the week is one of the hardest things to do if Sunday has not been used for a day of getting aside with Christ and finding His will for our lives for the coming week. We highly recommend that Sunday begin at 10:00 a. m. with Sunday School.

Classes for All

Here it is that give and take bring out the many facts of Bible learning which encourage a broader understanding of the Scriptures. We have classes for all ages from the Cradle Roll to the Bible classes and each one is encouraged to come and learn with a group where they can feel at home. Mr. E. J. Harper is our outstanding Sunday School superintendent, and he will be glad to welcome you into the homey feeling you receive when you come to College Church Sunday School.

Both the Morning Worship service at 11:00 a. m. and the Evening Evangelistic service at 7:30 p. m. are presided over by one who does not just give you something that you can cast off in a hurry, but gives you that which sets you thinking. Rev. Eugene Stowe is both capable and efficient and one who is willing to take the time to counsel with those in need.

Youth Groups

The 6:30 p. m. N. Y. P. S. services are geared to furnish entertainment and education for all who attend. For those who are older young people, we have the Young Adults who meet in the missionary room. Most college students wish to attend the College department group which meets in the Young People's auditorium. Wherever you attend you will receive a blessing from the

Cast members of the LSP-Oly play, "The Magnificent Obsession," which will be staged next Thursday and Friday nights, are, left to right, row one: Anne Knapp, Lou Ammons, Joan Embury, Pat Habermel and Ardis Manley; row two: Gordon Renschler, Joe Michel, Ray Cook, Don Edwards, Wayne Bowder and student directors Sam Scammon, Oly, and Wendell Poole, LSP. Not pictured is Lois Cramer.

Combined LSP-Oly Groups to Present "The Magnificent Obsession" Next Week

Troubles, Russ?

Funniest thing! These Nampa cops
Are really on the ball.

Just ask Russell Miller
If you don't believe it all.

A stop sign he did run one day—
The fine slapped on was ten;
The thin wallet held only five.
Result—time in the "pen."

He had that "caged in feeling"
Until Norm Stueckle came along.
Norm proved himself by posting
bail—

Isn't friendship strong?

You can just about imagine
Russ' teed-off sensation,

When arriving to his car
He found a parking violation.

program. Our Hi-NY, which meets on the second floor of the tower, is ably led by Doris and Verd Cochran, assisted by President Jan Paulson. To receive a pleasant surprise, drop in on them any Sunday evening at 6:30 p. m. Our youngest group, the Jr. Hi-NY, is directed by Brenda Urwin with the assistance of Gene and Joann Clark. They meet on the third floor of the tower.

Because it is a long time from Sunday to Sunday, we have that old Nazarene standby, the Mid-Week Filling Station, Prayer Meeting at 7:30 p. m. each Wednesday. Under the leadership of our pastor, it is a time of praying, singing, testifying and Bible study.

For all who like Variety as the Spice of Life, College Church stands ready to serve you!

Taking the leading roles in the "Magnificent Obsession," a drama in three acts from the novel by Lloyd C. Douglas, are Joan Embury as Helen and Wayne Bauder as Bobby Merrick, a well-to-do no-good.

The production will be staged November 26-27 at eight o'clock.

Taking the secondary leads are Pat Habermel as Joyce Hudson, a wayward girl; Ardis Manley as Nancy Ashford, a nurse; and Don Edwards as Monty Brent, a stock broker.

Other cast members are Ray Cooke, Dr. Huson; Gordon Renschler, Dr. Pyle; Lou Ammons, Martha the maid; Lois Cramer, Mrs. Wicks; Anne Knapp and Joe Michel as Marion and Jack Dawson.

Student directors are Sam Scammon, Oly, and Wendell Poole, LSP.

WHO'S WHO—

(Continued from page 1)

of the dorm council, SLA athletic director, a member of FTA, Circle K and Zeta Kappa Rho and this year's senior class president, are a few of the activities of Carlton Bryson during his four years at NNC. Carlton's home is located at Ridgefield, Wash.

