## Books To Be Given According To An Announced Schedule

Official presentation of the 1953-54 Oasis was made this morning during the chapel hour by Editor Bonnie McGraw. Initial copies were given staff members yesterday and the remainder of the student body will receive theirs Friday.

This year's annual is dedicated to our college president, "whose hands of sculpture—under God's guiding hands—have fashioned spiritual paths for students, faculty, and church in a decade of service in Nampa as College pastor, then as president of Northwest Nazarene College."

The 1954 Oasis boasts a blue cover with silver overtone. The theme, "With These Hands," is portrayed on the cover and carried out in the division pages.

An "In Memoriam" to Herbie Gellar entitled, "Paths of Memory" was written by Joe Keen.

"Coming from out the bounds of time

God sent a soul our way;  
Our lives are brighter, richer, purer  
Ev'n though God has taken him away.

NNC will continue to build  
Upon lives such as Herbie lived;  
For these are stones that are lasting  
and true

And bring eternal rewards."

As stated in an earlier edition of the CRUSADER this year's book, consisting of approximately 200 pages, is full of pictures and literary material depicting the administration, classes, activities, organizations, worship, athletics, college high school and advertising.

Hats off to Bonnie McGraw, Jack McEvoy, and other members of the Oasis staff for such a wonderful production.

# Art Dept. Founder Resigns; Leighton, Kelly, Christenson Also Leave Faculty

By Noreen DeJong

In 1942 the art department at NNC was founded. At that time it was a school within a school as it was owned by its organizer, Prof. A. J. Finkbeiner who pioneered this, the first art department in the Nazarene movement. NNC was the first of the church colleges to offer an art major. Now after these 12 years, Prof. Finkbeiner has resigned.

During 1946, the administration bought the art department from Mr. Finkbeiner who had built it up. To encourage students in the field of art, he granted scholarships, and is still granting them, on his own. Many have been helped because of it.

### Policy Gains Recognition

One practice which Prof. Finkbeiner began was that of each year presenting to the school a picture made by graduating art majors. This was started in 1944 with a future Art Gallery in mind. To date over 50 pictures have been given, valued at several thousands of dollars.

Because of the policy, NNC will gain national recognition. A letter asking in specific detail concerning the presentation of these pictures was recently received by the art department from a big Missouri University. They are compiling a book and are giving NNC a complete section explaining this policy.

Graduating from Linfield College in 1939 with a B. F. A., Prof. Finkbeiner became identified with NNC in 1942. During his stay here he has served on several faculty committees, and has sponsored all of the societies at various times. It may be interesting to note that eleven societies that he sponsored have taken the faculty loving cup.

### Author of Texts

While Prof. has been on our faculty, he has written five art textbooks, one of which has been adopted by different colleges and universities. In 1947 he presented a national art exhibit at Sun Valley on invitation by the National Business and Professional Women's organization which met there.

During the month of August, Prof. will attend graduate school in Indianapolis, Ind. He will then return to Nampa to run his business. This fall he plans to have an art service, having a class for rural art teachers.

Aside from these duties he has decided to enter the Idaho senatorial race. I know that we all wish him God's richest blessing.

### Leighton Leaves

Another teacher who will be missed next year is Miss Violet Leighton, women's physical education teacher for the past five years.