Chosen last year for his outstanding character and numerous activities is Jim Lais, whose name automatically appears on this year's list.

When you feel dog tired at night, it may be because you growled all day.

Faculty Mission Ends Sunday In College Church

The seventh annual Faculty Preaching Mission will be concluded Sunday evening in College Church.

During the past week members of the faculty have been in charge of the chapel programs, the Wednesday evening prayer meeting, and will conduct the Sunday evening service.

Dr. B. V. Seals began the week's messages on Monday with T. E. Mangum preaching Tuesday morning. Chapel Wednesday was in charge of Dr. Carl Hansen with Mr. F. Reeves speaking Wednesday night. Thursday, Dr. Henry Wesche brought the message and Dr. D. Shelby Corlett was the speaker this morning. Rev. E. R. Tame will conclude the mission on Sunday evening.

Prof. M. A. Wilson Attends Canadian Registrars' Convo

Prof. M. A. Wilson returned last Friday after attending the Pacific Coast Association of Collegiate Registrars which was held in Vancouver, British Columbia, Nov. 8-11.

One feature of the convention was an address by Dr. K. F. Argue of the University of British Columbia on "Patterns of Canadian Secondary and Higher Education."

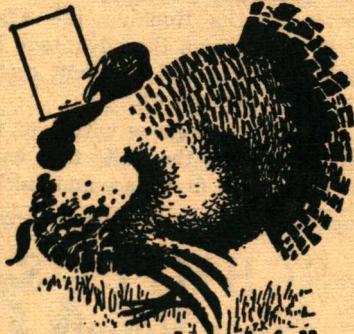

This was of particular interest to the local delegate because NNC has many Canadian students in attendance.

Prof. Wilson also attended the workshops for registrars from independent four-year colleges and universities.

The NNC representative shared a hotel room with Cecil Miller, a representative of Pasadena College.

DEAN

Rough Alumni Quint Meets NNC In Unpredictable Season Opener

Northwest Nazarene College Crusaders basketball team will uncap the 1953-54 basketball season tonight with a tussle against a rough alumni team.

There will be no admission, but a student at the door will accept all donations toward the expense of the coming varsity season.

Varsity Lineup

According to Coach Monty Lee, it looks like the five who will get the nod for starting positions will be Captain Myron Finkbeiner, guard; Paul Bynum, sophomore letterman, guard; Mickey Dean, former Nampa High School athlete, forward. Playing the other forward will be Darrel Reisch, former College High School star, and center will be Bob Cantonwine who is the vastly improved player, taking into consideration that he has never played high school basketball. Tom Lowry, 6'5" transfer from Wessington Springs J. C., will get his first workout under fire in the Crusader uniform. Harold Weber and Harold Stickney will receive plenty of action at forward berths. Leon Doane will see some action, but this will be limited due to a pulled muscle received in practice scrimmage. Clarence Kinzler and Dale Ownby, the only two freshmen on the varsity, will be making their debut at forward and guard for the orange and black.

Cheerleaders to Perform

This game will also give the student body and friends of the College an opportunity to see a prospective list of cheerleaders in action.

Alumni Roster

The alumni will be composed of former NNC grads, coached and managed by Ron Weatherford, a former forward for the Crusaders. In the star-studded alumni lineup, the following names will appear: Johnny Cramer, Bob Lee, Orrin Hills, Woody Beukelman, Curt Beukelman, Bud Baska, Millard Reynolds, Virgil Vail, Lloyd Hubbard, Hubert Herron, Kenneth Hills, Wayne Likens and Leon Bruner.

Knowing the past history of the alumni games, Coach Monty Lee will make no predictions as to outcome, but he is sure of one thing—the crowd ought to see plenty of action.

Men's Tennis Ends In Four-Way Tie

Men's intramural tennis has ended in a four-way tie for first place. Or so it was decided by an exasperated athletic director. Tennis had reached the semi-finals, but evidently none of the four could find time to play their matches. It dragged on and on, and finally it was decided to end it all and make it a four-way tie, with the points divided as such.

Myron Finkbeiner, OLY, Don Boyd, SLA, Merv Gale, ADP, and Skip Wilcox, OLY, were the four quarter-finalists. This will give the OLYs half of the points and one-fourth will go to ADPs, and one-fourth to the SLAs.

Boy's Intramural Table Tennis Frame Will Be Seeded

Basketball may be king, but the game of pingpong will receive a lot of attention for the next few weeks at NNC, as fall competition gets

under way. Quite a number signed up for men's intramural pingpong in both singles and doubles.

In singles there are 17 LSPs, 17 ADPs and 11 each of the SLAs and OLYs, while the doubles competition lists seven LSP, six ADP, five OLY and 4 SLA teams in the running.

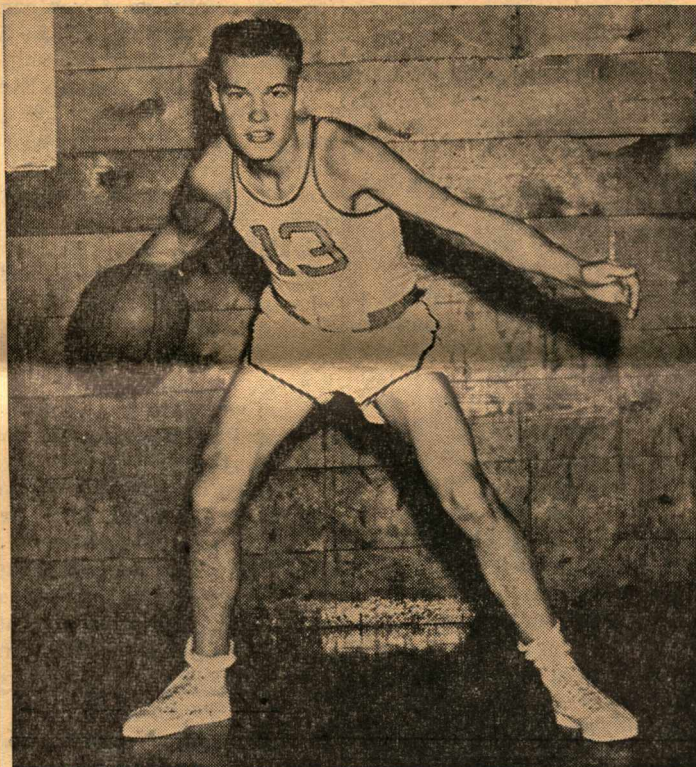

Seedings to Be Given

There will be seedings this year, and those expected to reach the quarter-finals are four top players. Merv Gale, ADP; Carl Bryson, SLA; and Jim Gilson and Glen Gertson, LSP, appear to be the best bets to come out on top for their societies. Of course, just because they are seeded doesn't mean they will have clear sailing. Kirkpatrick, Davis, Buchan and many others will give the favorites a run for their money.

The LSPs seem to have the upper hand in pingpong right now. They have the most entries, and also seem to be overloaded with paddle-handlers. But then again, no one is ready to give up before he gets a chance to show himself.

Final volleyball standings were:

	Wins	Losses
ADP	6	0
LSP	3	3
SLA	2	4
Oly	1	5

CAPT. FINKBEINER

Girl's Volleyball Winds Up With ADPs Taking the Championship

All around strength on the part of the ADP team has placed them on top in the girls' volleyball league this semester. Led by athletic director Martha Hopkins, the ADP girls have shown the advantage in spiking ability and excellent cooperation in team work.

Starting the season with a 52 to 26 victory over the SLAs they held an undisputed first place and finish-

ed with a record of six wins and no losses. The ADPs were also first in participation and had an average of 15 players at each game.

The LSPs edged out the SLAs by a margin of one win and took second place with three wins and three losses. Finishing in last place were the Olys with one win to their credit.