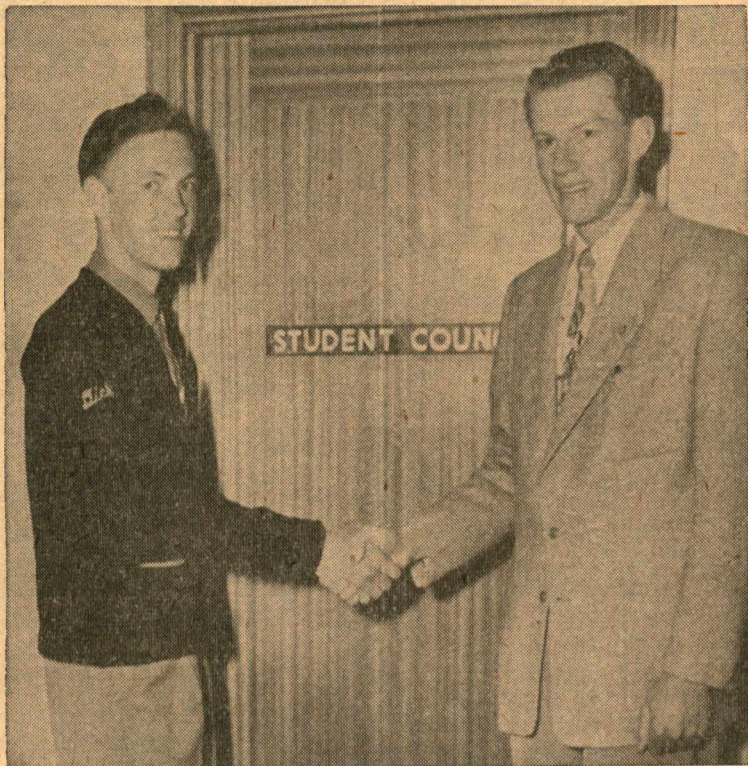

Miss Leighton graduated from NNC in 1952. She served as head resident of Hadley for five years and directed women's intramural and athletics.

A charter member of Gamma Nu Gamma, she also served as presi-

# GNG Has Picnic; Plans Breakfast

Members of the girls' N club of the campus, Gamma Nu Gamma, enjoyed a wiener roast at the Givens' picnic grounds May 6.

In the brief business session which followed plans were completed for the annual breakfast which will be served at the Harmony Cafe, May 28. Special guests will be GNG alumni.

Harold Stickney, new ASB prexy (right), is being congratulated by Dick Ivester, outgoing president. The two attended the Pacific Student President's Association meet in San Francisco May 12-15. Among discussion groups attended were inter-college relations, orientation of new students, pre-school orientation of school leaders, general problems of incoming presidents, foreign students, programs, student participation activities, and student-faculty relations. Much information was received which will make for a bigger and better school next year.

dent and co-sponsor. She originated the present point system and was point keeper for three years.

Next year "Vi" plans to teach in the Nampa vicinity. Her next goal is to secure her master's degree in education.

### Kelly Pursues Doctorate

Tom Kelly, a faculty member for the past two years, has resigned his position to pursue his doctorate with a major in religious education at the University of Southern California in Los Angeles.

An NNC graduate of 1951, Prof. Kelly received his M. A. degree from University of Wyoming in 1952. While a member of our faculty, he also served as director of Christian Education in College Church.

### Voice Teacher Resigns

Miss Clara Christensen, a voice teacher at NNC for the past eight years and head resident at Mangum for the past two years, has resigned. When asked about her future plans she stated that she plans to teach in a public grade school.

# Ministerial Students Urged to Attend Shepherdess Final

Dr. and Mrs. John Riley will entertain all ministerial students and their wives at the presidential home Saturday, May 22.

This evening of fun and fellowship will wind up the activities of the Shepherdess class for this year.

A brief ceremony will be conducted during which the senior girls will be pinned with a gold crook symbolizing their duty as a shepherdess.

Mrs. Riley wishes to urge all ministerial students and their wives to attend. All are welcome.

# CRUSADER Staff Advisor for Six Years Resigns NNC Teaching Position

By Geri Leih

After six years of teaching at Northwest Nazarene College and sponsoring the CRUSADER, Mrs. George Briggs has resigned effective at the close of the summer session.

We will always remember Mrs. Briggs as Miss Olive Lawrence, the freshman English teacher. I don't think any of her students (especially those of 7:55 period) will forget the many good times in her class.

# Mrs. George Briggs Is Honored At Crusader Banquet

Crusader staff members were honored at a banquet held at the Midway May 14. Special guest of honor was Mrs. Olive Briggs, sponsor for the past six years, who has resigned her teaching position at NNC.

The affair was carried out in true newspaper fashion with the programs and menu printed in the form of small newspapers.

A short talk was given by Mrs. Briggs who was presented with a gift. Editor Noreen DeJong and Max Urwin, business manager, also received gifts.

Decorations and program chairmen were Virginia Phillips and Betty Bradford.

# Engagement Told By Wilcox-Bellamy

The engagement of Miss Pearl Wilcox, daughter of Mr. and Mrs. Clarence Wilcox of New Rockford, N. D., to Lloyd Bellamy, son of Mr. and Mrs. Paul Bellamy of Golden-dale, Wash., has been told.

The couple plans an August 29 wedding.

### Marriage Plans

The following are some of the wedding dates that have been set by NNC couples and former students:

Shirley Becker-Rich Powers, May 29 at Tillamook, Ore.; Dera Lee Mitchell-Joe Keen, June 1 (afternoon), College Church; Regina Blum-Ed Manley, June 1 (evening), College Church; Georga Williams-Phil Lamm, June 1 at Greenleaf; Elsa Lou Slack-Carl Bryson, June 5 at Richland, Wash.