Table Tennis Singles

Women's table tennis singles started this week with a small turnout. Seems like the bench list had something to do with the spirit of participation. With many new students signed up the winners are unpredictable. First round must be finished by today.

Whenever we have cause to feel that life's neglecting us a bit you'll find the only reason is that we're not giving much to it.

SPORTS... SLANTS

By Smitty

Everything has been slack the last week due to mid-semester exams, but all is well under way again and football has been resumed. Barring cancellations, football should be completed this week and the boys of the four societies looking toward basketball as the game of the hour.

* * *

This next week will be a full one in the way of sports as well as holiday activities. The traditional Turkey bowl game will be played on Thanksgiving day and we're looking forward to the usual aches and pains that accompany this rugged encounter as a turkey looks forward to Thanksgiving dinner. One of the disappointing features of this year's game will be the absence of big and rugged "Monty" Lee who, thinking he has secured his fame and glory on the gridiron, has decided to reside on the side lines and move up and down the field in a bit safer area. At least that's the story he gives us now, but when the time rolls around for practice that old taste for the turf and gridiron glory will return like a haunting memory. Personally, we think he's just being big-hearted and giving younger and newer boys the chance for honor and prestige.

* * *

Next Saturday night will be the Jamboree which is the kick-off for intramural basketball. As far as basketball is concerned it will be hard to say who will be the leading team, but according to unbiased Russ Miller, the ADPs. will be strong contenders for the title. Returning for the purple and gold will be Miller in the pivot and Wally Johnson, Paul Wright, Merv Gale and a host of frosh. We're going out on a limb and stake our money on the Olys, taking in the fact that "Skip" Wilcox and Len Back, last year varsity material, will be available this year. If recent predictions are a trend, they won't stand a chance, but that's the way it looks now.

The LSPs will be strong with the assistance of big, rugged and athletic Gordy Renschler, who is returning to the maples after a year of absence. Backing up big Gord will be Pete, a rough man on the backboard. The SLAs will be strengthened by the addition of Wayne Aller, another last year varsity player, along with a host of returning veterans. Marv Emrich will be relied upon as will Carl Bryson.

* * *

The Crusaders will tonight open their season in a game with the Alumni and again Nov. 30 at the Mountain Home Air base. The Fly Boys have always given NNC a good workout and will probably have as good a team as in previous years

Varsity Cagers

Varsity cagers as pictured above are, left to right: Myron Finkbeiner, Jerry Dahlquist, Paul Bynum, Harold Weber, Mickey Dean, Dale Ownby, Bob Cantonwine, Darrel Reisch, Harold Stickney, Clarence Kinzler, Leon Doane and Tom Lowry.

Basketball Favorites Undecided In Society Play; Olys May Be Toughest

Les Hoyle, LSP, Wins Horseshoe Tilt

Les Hoyle, dependable LSP flinger of the hoofwear, has emerged as NNC's horseshoe throwing champion for 1953. Les outthrew Freddy Stuart, OLY, to win and this left Stuart and Paul Anderson, OLY, in a tie for second place.

Hoyle advanced to the final by the most direct route possible. He beat, in succession, Morgan, Gunter, Kinyon, Kern and Anderson to make it to the championship round, which he also grabbed. Stuart also advanced on the straight and narrow path, but someone had to lose in the final, and Stuart evidently was on the wrong side of fate.

This gives the OLYs two places in horseshoes, the LSPs one, but it was first, and in fourth place was Wally Johnson who stuck it out for the ADPs.

All Stars Named To Football Team

FIRST TEAM		SECOND TEAM
Ivester (SLA)	le	Bauder (OLY)
McKay (ADP)	lg	Stuart (OLY)
Morgan (ADP)	c	Rosenbaum (OLY)
W. Miller (OLY)	rg	R. Johnson (LSP)
Finkbeiner (OLY)	re	Cantonwine (SLA)
Wilcox (OLY)	b	Boyd (SLA)
Gale (ADP)	b	Wright (ADP)
Detwiler (LSP)	b	Smith (SLA)
Dean (SLA)	b	W. Johnson (ADP)

Everyone will complain — "my name should be on there, or this player should have been in there someplace." It is very hard to say who was precisely the best player in every little thing. Everyone will

Soon King Basketball will again come into his own. He will probably wonder at times if he is king when NNC inter-society play starts. As of now, it looks like the race will be about as close as football turned out to be. Each team will probably win several, but also lose their share.

Olys Are Strong

Each team has several standouts that will make it an interesting race. The Olys will be strong with ex-varsity men, Skip Wilcox, Len Back and Paul Anderson, plus other experienced players. This gives them the pre-season edge to take the title.

It definitely won't be a pushover, however. The ADPs have Russ Miller, Merv Gale, Paul Wright and other returning veterans, besides some promising freshmen. The blue and white squad will be right in there, with former Junior College player Buck Buchan, strengthening their forces. They also have veterans Gordon Renschler, Phil Peterson as well as several other experienced men.

The SLAs also appear to have a good team. Tall Marvin Emrich, ex-varsity player, Wayne Aller, plus Howard Smith and Carl Bryson will help bring some honor for the SLAs.

have arguments for their side of the question, all of which may be right. Perhaps Fink should have been in the backfield, as might W. Miller have been. Maybe there should have been more SLAs on the team, but if you look closely you will probably agree that the first team could beat the second team.

Three Societies Vie for First In Touch Football

Touch football has developed into quite a mixup, as most everyone knows. The mighty OLYs, pre-season favorites destined to dump everyone and take the title, have been beat twice by the SLAs, and by now maybe three times, once by the ADPs. But the OLYs had lost only two as of the 14th. The SLAs, subduers of the OLYs, lost one forfeit game to the LSPs, and one game to the ADPs, who the OLYs dumped rather easily. The ADPs, in turn, lost one each to the SLAs and OLYs. This left the race in a three-way tie for first place. Only sure thing of the whole situation is that the LSPs have their position pretty well sewed up.

At press time, any of the three top teams could have emerged as the victor, or they could all remain in a tie. Yes, this has been a hectic race and will long be remembered. 1953 was the year, the OLYs were beaten more than once, the year the OLYs rolled up 77 points against the hapless LSPs, and other just as spectacular happenings.

A review of the season follows: The OLYs started in expected fashion, beating the LSPs, 54-0. The SLAs then took the ADPs, 6-0, in a mild upset, and then proceeded to trim the LSPs, only to lose the game on a forfeit. The OLYs kept their string intact as they dumped the ADPs, 25-0. The ADPs came back to win their first game of the season as they also took the LSPs, this time, 25-0. Then came the big game when the SLAs cut short the OLYs, winning 18-0.

The OLYs retaliated by setting a new record, walloping the LSPs, 77-7. The SLAs were upset by a spirited ADP team, who won 25-12, and then won again, beating the LSPs, 13-0.

All was tension as the OLYs and SLAs met again Friday, the 13th. Could the SLAs beat the OLYs again? Evidently they could and so they did. Each team scored three times, but the SLAs won on a safety, 20-18.

And that is how the race shaped up as of November 14th.

Eleven Appear On Semester Volleyball All-Star Roster

- Fred, Gladys ADP
- Brown, Betty ADP
- DeJong, Noreen ADP
- Tracy, Lois ADP
- Coombs, Bonnie ADP
- Hopkins, Martha ADP
- Smith, Dola SLA
- Oldenkamp, Mary Lou SLA
- Cramer, Lois Oly
- McClung, Margaret Oly
- Russell, Betty LSP

One of the problems of a sports writer is that of selecting an all-star team. It is hard to be unprejudiced and give credit where credit is due.