Corabelle Anderson-Wayne Smith July 1 in Pullen, Wash.; Floradell

It was such a struggle to get up in the morning and get to class on time. By 8:05 though the class was well under way. It was very hard to stay awake, however, when grammar was the topic of discussion. If your head began to bob, however, you could be sure that Miss Lawrence would call on you to give the parts of the sentence.

During second semester (in May, '51) Miss Lawrence was absent from our class for a week or two. On her arrival home she was Mrs. George Briggs.

### College Activities

While in college Mrs. Briggs majored in English and minored in philosophy, graduating with the class of '47. As a student she was an active and faithful ADP member. She served as secretary for the society for two semesters and helped with the society play.

### Sponsored Groups

Mrs. Briggs has taught at NNC for six years. She has been faculty sponsor for the sophomore class for four years, SLA society for three years, Oly sponsor for one year, and ADP sponsor one year. She served as publicity reporter to the Free Press and Statesman for three years, and was a member of various faculty committees.

George and Olive Briggs are planning to take a church following George's graduation. Mrs. Briggs will teach in high school.

To you, Mrs. Olive Briggs, we, the students of NNC and staff members, say a big hearty thanks and may God richly bless you.

# Intramural Cinder Hopefuls Prepare For Annual Track - Field Day May 29

Society track aspirants will get their chance to gather laurels May 29 when the annual intramural track and field day is held at Bulldog Bowl.

Those planning to participate in the meet, which will include both girls' and boys' events, must put in at least six hours of practice beforehand. Varsity men are eligible for the affair.

Favorites in the boys' division are unpredictable. Each society has likely contenders who will push for top places.

In the girls' division, the ADPs are likely favorites since Lois Tracy has helped the society's girls to many athletic titles.

## Crusaders Top BJC Broncs 2-1 To Take First of Twin Bill

Paul Ralphs turned in a great performance as he pitched the Crusaders to a 2-1 victory over BJC in a double-header here last week. Ralphs allowed nine hits but gave them a rough time on bases to hold down the runs.

The Crusaders scored both runs with a pair of well-executed squeeze plays in the fourth inning. Jack Newman was the losing pitcher.

The Broncs took the second flame 7-1, behind the two-hit pitching of McFadden.

Jerry Wilda scored the only run for the Crusaders when he doubled and went to third on an infield out, scoring on a long fly ball.

Kinyon and Wilda pitched the second game.

A vacation is a succession of 2's. It consists of 2 weeks, which are 2 short—

Afterwards—you are 2 tired 2 return 2 work, And 2 broke not 2.

## ADP Girls Rally; Set Softball Pace

A last minute rally by the SLAs was not enough to break the winning streak of the ADP team in the May 10 girls' softball game. The ADPs took the lead in the second inning 2-1 and scored four more runs in the top of the third.

The first three SLA batters scored in the bottom of the third inning before Martha Hopkins, ADP pitcher, struck out the next two batters and a fly to first ended the game. The final score was 6-5 in favor of the ADPs. Clarice Harmon was the losing pitcher.

This was the fourth victory for the ADPs and places them at the top in girls' softball. The standings at press time Monday night were as follows:

	Wins	Losses
ADP	4	0
SLA	2	2
LSP	1	2
Oly	0	3

## Campus Thin Clads Take Second at BJC

NNC Crusader tracksters picked up 55.5 points to take second place in the Boise Junior College Invitational track meet held at Bronco Stadium.

Eastern Oregon College of Education took top honors with a score of 70.5 followed by NNC, BJC, with 27.5, and College of Idaho with 20.5.

The Crusaders picked up eight first places out of 15 events. Those placing were: Kinzler, fourth place, 100 yd. wash; Ralphs, 1st, mile; Main, 3rd, mile; NNC, 1st, 880 relay; Dean, 1st, shot put; Aller, 4th, javelin; Aller, 1st, broad jump; Hartley, 2nd, high jump.

# SPORTS... SLANTS

By Smitty

It seems the final whistle is about to blow, ending another school year of activities here on the campus and with that whistle we can't help but think back over the seasons we've had.

The Crusader camp has had its share of glory and its share of disappointments although the victories are the ones we remember best.