Those chosen on the basis of their outstanding all-around playing were Dola Smith, Lois Cramer, Martha Hopkins and Margaret McClung. Best in spiking ability were ADPs Betty Brown, Lois Tracy, Noreen DeJong and Bonnie Coombs. The hard-to-return serves of Mary Lou Oldenkamp, Betty Russell and Gladys Fred made high numbers of points for their teams and gave them a place on the all-star team.

Spencerian Speech Club Elects Officers

Officers were elected at the Monday evening meeting of the Spencerian Speech club.

Chairman of the intramural speech contest, Noreen DeJong, also explained to the group the rules of the contest which will be held December 7-9.

The debate manager for the year, who was elected last spring, is Bob Harmon.

College High School Butchartmen

Finishing their grid season with four wins and three losses, members of the College High School Trojans are, left to right (front): Dale Constable, manager; Harry Malmberg, Milton Alexander, Lee Edwards, Don Gould, Paul Finkbeiner, Keith Wright and Tom Kegley; middle, Dan Griffith, Bill James, Bob Harper, Phil Heidner, Don Constable, Phil Younger and Don Morgan, assistant coach. Back: Ray Ax, Roger Hitchcock, Willis Nichols, Richard Ness, Don Turner, Andy Foresberg and Coach Roy Butchart.

Marshall Science Members Hear Emerson; Take Field Trip to Lake Lowell Refuge

A Glance With Les At World Events

By Les Chambers

Allied and Communist diplomats have pumped new life into dwindling hopes for a Korean peace settlement with agreement on an agenda for preliminary talks to arrange a political conference.

Top level negotiators reconvened after a week-long recess and approved an agenda drafted by staff advisers in six secret sessions.

The agreement provides for simultaneous discussion of a time and place for the peace conference and of nations which will attend.

Communist insistence on deciding the composition first had deadlocked the preliminary talks for three weeks.

Approval of the agenda will get the stalled preliminary talks under way but U. S. envoy Arthur Dean told newsmen: "This is just the key that opens the door. The real hard work is just commencing."

Meanwhile, non-Communist members of the Neutral Nations Repatriation Commission were increasingly pessimistic over the future of Red interviews with Chinese and Korean war prisoners who have refused to go home.

Armin Daeniker, Swiss member of the commission, said the future of the explanation program doesn't "look very good."

"The only solution seems to be a change of mind by the Northern (Communist) Command. If that is not forthcoming, the work may have to go on by other means," Daeniker added.

South Korean President Syngman Rhee states that "if we stand firm" the Communists "will come to terms" on Korea.

The fiery president predicted the Communists would accept a proposal to withdraw Chinese troops from North Korea and all Allied forces from the south, "because that would save the Communists' face. All we have to do is stand firm."

Mr. Calvin Emerson, professor of chemistry on leave of absence, brought an informative talk concerning the science department at NNC during the early days of the school at a recent Marshall Science Club meeting. Special attention was given to Charles V. Marshall, after whom the club was named, who headed the science department and taught most of the science courses during the first two decades of the school's history.

Bauerle Reports

Dave Bauerle reported on the monazite dredge near Cascade, which the club visited last month. With a Geiger counter he demonstrated the radio activity of the samples of sand brought home.

Dr. Aller, who has spent the past two summers at Glacier National Park at a Ranger Naturalist, talked on the geology and animal life of Glacier, illustrating his remarks with colored slides.

Demonstration Given

At the conclusion of the program Wayne Aller demonstrated the method of grinding telescope, which is to be the official project of the club this year.

Field Trip Staged

Friday, November 13 was a lucky day for 20 members of the Marshall Science Society. These members motored to Deer Flat Bird refuge for a field trip.

Mr. Dart, refuge manager, gave a ten-minute informal talk about the waterfowl found in the area, and the work of the refuge.

Great numbers of geese and ducks were observed by the group. The field trip was concluded by a weiner roast on the beach.

Members Taking Trip

Members of the club going on the trip were Karen Evenrude, Norma Dell Smith, Corine Lang, Betty Dalen, Glenna Ball, Janet Shemwell, Ardith McCann and Ramona Lloyd.

Dr. and Mrs. Gilbert Ford and daughter, Dr. and Mrs. Alvin Aller, Wayne Aller, Steve Wilson, Tom Wilson, Ron Johnson, Myron Finkbeiner, Mickey Dean, Stan Kern, Ida Edwards, Ira Taylor, Henry Maine and Dave Bauerle.

Thirteen Receive Appointments To ASB Committees

Several associated student body committees were named at a recent student council meeting. Thirteen students received appointments.

Publicity

Ron Kirkpatrick, chairman; Ed Arnold, Velma Poole and Noreen DeJong comprise the publicity committee.

Entertainment

Chairman of the entertainment committee is Norman Stueckle, ASB vice president, with Ardis Manley, Clarice Harmon and Myron Finkbeiner as co-workers.

General Improvement

This year the "gripe" committee, now entitled the general improvement committee, is headed by Mel Palmquist, assisted by Dera Lee Mitchell, Jeni Ray, Russ Miller and Sam Scammon.

Home Ec Members Hear Reports On National Convo

Mrs. Alvin Aller, home economics instructor, and Alene Moulton gave reports on the National Home Economics convention at the Monday evening meeting of the Home Ec club.

The two attended the convention which was held in Kansas City, Mo. during June.

During the regular business meeting, presided over by Doris Holmes, president, new members were initiated.

At the close of the session, refreshments were served.

... from the Librarian's Desk

Did you know that Sir Winston Churchill received the Nobel prize for his series on the Second World War, and that we have the complete set in the library? The volumes are: "The Gathering Storm," "Their Finest Hour," "The Grand Alliance," "The Hinge of Fate," and "Closing the Ring."

From among the best sellers of the past few months, the library has several books in the field of fiction and non-fiction. A few of these are:

Costain, "The Silver Chalice;" Douglas, "The Big Fisherman;" Douglas, "The Robe;" Herzog, "Anna Purna;" Hoover, "Memoirs;" Marshall, "The Man Called Peter;" Peale, "The Power of Positive Thinking;" revised Standard Version of the Holy Bible; Wouk, "The Caine Mutiny."

Busy faculty members and students should welcome the Reader's Digest condensed books. The library has volume 13 which contains the following best sellers:

Quentin, "The Black Widow;" Cousteau, "The Silent World;" Steinbeck, "East of Eden;" Killilea, "Karen;" Cloete, "The Curve and the Tusk." Volume 14 contains the following: White, "Our Virgin Islands;" Fowler, "The Intruder;" Young, "A Good Man;" Savage, "A Bargain With God;" Herzog, "Anna Purna."

Volume 15 contains the following: Michener, "The Bridges of Toko-ri;" Cronon, "Beyond This Place;" Jackson, "Life Among the Savages;" McLaren, "My Crowded Solitude;" and Walker, "Digby."

Students in the education department will be interested in Jesse Stuart's *The Thread that Runs So True*, a vivid account of a teacher's early experiences.

Students interested in nursing will enjoy Mac Kay's *A Lamp Is Heavy*, Deming's *Linda Kent*, Stinetorf's *White Witch Doctor* and others.

NNC To Host State FTA Meet

At the first meeting of the E. E. Angell Chapter of the FTA, Dr. Thelma Culver reported to the 63 present that representing educators from all parts of Idaho will meet on the NNC campus February 24 for a conference on the Committee on Teacher Education and Professional Standards of the IEA.

In conjunction with this report, Dr. Culver stated that it was a decided honor to play host to this group. The FTA is planning the entertainment.

Officers Introduced

Officers and sponsors were introduced followed by the election of Elsa Lou Slack as historian for the year. Publicity, program and courtesy committees were approved, with Barbara Sanford, Mary McKenzie and Kenneth Haney as chairmen of these respective committees. Nominations were received for delegates to the IEA Delegate Assembly to be held in Boise next spring. The delegates will be elected by ballot at a later date.