★

Basketball, the king sport on the campus, gave the students some big thrills even when the Crusaders would come out on the short end of the score. When we think of the Eastern Oregon series the first thing we remember is the wonderful whipping we gave them here for tip-off and we try to forget the shellacking they returned to us two nights later.

All in all the basketball team came up with one of the best seasons NNC has ever had and they've stood up against some of the best college teams in the area.

★

Track has always been a winning sport for NNC with some of the best men in the northwest running under the orange and black colors and the squad has never let the students down at any of their meets although they've been small in numbers. We might say what they lacked in quantity they made up in quality.

★

Another sport that is coming up in popularity on the campus is baseball, which is pushing basketball very strongly for the number one position. The ball team has been getting stronger every year under the able coaching of "Pop"

# Crusader Nine Scares Idaho Vandals; Bows to Visitors After Eleven Innings

## Boys' Softball Has Slow Start; SLAs Are in Lead

Intramural softball in the men's division has been a little slow in getting started. As of May 11, however, three games had been played by each of the societies.

It is far too early to predict an outcome, but it is an indication when the SLAs beat the one-two finishers of last fall's league standings—ADPs and Olys.

From the looks of things softball for 1954 could turn out to be a complicated affair. Any one has a good chance for the championship.

Standings as of May 11:

	W	L	%
SLA	3	0	1000
ADP	2	1	750
Oly	1	2	500
LSP	0	3	000

Frazier. The boys have proved their ability this year with the fine showing they made last week against the U. of I. Vandals, a school ten times the size of NNC. Displays like these are what is giving the school prestige in the Northwest and helping us to gain recognition by other schools.

★

Maybe the surprise of the year was the announcement of the resignation of Lamont Lee. Monty will be missed by more than just the students that have worked under his coaching. Monty has done more than just coach ball clubs; he has been a personal counselor to many, he has displayed leadership ability in the organization of one of the finest intramural programs in the nation and has kept it running smoothly and efficiently besides teaching his regular courses. We

Playing good ball in spots, the NNC Crusaders dropped a close one to the University of Idaho Vandals May 8 at Rodeo Park.

Paul Ralphs, NNC pitcher, turned in a sparkling performance, giving up eight hits, while his teammates picked up 10 off the three Vandal hurlers.

The game went into extra innings with the score tied at 9 all at the end of regular play, but a balk, which brought Joe Lothrop in, won the game for U of I.

The Crusaders hit regularly throughout the game and looked like likely winners until the fourth inning when the Vandals picked up seven runs on Crusader errors. Two more runs in the seventh and the balk in the 11th constituted the scoring for the visitors.

Hallett, star Vandal pitcher, left the game after five innings of six-run ball, being relieved by O'Dell who lasted five more innings and three runs. Quane came in the game in the 11th to put out the Crusader fire. Ralphs went the distance for the Crusaders.

Errors spelled the difference for the Crusaders who outdid the Vandals 8 to 5. Most of the NNC errors came at costly times, usually helping the Vandals to score.

The second game was called at the end of three innings because of the curfew with the Vandals leading 3-1. Kinyon was the starting pitcher for the Crusaders.

Speak for the students when we say we're going to miss him.

There's a lot of other details we could mention that have to do with the sports on the campus, but space limits them so it's best to say that this has been one bang-up year for sports on the campus of NNC.

## "You Hold the Key" Is Banquet Theme

"You Hold the Key" was the theme of this year's Junior-Senior banquet which was held at Boone Memorial Presbyterian Church in Caldwell on Friday, May 7.

Howard Smith, master of ceremonies, gave a toast to the senior class which was followed by a response by Carlton Bryson. Paul McNutt presented a vocal number, "How Lovely Are Thy Dwellings," after which Harold Stickney gave a toast to the college president. Dr. John Riley responded.

Speaker of the evening was Dr. William M. Millen of the Nampa United Presbyterian church.

Junior favors were molded keys while the seniors gave them key chains.

## Annual Circle K Banquet Is Held At Dewey Palace

Members of the Circle K, their wives and guests, were entertained at their third annual banquet which was held at the Dewey Palace Hotel, Saturday evening. Special speaker was K. Matthews from Boise Junior College.

An outstanding feature of the dinner was the presentation of the gavel from the present president, Norm Stueckle, to next year's president, Wendell Poole.

Chairmen in charge were Rod Newman and Sam Scammon.

Members of the Circle K actively promoted the recent Nampa blood drive. The affair was successful with 235 applicants and 210 donors.