Merit Plan Adopted

The FTA Certificate of Merit Plan was unanimously adopted by the chapter. This is a leadership training program whereby the participant earns one merit point for each hour spent in service to the FTA, the college, and the community. Permanent records will be kept on each member in order to provide

Art Club Members Stage Field Trip

Seventeen members of Beta Kappa Alpha, NNC's art club, staged a field trip last week end to Halfway, Ore.

Under the direction of Connie Mitchell, president, the members presented four services at the local Church of the Nazarene Sunday. Prof. A. J. Finkbeiner, sponsor, was the special speaker.

The outing included a tour of a deserted mining town and other points of interest.

Those making the trip were Connie Mitchell, Doris Holmes, Cliff Taylor, Mary McKenzie, Ed McDowell, Bernice Bradfield, Arliss Cain, Al Nettleton, Gale Maxey, Leslie Hoyle, Helen Franklin, Lillian George, Roy Kneeland, Pearl Wilcox, Paul Ralphs, Betty Bradford and Prof. Finkbeiner.

an adequate record of extra-curricular interest and activities. Certificates will be awarded to the individual member by the National Education Association in Washington upon the recommendation of the local chapter. With the hearty endorsement of our sponsors, this plan will prove effective in increasing the efficiency of FTA as well as enriching the experiences of the individual.

Clifford Taylor, with his two puppets, 'Teddy' and 'Louie,' presented a talented performance at the beginning of the evening.

"N" Club Initiates Are To Receive Tough Workout

A good work-out for initiates is being planned by the members of the "N" club, according to Wayne Aller, president. Besides furnishing paddles and shoe-shine kits, each initiate must be responsible for two new yells for use by the cheerleaders. Two initiates will also co-sponsor each individual cheer leader.

Now that the year is well under way, several constructive steps have been taken by the club.

The main action will be the enforcing of the rule that no letter sweaters of other high schools, colleges or universities may be worn on the campus unless the letters are removed!

It has also been announced that there will be a special reserved section at all games for members of Gamma Nu Gamma and the "N" Club. Both groups will strive to promote better relationships between referees and grandstand crowds.

Another important project of the "N" club is that of selecting and financing the cheer leader outfits. The members buy these with money received from dues and the shoe-shining profits. Following this is the planning for the Tip-Off game which will occur Jan. 23.

TROJAN TALK

By College High "B's"

Parent-Teacher night was last Friday night in the college chapel. Featured on the program were the College High School choir, band, and speech class. Following the program there was a tour of College High School, with the parents meeting the faculty of CHS. Refreshments then were served in the Home Economics building.

The freshmen bowed out to the sophomores in the annual flag hunt held this year. After tasting defeat from the sophomores, they then had to be initiated by them. Freshmen always have such a bad time, don't they? But just wait until next year, then they'll be sitting on top of the world.

Now that the nine-week tests are over, some of the students are breathing more easily. But wait until the night before semester exams when those of you who don't study have to burn the midnight oil. Wouldn't it be easier to study day by day and be ready for those exams, and maybe even get exempt?

College High put out their first newspaper this year called the 'Trojan Echoes.' Even though this was the first printing it proved to be a very good and interesting paper. Here is a clever bit from the paper:

WHAT IF?

- Beryline were Abel instead of Cain.
- Beth were Stone instead of Wood.
- Roxie were the Kernel instead of the Hull.
- Urschel were a Ruby instead of a Diamond.
- Glen was Edison instead of Adamson.
- Ray was a Hatchet instead of an Ax.
- Betty was Green instead of Brown.
- Dale was a Warden instead of a Constable.
- Glendoris was Greek instead of French.
- Ray was Less instead of Moore.

Staff members of the high school paper include Anna Mae Bauerle, editor; Marilyn Poole, assistant editor; Sidney Lewis, feature; Harold Wesche, sports; Pauline Gethman, typist; Janet Paulson, makeup; and Nadine Seward, business manager. Sponsor is Miss Guilet Larson.
